## PRESS RELEASE

### Fannal Electronics, part of SECO, receives a \$6M order for the supply of ca. 130k touch displays in 2022

- Agreement reached with a new US-based customer in the kiosks and gaming domain
- Significant result further boosting the growth of Fannal, one of the main Asian businesses of SECO

Hangzhou, January 6, 2022 – Fannal Electronics Co., Ltd. ("Fannal"), part of SECO group, announces that it has received an order for a total amount of \$5.8M from a US-based customer for which it will make available a set of projective capacity touchscreen solutions for a variety of applications, including kiosks and gaming solutions.

The whole order is to be delivered within 2022, and includes approx. 130,000 touchscreens ranging between 19" and 32" in size.

*"FANNAL's high-quality products have been recognized by customers, and it is our pride that we can still provide supply guarantees for our customers in a very short chip environment", said Lesen Ding, CEO of Fannal Electronics.*

*"This order is very important to further accelerate the growth of Fannal, a business already growing at a rocket pace. Thanks to this order, we expect Fannal will be able to reach, in 2022, over 7 times the revenue it generated when we acquired it in early 2019", said Massimo Mauri, CEO of SECO.*

Endless ways to the future

## PRESS RELEASE

### SECO

SECO (IOT.MI) develops and manufactures cutting-edge technological solutions, from miniaturized computers to fully customized integrated systems combining hardware and software. SECO also offers Clea, a proprietary end-to-end IoT-AI analytics software suite, made available on a SaaS basis, that allows clients to gather insightful data from their on-field devices in real time. SECO employs almost 800 people worldwide and operates through 5 production plants, 9 R&D hubs and sales offices in 9 countries. SECO serves more than 300 blue-chip customers which are leaders in their respective fields, including Medical, Industrial Automation, Aerospace & Defense, Fitness, Vending and many other sectors. SECO R&D capabilities are further enhanced by long-lasting strategic partnerships with tech giants and collaborations with universities, research centers, and innovative start-ups. Corporate social responsibility is part of the strategy of SECO, that undertakes several actions to reduce its environmental footprint and increase its impact on its people and local communities.
