## **PRESS RELEASE**

### **ASCOPIAVE: The Ascopiave Group enters into the wind power field**

The Ascopiave Group herein notifies that it has purchased, as of today's date, through its subsidiary Asco Renewables S.p.A., a 60% stake in the share capital of Salinella Eolico S.r.l. belonging to Renco S.p.A..

Salinella Eolico S.r.l., whose remaining 40% share capital is held by Renco S.p.A., has plans to build a wind farm in the Province of Catanzaro with a rated capacity of up to 21 MW, a part of which has already been cleared by the authorities concerned and a part in an advanced stage of approval. The wind farm, which will be erected by Renco S.p.A., will envisage a global investment of € 30 million.

The Chairman, CEO and General Manager of Ascopiave S.p.A., Dr. Nicola Ceconato has said: "This operation represents another important step in the direction that the Ascopiave Group has been following towards the energy transition".

*The Ascopiave Group is one of the leading operators in natural gas distribution in the country.*

*The Group owns concessions and direct assignments for the management of activities in 268 towns, supplying services to about 775,000 inhabitants, through a network which spreads over 12,000 kilometres. Ascopiave is also a partner of the Hera Group in the sale of gas and electricity, through a 48% stake in Estenergy, a leading operator in the field holding a portfolio of over 1 million sales contracts to end users, mainly in Veneto, Friuli Venezia-Giulia and Lombardy regions.*

*Ascopiave also operates in the water sector. It is a shareholder and technological partner of Cogeide, which manages the integrated water service in 15 Towns within the Bergamo Province, by serving a population of over 100 thousand with a network of 880 km. Furthermore, Ascopiave operates in the hydro-electric field, through 6 hydroelectricity generation facilities, with a rated capacity of 4.6 MW.*

*Ascopiave has been listed under the Euronext Star Milan segment of Borsa Italiana since 12<sup>th</sup> December 2006.*
