Contextual amendment of Article 6 of the Articles of Association. Related resolutions.**

The Board of Directors on 1st March 2022 deliberated to submit to the ordinary Shareholders' Meeting the approval of a stock grant plan reserved for employees of Prysmian and of Prysmian Group's companies not involved in current individual incentive schemes (the "Plan"), described in the information document prepared in accordance with Art. 84-bis of the regulation adopted by Consob with Resolution No. 11971 of 14 May 1999, as subsequently modified, made available to the Shareholders for review of point six of the agenda of the ordinary session of the Shareholders' Meeting.

The information document, which we ask you to review for more information on the Plan, lists the criteria for identifying the recipients and the features of the Plan and describes, in detail, the basic reasons for its adoption.

The Plan envisages the granting to the recipients, free-of-charge, of ordinary shares of the Company, under the conditions of the Plan itself and described in the above-mentioned information document. These shares could be composed of newly issued shares resulting from increase in capital, by either of profit or of profit reserves under art. 2349 of the Italian Civil Code, to which treasury shares owned by the Company may be added.

In order to guarantee a sufficient supply of shares serving the Plan, the Board intends to submit to you the proposal to increase the share capital, free-of-charge, for a maximum amount of Euro 300,000, through the allotment, under art. 2349 of the Italian Civil Code, of an equivalent maximum amount deriving from the "Reserve for share issue as per article 2349 of the Civil Code", with the issue of up to no. 3,000,000 ordinary shares (equal to about the 1.1% of the current registered share capital) with a nominal value of Euro 0.10 each, to be offered to the employees of Prysmian Group.

We remind that, according to art. 23 of the Articles of Association: "The Shareholders' Meeting may also resolve, in accordance with art. 2349 of the Italian Civil Code, an extraordinary allocation of profits by issuing bonus shares for a nominal amount corresponding to such profits".

1. Reasons and assignment of the Increase in Capital

The Board of Directors considers that the Plan constitutes an instrument capable of involving a high number of employees in Prysmian and in other Prysmian Group's companies, providing an innovative tool that enriches the remuneration structure of the employees who will be involved. This Plan also has the objective of contributing to the development of a culture of trust in the growth of the value of the Prysmian Group, by promoting the identification and the sense of belonging of the employees involved, with significant effects in terms of loyalty and retention.

These purposes justify the exclusion of the option's right in favour of the shareholders.

The Plan develops over a period, considered consistent with the aforementioned purposes, of three years and, therefore, from the current year, if the Plan is approved by the Shareholders' Meeting, until 2024.

The increase in the share capital is placed at the exclusive service of the Plan and is therefore solely intended for the employees of Prysmian S.p.A. and of Italian and foreign Prysmian Group's companies, in accordance with Article 2359 of the Italian Civil Code, not involved in current individual incentive schemes.

The shares can be issued also in several tranches over the lifetime of the resolution to increase the capital described, to the final date of 31 December 2026.

2. Features of the Shares

The shares of the Company that can be awarded to the beneficiaries of the Plan, will have the same rights as the currently outstanding ordinary shares of the Company and will therefore have the coupons in effect on that date.

3. Statutory modification as a result of the resolution proposing the capital increase

The operation described entails a modification of Article 6 of the Articles of Association in order to acknowledge the resolution of increase in the share capital.

In particular, a new paragraph will be added to Article 6 of the Articles of Association which states:

"The Extraordinary Shareholders' Meeting dated 12 April 2022 resolved to increase the share capital for a maximum amount of Euro 300,00.00, through the allotment under art. 2349 of the Italian Civil Code, of an equivalent amount deriving from the "Reserve for share issue as per article 2349 of the Civil Code", with the issue of up to no. 3,000,000 ordinary shares with a nominal value of Euro 0.10 each, to be offered free of charge to the employees of Prysmian S.p.A. and of Prysmian Group's companies, beneficiaries of the stock grant plan approved by the Ordinary Shareholders' Meeting of 12 April 2022, and to be carried out by the final date of 31 December 2026".

Here below is the current text of Article 6 of the Articles of Association, compared with the text submitted for the approval of the Extraordinary Shareholders' Meeting, noted that the comparison also shows, as far as necessary, the elimination of the current second paragraph of Article 6 relating to an authorisation by the Shareholders' Meeting to increase the share capital to service the conversion of the bond called "Prysmian S.p.A. €500,000,000 Zero Coupon Equity Linked Bonds due 2022", which will be notified at the same time to the Register of Enterprises, since the period in which those entitled to request the conversion of the bonds held into shares has expired and the Shareholders' Meeting's authorisation to increase the share capital has not been executed, given the lack of requests for conversion.
