6. Authorisation for the purchase and disposal of treasury shares, pursuant to the combined provisions of Articles 2357 and 2357-ter of the Italian Civil Code, as well as Article 132 of Italian Legislative Decree no. 58 of 24 February 1998, and its implementing legislation. Related and consequent resolutions.

Dear Shareholders,

You have been called to the Ordinary Shareholders' Meeting to review and approve the authorisation to purchase and dispose of treasury shares of Sanlorenzo S.p.A. (“**Sanlorenzo**” and “**Company**”), pursuant to the combined provisions of Articles 2357 and 2357-ter of the Italian Civil Code, as well as Article 132 of Italian Legislative Decree no. 58 of 24 February 1998 (the Italian Consolidated Law on Finance or “**TUF**”), and related implementing provisions.

1. Reasons for requesting authorisation to the purchase and disposal of treasury shares

The request for authorisation to the purchase and disposal of treasury shares is intended to grant the Board of Directors of Sanlorenzo the power to purchase and dispose of treasury shares, in compliance with applicable regulations, in order to (including the purposes envisioned in accepted market practices):

- (i) operate on the market from a medium-and long-term investment perspective; and/or
- (ii) use surplus liquidity; and/or
- (iii) optimise the capital structure; and/or
- (iv) have a “securities inventory” to be used – in any way, including but not limited to, in addition to the sale, through exchange, contribution and any other non-cash use – in the context of extraordinary transactions of interest to Sanlorenzo, including, by way of example but not limited to, the exchange of equity investments, acquisitions, mergers, spin-offs, share capital transactions, other corporate and/or financial transactions; and/or
- (v) serve future management incentive plans approved by the Company.

2. Maximum number, category and nominal value of the shares to which the authorisation refers

The requested authorisation entails the power to purchase, in one or more transactions and to an extent that will be freely determined – from time to time – by resolution of the Board of Directors, a maximum number of the Company's ordinary shares, without nominal value, equal to 3,453,550 (corresponding to 10% of the share capital subscribed and paid-in at the date of this Report, net of treasury shares), in any case without prejudice to compliance with the maximum limit set by Article 2357, paragraph 3 of the Italian Civil Code.

In accordance with Article 2357, paragraph 1 of the Italian Civil Code, purchases may only take place within the limits of the distributable profit and available reserves resulting from the latest approved (including interim) financial statements and may only concern fully paid-in shares.

The authorisation gives the Board of Directors the power to sell the shares in the portfolio at any time and to a freely determinable extent, in one or more transactions, even before having exhausted the quantity of treasury shares that can be purchased.

The authorisation also gives the Board of Directors the power to repurchase the shares after any sale, provided that the repurchase is in compliance with legal limits and the maximum limit of the purchase authorisation as established above.
