## **AZIMUT BECOMES THE SOLE SHAREHOLDER IN AZIMUT PORTFÖY IN TURKEY**

**Milan, 17<sup>th</sup> April 2015**

Following the announcement on 22<sup>nd</sup> December 2014 Azimut, Italy's leading independent asset manager, has completed today the acquisition of the remaining 40% stake in Azimut Global Portföy Yönetimi A.Ş., becoming its exclusive shareholder and which will be renamed Azimut Portföy Yönetimi A.Ş. ("**Azimut Portföy**"). In addition, Azimut has completed today the sale of its 10% equity stake in Global Menkul Değerler A.Ş. ("**GMD**") to the majority shareholder of GMD.

After the announcement made on 16<sup>th</sup> April 2015 in relation to the acquisition of a 70% stake of Azimut Bosphorus Capital Portföy, today's transaction enables Azimut to further develop its plans in Turkey by investing in an integrated financial advisory platform comprised of Azimut Portföy, AZ Notus and Azimut Bosphorus with a combined current AuM in excess of TL 2.2bn (equivalent to € 800mn\*) with a 2.6% market share in Turkey. With these three vehicles Azimut will provide a wide range of professional and innovative financial solutions to Turkish clients through both its proprietary network of financial advisors as well as via agreements with local banks.

Pietro Giuliani, Chairman and CEO of Azimut Holding, comments: *"We are committed to develop a strong, independent and integrated platform in the Turkish asset management industry. Our recent M&A activity reaffirms our intention to grow and grasp the opportunity offered by the market to innovative and flexible professionals like all the people working in Azimut. Despite a **2.6% market share of the total industry AuM** and a leadership among independent players with a market share of 45%, we aim to outpace the expected growth rate of the industry by developing our business organically as well as through further consolidation."*
