1Q 2015 Results Update

Analyst Presentation

## Disclaimer

This presentation contains forward-looking statements regarding future events and results of the Company that are based on the current expectations, projections and assumptions of the management of the Company.

The actual results may differ materially from those expressed in any forward-looking statement and the Company does not assume any liability with respect thereto.

This document has been prepared solely for this presentation and does not constitute any offer or invitation to sell or any solicitation to purchase any share in the Company.

The Manager in Charge of preparing the Company financial reports hereby certifies pursuant to paragraph 2 of art. 154-bis of Legislative Decree no. 58 of February 24, 1998, that the accounting disclosures of this document are consistent with the accounting documents, ledgers and entries.

## 1Q 2015 Market Scenario

- Geopolitical tensions persist worldwide (Russia/Ukraine, Middle East, Greece) keeping market conditions volatile for luxury players
- China domestic market still at dual speed growth (with $2^{\text {nd }} / 3^{\text {rd }}$ tier cities delivering best performance), while Chinese consumers travel out of Hong Kong/Macau and into new destinations (Japan, Korea, Europe and Australia)
- Europe continuing weak economics fairly counterbalanced by tourist flows, despite Russia-Ukraine and Middle East tensions still present
- US expected to benefit from rising economy and easing visa offer, while stronger dollar and severe winter have negatively impacted the Region
- Japanese consumers confidence starting to recover from the sales tax hike in April 2014, and domestic sales positively impacted by Chinese travelers
- Travel Retail channel remains key: worldwide airport traffic up 6.1\% in 1Q 2015, envisaging a solid passenger demand for 2015
- Lower EUR exchange rate parity opening to a positive revenues FX momentum for European luxury players
