## Growth continues reaching 26,620 active customers, +42% on 2014

Gubbio, 3<sup>rd</sup> June 2015 – GO internet S.p.A. will present the new brand at Expo Milano 2015 on the 16th June.

Created with the support of London-based agency “Norse”, the brand stems from an analysis of the company’s strengths, namely wireless connectivity, no landline and freedom, easy to use self-install GO box modem.

GO internet continues to grow and reaches 26,620 active customers as of 31st May 2015, +42% compared with the same period in 2014.

“GO internet is reporting a constant growth, the new brand will be able to accomplish the company’s ambitions to become a leader in a favorable context where consumers abandon the landline for wireless solutions” said Flavio Ubaldi, Chief Operating Officer and Head of Sales of the Company.
