Press release

GO internet launches the new 4G LTE service 27,915 active customers, +40% on 2014

Gubbio, 1st September 2015 – GO internet S.p.A. launches the new 4G LTE service and reaches 27,915 active customers as of 31st August 2015, 40% more than the number registered in 2014.

GO internet is constantly expanding its new 4G LTE service which will allow the company to strengthen its presence in both cities and digital divide regions. Thanks to the new base stations installed over the last month, the company will be able to increase its active customer base.

“The launch of the new 4G LTE service is a particularly important step forward in terms of both technology and commercial activity. Thanks to the new technology, GO internet will be able to strengthen its market position and increase its presence in the Marche and Emilia Romagna regions where the company has an exclusive right of use of the frequencies for Broadband Wireless Access systems in the 3.5 Ghz band” said Flavio Ubaldi, Chief Operating Officer and Head of Sales of the Company.
