

PRELIOS

Analyst Presentation – 04 September 2015

- **Prelios is consolidating his position in the market as a pure service provider and has the ambitious goal of becoming the reference “asset manager and service provider” in Italy and in some European countries**
 - Significant real estate asset disposal activities (€877 m sales in 2014, for a pro-rata amount of about €164 m)
 - Strong focus on cost control, with significant reduction on fixed costs
 - Internal reorganization and improvement of the corporate structure, with the introduction of a new management team
 - Transformation of the business model from captive to open market
 - Involvement in the main transactions on the market (e.g. UCCMB)
- **Selected main achievements of the single Business Units:**
 - **Prelios SGR:** 4 new ordinary full equity real estate funds recently established (Fondo PAI – Parchi Agroalimentari Italiani, Fondo IGEA, Fondo Primo RE and Fondo Aurora) and increased AUM for the funds already managed. New AuM in 2014 equals to €326 m, in H1 2015 equals to €131 m
 - **PRECS:** consolidation of a leading market position in the management of deteriorated loans (€1.5bln ca. GBV - mainly secured - of new management contracts, operating partner in the UCCMB acquisition, advisor of the main institutional global investor active in Italy). Repositioning in the market as open market servicer completed
 - **Real Estate Services:** more than 50% of the 2014 turnover was generated with non captive clients and strong focus on large size institutional clients and on contracts with longer length and higher margins
 - **Prelios Germany:** focus on business development, with the closing on new important mandates and repositioning of the German platform as a "German" operator, with the unified leadership responsibility for Germany and Poland

- **Approval by Prelios Board of Director on August 6, 2015 of the spin-off of assets and non-core investment activities transferred to a newly incorporated SPV (“Centauro”)**
 - Proposal addressed to Pirelli, Intesa Sanpaolo and Unicredit as new Centauro partners (the “Partners”), with Prelios holding the minority of voting share capital
 - Transaction envisaging also a right issue at Prelios level, entirely guaranteed by lending banks
- **Approval of the Prelios new business plan 2015 – 2017 related to the transaction, in continuity with the previous business plan, confirming the targets already disclosed to the market**
- **Expected timeline:**
 - The whole transaction remains subject to Partners’ formal acceptance and to the occurrence of the envisaged conditions, including the approval of the total debt rescheduling by all lending banks
 - Formal approval by all lending banks and Partners is expected by the end of September
 - Shareholders’ meeting scheduled for October, 16th
 - Based on the current market conditions, the Company’s target is to execute the rights issue by the end of 2015 / January 2016

CONSISTENTLY WITH THE STRATEGY OF THE GROUP, THE TRANSACTION IS ACCELERATING THE TRANSITION TO A MANAGEMENT COMPANY AND SECURES AN OVERALL EQUITY AND FINANCIAL STRENGTHENING

EQUITY AND FINANCIAL STRENGTHENING OF PRELIOS

- **€66.5 m rights issue at arm's length, fully guaranteed by lending banks, and use of proceeds will be the following:**
 - €48 m: voluntary debt repayment
 - €12 m: liquidity for Prelios to support its Services business unit
 - €6.5 m: amount to be used for company investments and obtain 100% control on the SGR (re-purchase of the residual 10% stake currently owned by Intesa Sanpaolo)
- **Achievement of strong company deleverage and adequate cash endowment for the Services component**
- **Significant reduction of net financial position, which would be substantially *nihil* after transaction implementation**
 - In line with market standard for competitors in the service providers industry

REDEFINITION OF RESIDUAL INDEBTEDNESS

- **Redefinition of residual indebtedness to guarantee long term sustainability**
 - Maturity extension (June 2022) and amortization mechanism in line with cash flow forecasts
- **Cancellation of cross-collateralization with assets transferred in Centauro**

1

SPIN-OFF OF NON CORE INVESTMENT ACTIVITIES

- **Spin-off of Prelios non-core Investment activities, allowing to accelerate the process for the implementation of the business model for the company repositioning as “pure management company”**
 - In line with the strategic guidelines disclosed to the market on several occasions

2

CLEAR BUSINESS MODEL

- **Clear business model focusing on the pure service provider business**
 - Optimization of the allocation of financial resources
 - Better focus of the management on the core business

3

MARKET VISIBILITY

- **Better understanding from the market due to business model simplification**
- **Better perception of the company**
 - Possible participation in the consolidation process currently underway in the sector

4

EXPOSURE TO INVESTMENT BUSINESS

- **Lower exposure to the needs and risks relating to the run-off of Investments**
 - Limited to the value of the shareholding in Centauro and to the exposure deriving from limited warranties granted
- **Related decorrelation of Services cash flows with respect to the Investment needs**

1

MANAGEMENT STRUCTURE OPTIMIZATION

- **Optimization of the management structure and improvement on cost control activities due to the separation of the two business components**
 - Reduction of G&A costs as a result of Project Centauro (50% reduction in the period 2015 – 2017)
 - Expected positive impact on the valorization of the Services business unit

2

EQUITY AND FINANCIAL STRENGTHENING

- **Achievement by Prelios of a significant reduction of the net financial position, which would be substantially *nihil* after the transaction is implemented**
 - €150 m will be transferred in Centauro
 - Voluntary debt repayment of €48 m
 - New cash for Prelios for an amount of €12 m
- **Equity and financial strengthening, which can better support the sustainability and development of the Services business**

3

LONG TERM UPSIDE

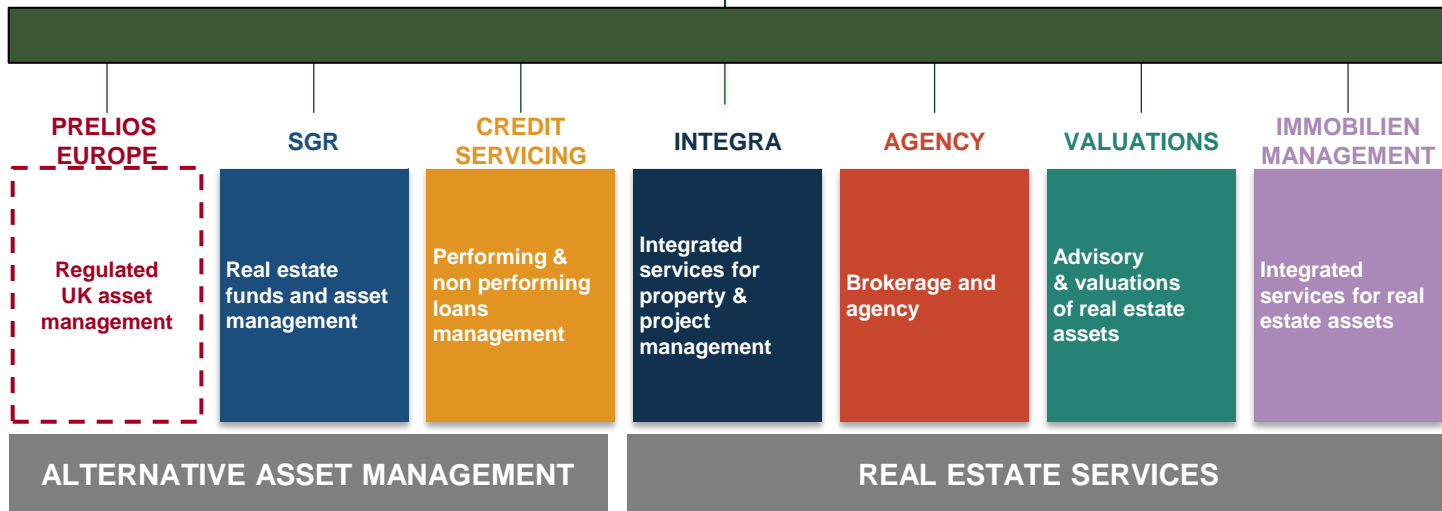

- **Retention of economic interest in the Investment business, granting potential future upside, if any**
 - Possibility to take advantage of future possible market recovery

THE ACHIEVEMENT OF AN ADEQUATE EQUITY AND ECONOMIC-FINANCIAL BALANCE CAN STRUCTURALLY GUARANTEE THE CONDITIONS FOR A STABLE LONG-TERM BUSINESS CONTINUITY

PRELIOS GROUP
