**Openjobmetis – an overview:** Openjobmetis SpA is the private employment agency established in 2011 as a result of the merger of Openjob SpA and Metis SpA, with their know-how and unique expertise that has distinguished them for over 14 years. Openjob SpA started its journey in 2001. In July 2003, “Wisequity”, a private equity Fund managed by Wise SGR, became a shareholder. In December of the next year, the expansion project was launched and then implemented through a series of acquisitions (Pianeta Lavoro, In Time, QuandoccoRre, JOB). The turning point came on 14 March 2011: through the transaction carried out by Wise Sgr, Omniafin SpA (then called Comarfin SpA) and the Management of Openjob, integration work was started with Metis SpA, a private employment agency founded in 2000 by the company of the Vittorelli Family - Omniafin SpA – and a group of institutional investors. Lastly, in January 2013, Openjobmetis acquired Corium, the first Outplacement firm established in Italy, back in 1986. Openjobmetis SpA relies on a network of 120 branches distributed throughout Italy and it operates through a series of specialized areas: Healthcare, Industrial, I&CT, Horeca, Family Care and Diversity Talent. The range of services is completed by the subsidiary Seltis Srl, specialised in the recruitment and selection of middle/top level employees. Today Openjobmetis is positioned among the leading Italian operators in its field, with revenues of approximately EUR 400 million in the year ended 31 December 2014.

Openjobmetis S.p.A. is listed on the Italian Stock Exchange Market, STAR segment.

In December 2015 CRIBIS D&B has awarded the CRIBIS D&B Rating 1 to Openjobmetis, recognizing the company at the highest level of reliability as a partner in a BtoB commercial transaction.
