**“Be” acquires 55% of R&L AG,
provider of specialised professional services
for international “Payments Hubs”**

Rome, February 3 2016

Be Group reinforces its service portfolio to the banking industry with a new acquisition in Germany. The company has acquired 55% share capital of R&L AG, a niche company located in the area of Munich specialised in Consulting and IT Solutions in the Payments sector and in particular on SWIFT. At 31.12.2015, R&L AG reported an estimated turnover of 2.700.000 EUR, an EBITDA of 300.000 EUR and a free cash of 800.000 EUR.

This deal – says Stefano Achermann, Be Group CEO – allows us to strengthen, and potentially multiply, our offering in the consulting services for the major “cross border” payment platforms. In particular, R&L is a leader in SWIFT solutions, the main international standard for payment messaging. R&L already provides services to prestigious clients such as Deutsche Bundesbank and many other leading European Financial Institutions. As such, this deal is part of our 2015-2017 development strategy, which aims at creating a Pan-European IT Consulting Group supporting the financial services industry.

The acquisition of R&L has been finalised through targit GmbH, the existing subsidiary of the Be Group in Germany. The purchase price for 55% share capital was set at 1.470.000 EUR. The agreement foresees an option to acquire the residual 45% in May 2020. The deal is not subject to any suspension rule.
