## PRESS RELEASE

### **GO internet reaches 31,853 active customers, +33% on 2015**

Gubbio, 3<sup>rd</sup> February 2016 – GO internet S.p.A. reaches 31,853 active customers as of 31st January 2016, 33% more than the number recorded in 2015.

“GO internet continues to grow in line with the trend recorded in 2015. We are also expanding the 4G LTE network infrastructure through the installation of new stations and are looking at opportunities to enter the market in other regions. The LTE technology is undergoing an intensive development in these years. According to a recent research, 4G LTE subscriptions reached 1.05 billion during Q4 of financial year 2015 and LTE users will double by 2017 and triple by 2019. Our growth is also due to our business model which is characterized by a very competitive offer and a 4G device readily available at retail outlets that can be easily installed by the customer autonomously with no aid from a technician” said Flavio Ubaldi, Chief Operating Officer and Head of Sales of GO internet.
