The purpose of the authorisation to purchase and dispose of treasury shares is to enable the Company to purchase and dispose of its ordinary shares for the purposes permitted by law, which include: (i) support of liquidity and market efficiency; (ii) preservation for subsequent uses, including: consideration in extraordinary transactions, including exchange or sale of equity investments to be achieved by means of exchange, contribution or other act of disposition and/or use, with other parties, including use to service bonds convertible into shares of the Company or bonds with warrants; and (iii) use to service compensation plans based on financial instruments pursuant to Art. 114-bis of the Consolidated Law on Finance in favour of directors, employees or collaborators of the Company and/or its subsidiaries, as well as the free assignment of shares to Shareholders.

The authorisation to purchase treasury shares is for 18 months from today's date. Authorisation for the disposal and/or use of treasury shares held in portfolio or that may be purchased is without time limits, due, inter alia, to the opportunity to allow the Board of Directors to avail itself of the maximum flexibility, also in terms of time, to carry out the acts of disposal of the shares.
