Cavriago, March 11, 2016 - the Company announces that the amendments to the Loan Regulation approved by the Bondholders’ Meeting held on March 7, 2016 are valid following the registration in the in charge Companies’ Register on March 10, 2016 (amendments are available on the Company website: http://www.ir.landi.it/home/show_press.php?menu=00019 since February 5, 2016).

The main amendments of the “LANDI RENZO 6.10% 2015-2020” Loan Regulations are the following:

- postponement of the reference date for the first consideration of compliance with the financial covenants from December 31, 2015 to December 31, 2016;
- introduction of an “amortising” repayment plan (from June 30, 2016 until maturity date of May 15, 2020), in line with the expected funding available of the Company;
- an increase in the interest rate for 2016 alone (0.4% on an annual basis and therefore 0.2% on a half-yearly basis) (the “Increase”); therefore the coupon proposed for 2016 alone will be 6.50%, to be paid from the payment date of June 30, 2016 and December 31, 2016 (as established by the loan regulation), in the measure, respectively, of 3.25% of the “outstanding” capital.
