This presentation has been prepared by Banco Popolare – Società Cooperativa (“Banco Popolare”) and Banca Popolare di Milano S.c. a r.l. (“Banca Popolare di Milano”, together with Banco Popolare, the “Companies”) solely for your information and may not be reproduced, distributed or passed on to any other person or published, in whole or in part, for any purpose. Neither this presentation nor any part or copy of it may be taken or transmitted into the United States, Australia or Japan or distributed, directly or indirectly, in the United States, Australia or distributed or redistributed in Japan or to any resident thereof. The distribution of this presentation in other jurisdictions may be restricted by law or regulation, and persons into whose possession this document comes should inform themselves about, and observe, any such restrictions. Any failure to comply with these restrictions may constitute a violation of the laws of any such jurisdictions. To the fullest extent permitted by applicable law, the Companies disclaim any responsibility or liability for the violation of such restrictions by any person.

This presentation does not represent a prospectus or other offering documentation, and does not constitute or form part of, and should not be construed as, any offer or invitation to subscribe for, underwrite or otherwise acquire, any securities of Banco Popolare or any member of its group, any securities of Banca Popolare di Milano or any member of its group, any securities of the company resulting from potential consolidations of the Companies, nor should it or any part of it form the basis of, or be relied on in connection with, any contract to purchase or subscribe for any securities in Banco Popolare or any member of its group, any securities of Banca Popolare di Milano or any member of its group, any securities of the company resulting from potential consolidations of the Companies, or any commitment whatsoever. Any offer or solicitation would be made by means of a prospectus and/or an offering circular prepared for the purpose by Banco Popolare and/or Banca Popolare di Milano and any decision to purchase or subscribe for securities in connection with such offer or solicitation should be made solely on the basis of the information contained in such prospectus and/or offering circular published in final form by Banco Popolare and/or Banca Popolare di Milano in relation thereto. Furthermore, this presentation does not provide any form of advice (investment, tax or legal) comparable to investment advice, nor does it make any suggestions about specific financial instruments, investments or products. The Companies decline any responsibility for any investment decisions made on the basis of the information contained in this presentation.

Nothing in this presentation constitutes an offer of securities for sale in the United States or any other jurisdiction where it is unlawful to do so. The securities of Banco Popolare or any member of its group, any securities of Banca Popolare di Milano or any member of its group, or any securities of the company resulting from potential consolidations of the Companies have not been, and will not be, registered under the U.S. Securities Act of 1933 as amended (the “Securities Act”), or the securities laws of any state or other jurisdiction of the United States, and the securities may be offered, sold, pledged or otherwise transferred only outside the United States in offshore transactions in reliance on and meeting the requirements of Regulation S under the Securities Act.

The information contained in this presentation is for background purposes only and is may be subject to amendment, revision and updating. The information, estimates, targets and projections contained herein reflect significant assumptions and subjective judgments by Banco Popolare’s and Banca Popolare di Milano’s management concerning anticipated results. In addition, certain statements in this presentation are forward-looking statements. These statements include financial projections and estimates and their underlying assumptions, statements regarding plans, objectives and expectations with respect to future operations, products and services, and statements regarding future performance. Forward-looking statements are generally identified by the words “expects”, “anticipates”, “believes”, “intends”, “estimates” and similar expressions. By their nature, forward-looking statements involve a number of risks, uncertainties and assumptions which could cause actual results or events to differ materially from those expressed or implied by the forward-looking statements. Furthermore, the information, assumptions and judgments contained herein may or may not prove to be accurate or correct and there can be no assurance that any estimates, targets or projections are attainable or will be realized.

These include, among other factors, the satisfaction of the conditions of the offering, changing business or other market conditions and the prospects for growth anticipated by Banco Popolare’s and Banca Popolare di Milano’s management. These and other factors could adversely affect the outcome and financial effects of the plans and events described herein. Forward-looking statements contained in this presentation regarding past trends or activities should not be taken as a representation that such trends or activities will continue in the future. You should not place undue reliance on forward-looking statements, which speak only as of the date of this presentation. The delivery of this presentation shall not, under any circumstances, create any implication that there has been no change in the affairs of Banco Popolare and/or Banca Popolare di Milano since the date hereof. In furnishing this presentation, neither Banco Popolare nor Banca Popolare di Milano undertake any obligation to update or revise any of the information contained herein, whether as a result of new information, future events or otherwise, or to correct any inaccuracies which may become apparent.

The information contained herein has not been independently verified. No representation or warranty, express or implied, is or will be given by Banco Popolare or Banca Popolare di Milano or their respective affiliates, shareholders, directors, partners, employees or advisers or any other person as to the accuracy, completeness or fairness of the information contained in this presentation and no responsibility or liability whatsoever is accepted by the same for the accuracy or sufficiency thereof or for any errors, omissions or misstatements negligent or otherwise relating thereto.

This presentation is about the envisaged merger between Banco Popolare and Banca Popolare di Milano, which is subject to any required authorization and / or clearance from the relevant supervisory and regulatory authorities and to the approval by the respective boards and Extraordinary Shareholders’ General Meetings.

Neither Banco Popolare nor Banca Popolare di Milano undertake any obligation for any damage that may derive from the use of the content of the present document

# 2019 Strategic Plan Key Messages

---

**Attractive and Sustainable Profitability**

**Solid Balance Sheet and Improved Asset Quality**

**Significant Value Creation**

**Remunerative Dividend Policy**

---

# 1. Summary of Strategic Plan Targets

# Attractive and Sustainable Profitability Supported by a Solid Capital Position...

# The New Group Will Serve 4 million Customers with a Tailored Proposition

## Number of Customers

Thousands, 2015 (as is)

	Size		 <b>BANCA POPOLARE DI MILANO</b>	Total		
Retail and Small Business clients	Corporate <sup>1,2</sup>	>€5m	23		10	33
	Private <sup>3,4</sup>	>€1m	22		8	30
	Small business <sup>2</sup>	<€5m	286		125	411
	Affluent <sup>3</sup>	€50k–€1m	478		254	732
	Mass <sup>3</sup>	<€50k	1,958		867	2,825
	Institutions, public sector and others <sup>5</sup>		26		8	34
	<b>Total</b>		<b>2,793</b>		<b>1,272</b>	<b>4,065</b>

Notes: 1. Equivalent to 11 thousands groups for Banco Popolare and 6 thousands groups for BPM. 2. Turnover; including POE. 3. Total wealth. 4. Includes around 4 thousands customers currently in BP Affluent segments with more than €1m in total wealth. 5. Religious entities, non-profit organizations, public sector, etc.

# Become the Italian Mid Caps' Preferred Corporate and Investment Bank with the Brand

Pro-forma segments

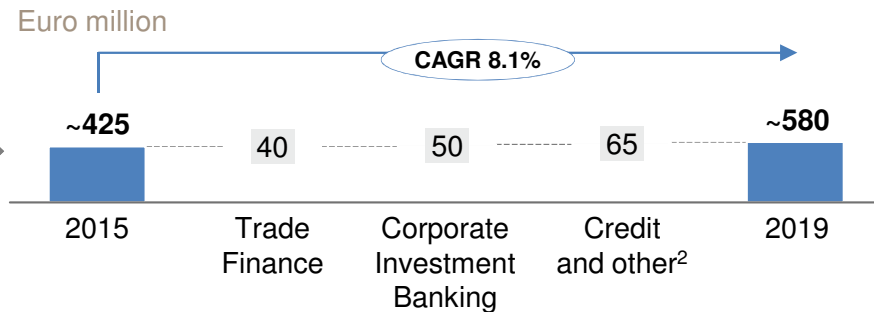

## Key Strategic Guidelines

- Dedicated division for Mid Caps
- Excellent credit underwriting process
- Full leverage on Investment Banking capabilities of Banca Akros and Banca Aletti
- Increase share of wallet in value added services
- Enhance Corporate Hedging & Advisory capabilities
- Leverage synergies with Private Banking

## Gross Loans

## Fees

## Top 50 Combined Gross Loans<sup>1</sup>

Notes: 1. Loans volumes ranked by Volumes "Utilizzato Cassa e Firma", exposure by legal entity (not group). 2. Other includes: Issuing and acquiring and current accounts.

# A Dedicated Top Tier Private Bank with an Established Brand

Pro-forma segments

## Key Strategic Guidelines

- Coherent brand strategy, evolving the vision from investment to wealth advisory
- Attract talents from the market
- Compelling customer proposition through unified and extensive product/service catalogue
- Referral and cross-selling with corporates / entrepreneurs

## Total Client Assets<sup>1</sup>

## Fees

Notes: 1. Includes all New Group Private customers plus around 4 thousand customers currently in BP Affluent segments with more than €1m assets.

# A Fully Integrated Multichannel Bank Serving Retail and Small Business Clients

Pro-forma segments

## Key Strategic Guidelines

- Focus on client development and cross selling
- Differentiate by customer sub segment
- Process and product simplification
- Big Data development to support CRM
- 24/7 Accessibility

## Gross Loans

## Total Client Assets<sup>1</sup>

## Number of Customers

Notes: 1. Excluding around 4 thousands customers currently in BP Affluent segments with more than €1m assets.

# Full-Scope Product Offering Sustained by Strongly Recognized Brands

## Asset Management

- Increased commercial focus on core segment (Private and Affluent)
- Strong combined product capabilities

## Consumer Credit

- Improved productivity via commercial best practice sharing

## Bancassurance

- Leverage on combined commercial partnerships with external product factories

## Investment Banking

- Benefit from new critical mass to develop specialized Investment Banking proposition for Corporate customers

Notes: **Financial data and KPIs referred to the New Group's network.** 1. Average of December. 2. Corporate Advisory includes only upfront fees in M&A, ECM and DCM.

# Effective Organizational Structure

## New Group – Macro Building Blocks

### Executive Management Team

### New Strategic Unit

### Corporate Centre

### Customer Business Units

### Product Units

### Service Units

# Enhanced IT Platform Sustained by Investments in Digitalization

## IT Integration

- State-of-the-art IT architecture integrating existing areas of excellence resulting in higher efficiency
- Quick migration process (by 2017) enhancing digital platform evolution
- Scalable and flexible infrastructure supporting future customer and employee experience

### ICT Operating Expenses

## Digital Platform

- “High digitalized” target model to minimize operating activities

### Digital Investments

# Fully Integrated Multichannel Distribution

## Key Strategic Guidelines

### Sustained digital evolution

- Extend fully digital model
- Evolve and strengthen SME/SB digital offer
- Enhance Retail and Corporate payments
- Increase cost and processing time efficiency

### Innovative and optimized branch network

- Lighter territorial footprint
- Larger and modern branches
- Evolved roles in branches towards advisory
- Full multichannel integration
- More efficient service
- Improved customer experience

### Highly evolved distribution models

- Closer to clients
- Equipped with fully integrated tools
- Certified and licensed personnel
- Scalable platform
- Strong governance and control model

## Success Factors

## Branch Network

## New Distribution Models

Notes: 1. Not including digital branches and other branches not relevant to the analysis.

# Engaged and Customer-Focused Human Resources

## Key Strategic Guidelines

### HR management and development

- Introduction of new career development programs and commercial role opportunities
- Adoption of performance management and incentive schemes linked to customer satisfaction in line with a sustainable growth
- Hiring of young resources
- Active commitment towards gender rebalancing and increasing presence of women in key roles
- Introduction of a new voluntary exit scheme
- Reduction of personnel costs by at least 0.5% CAGR 2015-2019

### Training and requalification

- Investment in training programs and development of new commercial competences
- Talent management
- Enhanced flexibility and company welfare
- Over 100,000 training days per year

## Resources Allocation<sup>1</sup>

Notes: 1. Total headcount as of 2015 equal to 25,080.

# Summary of Key Strategic Guidelines

**A new leading banking group  
in some of the wealthiest  
regions in Europe...**

- 3<sup>rd</sup> largest banking group in Italy with a leading position in the North
- 4 million customers served through an extensive and fully complementary distribution network
- National leading player in a number of high value businesses
- Complementary and experienced management team

**...a winning banking model  
across market cycles...**

- Customized proposition in all market segments
- Effective organizational structure supported by an enhanced digital platform
- Fully integrated multichannel distribution
- Talent retention through new professional roles and human capital enhancement

**...solid balance sheet since  
inception and improved asset  
quality...**

- **CET 1 fully phased ratio at ~13%**
- **Liquidity ratios comfortably above regulatory requirements**
- **New NPL unit to maximize recoveries and deliver a strong disposal plan**
- **Efficient funding mix and prudential management of securities portfolio**

**...and significant value  
creation**

- Fully phased synergies of ~€460m (pre-tax)
- Focus on efficiency
- Enhanced RoTE and dividend payment capacity

# Evolution of the New Group's Capital and Asset Quality KPIs

## Key Strategic Guidelines

### Asset Quality

- New dedicated unit to ensure effective management of NPL
- Increase coverage of bad loans together with a rebalanced secured/unsecured mix
- Strong NPL reduction plan (at least €8bn disposals)

### Capital Adequacy

- €1bn capital strengthening executed by BP
- Benefit from extension of BP AIRB system to the New Group
- Organic capital generation off-setting conservative assumptions on regulation evolution

### Liquidity

- Liquidity ratios above regulatory guidelines

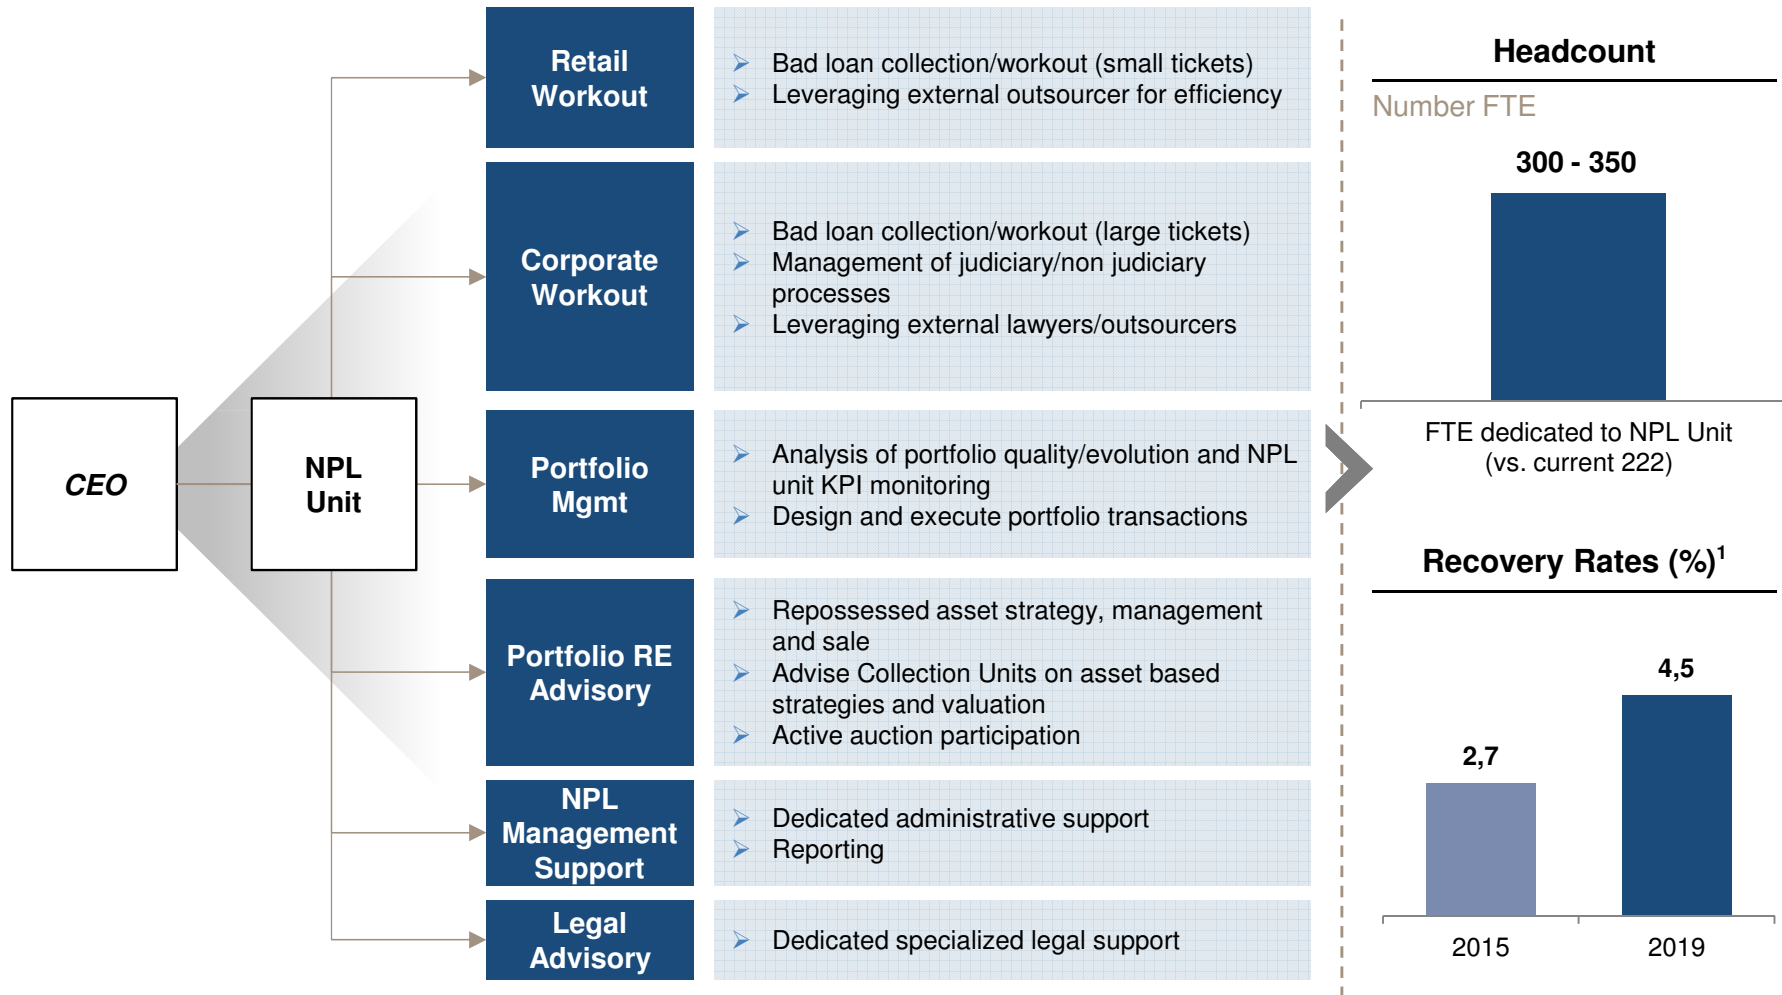

## KPIs Evolution

	2015	2019
NPL Ratio – Nominal	24.8%	17.9%
NPL Ratio – Net	15.7%	11.1%
Bad Loans Ratio – Net	7.0%	4.2%
Coverage on Bad Loans <sup>2</sup>	57% <sup>1</sup>	59%
Cost of Risk <sup>3</sup> (bps)	102	63
CET 1 ratio (Fully phased)	12.3% <sup>4</sup>	12.9%
LCR	>100%	>100%
NSFR	98%	>100%

Notes: 1. Does not include extra provisions to be completed in 2016. 2. Calculated including write-offs. 3. Calculated on year-end net customer loans. 4. Aggregated data as of 31 December 2015 including full recognition of negative goodwill.

# Top Management Fully Committed on the New Dedicated NPL Unit

*A new NPL unit focused on bad loans management and workout will increase recovery performance and could create further opportunities for maximizing value. Performance and results will be adequately disclosed over the strategic plan horizon*

Notes: 1. Calculated on nominal value and considering only cash recoveries (no effects from disposals considered).

# Nominal NPL Ratio Below 18% and Net NPL Ratio at 11%

## Key Strategic Guidelines and Initiatives

### Organizational Structure

- Dedicated business unit for the management of Bad Loans directly reporting to CEO
- Loan portfolio diversification and adoption of best practices for risk management

### Coverage Ratios

- Immediate increase in coverage ratios within the main NPLs categories (i.e. Secured Bad Loans, Unsecured Bad Loans and other NPLs)
- Overall coverage ratio influenced by “mix effect”, due to declining weight of highly provisioned categories

### NPL Stock Reduction

- NPL reduction plan for €8bn of nominal book value leading to a nominal NPL ratio below 18%
  - Further €2bn may be added to reduction plan in the event of significantly adverse asset quality trends

## KPIs Evolution

### Cost of Risk<sup>1</sup>

### Bad Loans Coverage<sup>2</sup>

### NPL Ratio

Notes: 1. Calculated on year-end net customer loans. 2. Ratios calculated on nominal book value including write-offs (gross + write-offs).

# Solid Capital Position with CET1 Ratio at 12.9%

## Key CET1 Evolution Items

### Pillar I Capital Requirements

- Extension of BP AIRB system to the New Group
- Conservative assumptions on market risk and operational risk capital requirements evolution

### Organic Capital Generation

- Increase of capital mainly due to the profit retained in the plan horizon, partially offset by credit portfolio growth
- 40% dividend payout

### NPL Stock Reduction

- Effect of NPL disposal and provisioning strategy

## KPIs Evolution

### CET 1 Ratio Fully Phased

### RWA Density<sup>2</sup>

Notes: 1. Aggregated data as of 2015 including full recognition of negative goodwill. CET1 Ratio phased in at 12.5% in 2015. 2. RWA density calculated on total assets.

# ALM Strategy Focused on Reducing Cost of Funding

## Funding Mix Evolution

- Funding mix rebalancing and an improved credit standing will lead to a reduction of cost of funding driven by:
  - Reduction of Retail Bonds (~€5bn) and Wholesale bonds (~€4bn-€5bn), balanced by increase of deposits and certificates (~€16bn)
  
- Issue of €1.5bn of subordinated bonds will partially offset existing bond maturities

## KPIs Evolution

### Cost of Funding Evolution

### Funding Mix

Notes: 1. Other includes "certificati di deposito", REPO/PCT, other securities issued and other deposits.

# Prudential Management of the Securities Portfolio

## Securities Portfolio Evolution

- Low interest rate scenario will reduce the returns of securities portfolio
- IFRS3 fair value impact on BPM portfolio would also reduce the inertial returns
- After reallocation, the 2019 portfolio will include an increase of non-euro sovereign (~€2bn), with stable duration (avg. duration <4y)

## Securities Portfolio

Euro billion

# Summary of Key Strategic Guidelines

## A new leading banking group in some of the wealthiest regions in Europe...

- 3<sup>rd</sup> largest banking group in Italy with a leading position in the North
- 4 million customers served through an extensive and fully complementary distribution network
- National leading player in a number of high value businesses
- Complementary and experienced management team

## ...a winning banking model across market cycles...

- Customized proposition in all market segments
- Effective organizational structure supported by an enhanced digital platform
- Fully integrated multichannel distribution
- Talent retention through new professional roles and human capital enhancement

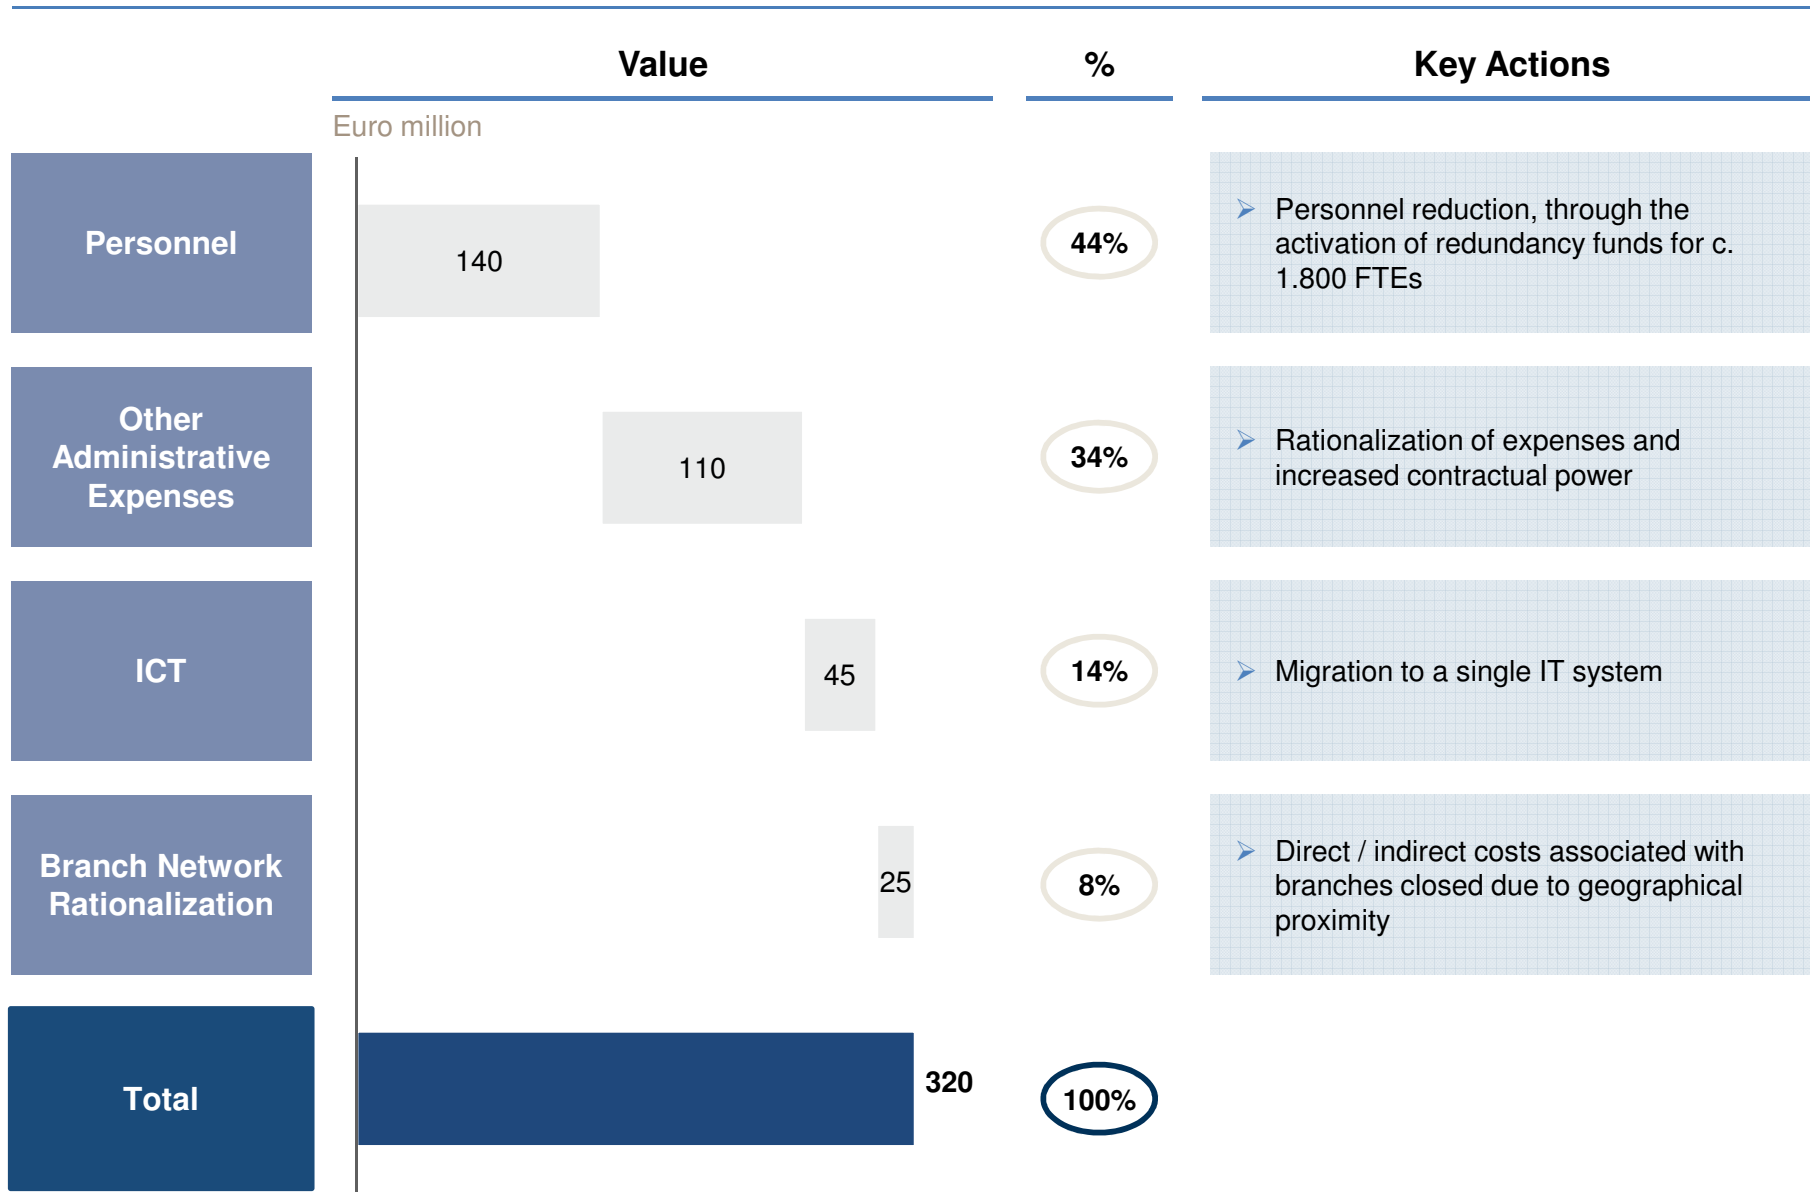

## ...solid balance sheet since inception and improved asset quality...

- CET 1 fully phased ratio at ~13%
- Liquidity ratios comfortably above regulatory requirements
- New dedicated NPL unit to maximize recoveries and deliver a strong disposal plan
- Efficient funding mix and prudential management of securities portfolio

## ...and significant value creation

- **Fully phased synergies of ~€460m (pre-tax)**
- **Focus on efficiency**
- **Enhanced RoTE and dividend payment capacity**
