**IMMSI GROUP: INTERMARINE FINALISES ORDER BACKLOG  
FOR THE NEXT THREE FINANCIAL YEARS**

*Mantua, 09 November 2016* - Immsi S.p.A. said that its subsidiary Intermarine had received the necessary approvals from the authorities on a number of contracts, which are now effective, and had consequently consolidated its order backlog to date at approximately 350 million euro.

This significant backlog enables Intermarine to gradually increase current production, which will develop over the next three financial years.
