The Board of Directors of **Sabaf S.p.A.** met today in Ospitaletto (BS) and approved the consolidated results for 2016 and the draft financial statements of the parent company, as well as the Report on corporate governance and ownership structure requested by Article 123-bis of the Consolidated Finance Act (TUF) and the 2016 Report on remuneration prepared pursuant to Article 123-ter of the TUF.

*Group consolidated results*

In 2016, the Sabaf Group booked a 5.1% drop in sales; taking into consideration the same scope of consolidation, sales decreased by 6.7%. The crisis in the Middle Eastern and African markets (mainly Egypt), related exclusively to external factors (such as low oil price and shortage of strong currency), resulted in a drop in direct sales of more than €5 million and also affected the sales of the Group in Italy, since Italian customers are strong exporters to the Middle East. The positive trend of the other international markets, most notably the steady growth in North America, only partially offset the decline in sales in the Middle East, Africa and Italy. Average sales prices in 2016 were around 1.5% lower compared with 2015.

Despite the drop in sales volumes, the Group managed to maintain satisfactory income-related performances and to achieve a % EBITDA better than 2015: 2016 EBITDA was €25.4 million, equal to 19.4% of sales, compared with €26.2 million (19% of sales) in 2015, whereas, due to the greater impact of amortisation/depreciation, EBIT stood at €12.5 million (9.6% of sales) compared with €14.1 million (10.2% of sales) in 2015. Net profit of 2016, equal to €9 million, was mainly unchanged in absolute terms, whereas in percentage terms it reached 6.9% of sales (6.5% in 2015).

In 2016, the Sabaf Group made net investments of €11.8 million. The main investments in the financial year were aimed at increasing production capacity in Turkey and Brazil and the further automation of production of light alloy valves. The controlling share of A.R.C. s.r.l., leading company in the production of burners for professional cooking, was acquired by investing €4.8 million (€2.6 million net of the financial position of the acquired company).

At 31 December 2016, net financial debt was €23.5 million, compared with €25.9 million of 31 December 2015, whereas shareholders' equity totalled €112.3 million; the ratio between the net

financial debt and the shareholders' equity was 0.21, versus 0.23 in 2015.

*Parent Company Sabaf S.p.A. results*

The Parent Company Sabaf S.p.A.'s sales revenue for 2016 totalled €101.5 million (compared to €114 million reported in 2015, -10.9%), EBITDA was €13.5 million, down 16.1% from €16.1 million in 2015), EBIT was €4.1 million, down 54% from €8.8 million in the previous year and net profit was €2.5 million, down 56.4% from €5.6 million in 2015.

*Call of Shareholders' Meeting and proposed dividend*

The Board of Directors will propose to the Shareholders' Meeting – which will be held at 10.30 am on 27 April 2017 (single call) at the company's registered office in Ospitaletto (BS) – the distribution of a gross ordinary dividend of €0.48 per share (unchanged compared with 2016) for shares outstanding on 30 May 2017 (the record date), excluding, therefore, treasury shares on that date. The ex-date is scheduled for 29 May and the payment date will be 31 May.

The shareholders' meeting will also be asked to renew the authorisation to the Board of Directors for the purchase and sale of treasury shares and to appoint a new director to supplement the Board of Directors.

*Fees following the termination of the office of the chief executive officer, Alberto Bartoli*

In relation to the resignation of Alberto Bartoli from the office of director and chief executive officer, notified last 23 January, effective as from the date of the Shareholders' Meeting for the approval of the 2016 financial statements, scheduled for 27 April:

- Bartoli has a non-competition agreement with Sabaf S.p.A. with a duration of two years starting from the date of termination of office, against a total consideration of €290,000, which will be paid after the termination in three annual tranches;
- Bartoli is not the beneficiary of any incentive plan based on financial instruments or of other fees, indemnities and/or benefits for the termination of office for any reason and/or in any form.
