Information Tables Pursuant Art. 84-quater “Annual Report – Section II” of the Regulation n° 11971 Issued by Commissione Nazionale per le Società e la Borsa (Consob)

Year 2016

Welcome to
 UniCredit

In the following pages a set of tables presents the quantitative information that the Company must provide in compliance with article 84-quater of Consob's Issuers Regulation nr. 11971.

In such regards, please note that the information requested at Section I and at the First Part of Section II of the Compensation Report, to be prepared in compliance with Attachment 3A, Schedule 7-bis of the above mentioned Regulation, is contained in the Annual Compensation Report, published within the Group Compensation Policy, of which this document represents an enclosure.

The set of tables that follow provides in particular the information foreseen by the Second Part of the above mentioned Section II.

For a deeper understanding of the methodological criteria underlying the information reported in the various tables, reference is made to Annex 3A of the said Consob Regulation.

Please note that all the data related to UniCredit's shareholdings, shares granted or to be granted within the Group incentive systems as well as stock option rights (reported at the tables 'Shareholdings', 2 and 3A) refer to numbers and values of the securities as at December 31st, 2016 and therefore before both the reverse stock split operation enacted in January 2017 and the strip of the option rights related to the Capital Increase launched in the month of February 2017.

Here below a brief information on the contents of the various tables is reported:

TABLE 1: Compensation paid to members of the administrative and auditing bodies, to general managers and to other executives with strategic responsibilities

Provides, at an individual level and on an accrual basis, the details of the compensation paid to the members of the Board of Directors, Board of Statutory Auditors and General Managers.

For the other executives with strategic responsibilities the information is provided on an aggregate basis. Please note that the related perimeter has changed during the year. Up to August 31st, 2016 the other executives with strategic responsibilities were the members of the CEO Office (excluding the Chief Executive Officer for whom the disclosure is provided at an individual level) plus the Heads of Group Compliance and Internal Audit. In relation to the corporate reorganization decided on 26th July 2016, effective September 1st, 2016 the Board has defined that the aggregate is made up, additionally to the chief Executive Officer and General Manager, of the co-Chief Operating Officers, the Heads of Group Compliance, Group Human Capital, Group Legal, Group Risk Management, Internal Audit and Strategy Business Development e M&A. The related data are reported pro quota and, for comparability purposes, correspond to 7.33 Full Time Equivalent (FTE). The individual data of the General Manager, Mr. Gianni Franco Papa, are referred only the period during which he covered such office while the ones related to his previous role of Deputy General Manager – Head of CIB Division are instead considered within the aggregate disclosure for the 'Other Executives with Strategic Responsibilities'.

The overall compensation paid by UniCredit S.p.A. for 2016 to the Board of Directors and to the Board of Statutory Auditors amounts respectively to € 7,197,995 and € 719,319 .

The “Fair value of equity compensation” (column 7) does not represent a value actually paid to/gained by the beneficiaries of equity plans, being instead the cost that the Company is booking - on an accrual basis and during the vesting period - in consideration of the provision of incentives based on financial instruments. More details on such plans are provided at the following Table 2 and Table 3A.

TABLE 2: Stock Options assigned to the members of the administrative body, to general managers and other executives with strategic responsibilities

Neither the non-executive members of the Board of Directors, nor the members of the Board of Statutory Auditors benefit from any incentive plan, be it based on financial instruments or cash.

Only the former Chief Executive Officer (CEO) – Mr. Ghizzoni – and some other executives with strategic responsibilities benefit from Stock Option/Performance Stock Options plans launched by the Company in the previous years.

The Performance Shares 2011 lapsed since the Board of Directors of 10th March 2016 verified that the underlying vesting conditions have not been met.

All the stock options granted to the former Chief Executive Officer between 2004 and 2007 lapsed according to the respective Rules in view of his termination.

At current prices, all stock options are largely out of the money.

TABLE 3A: Incentive plans based on financial instruments other than stock options, in favor of members of the administrative body, general managers and other executives with strategic responsibilities

The table reports the number of shares promised and/or granted in connection with the annual incentive systems.

Please note that neither the Chief Executive Officer, the General Manager, nor the other Executives with strategic responsibilities have received any bonus, and hence potential stock grants related to the payout of deferrals, for the 2016 performance. Based on accounting standards costs, shown in the Fair Value column, have been booked during the year, in relation to their possible granting.

Furthermore, in compliance with the accounting standards, with reference to the termination of the employment of the former Chief Executive Officer, it has been accelerated the booking of the costs of all deferrals that he kept subject to the achievement of the performance conditions and under the rules of the respective regulations.

Please note that – with reference to the Long Term Incentive Plan 2015 - 2018 based on Phantom Shares (addressed to the former Chief Executive Officer, the former General Manager and 2 Deputy General Managers) that was launched in 2015 and of which disclosure had already been given in 2016 – the Board of Directors of March 13th 2017, considering the 2016 Group results and the change in UniCredit’s strategy that led to the launch of the new 2017-2019 LTI Plan linked to Transform 2019 Strategic Plan, exercised its downwards powers and decided to carry out no payments. Furthermore, it has been decided to cancel the second award foreseen for 2019, in

consideration of the launch of the new LTI plan linked to Transform 2019 Strategic Plan. The Long Term Incentive Plan 2015 - 2018 is therefore closed.

TABLE 3B: Monetary incentive plans in favor of members of the administrative body, general managers and other executives with strategic responsibilities

Provides the details of all the cash incentives accrued and / or paid during the year in favor of the Chief Executive Officer, General Manager and other executives with strategic responsibilities. Neither the non-executive members of the Board of Directors, nor the Statutory Auditors receive any variable compensation.

Neither the Chief Executive Officer, the General Manager, nor any other Executive with strategic responsibilities received any bonus referred to 2016 performance.

The bonus deferrals from previous years have been paid based on the respective regulations. This implied, in the great majority of cases, their cut by 50%. Only for few deferrals related to bonus pools for which in 2016 malus conditions do not operate (eg. HVB, sub-Group BA) no reduction was applied.

Information on the investments held by the members of the administrative and auditing bodies, by general managers and by other executives with strategic responsibilities

Table 1 and Table 2, drafted in compliance with schedule 7-ter, provide the shareholdings in UniCredit or its controlled/associated companies held respectively by the members of the administrative / auditing bodies and by the General Manager as well as by other executives with strategic responsibilities.

As already anticipated, the shareholdings refer to values before the UniCredit shares reverse stock split operation enacted in January 2017.
