

Consolidated Results as at September 30th 2017

- This document has been prepared by Credito Valtellinese for information purpose only and does not constitute a public offer under any applicable legislation or an offer to sell or solicitation of an offer to purchase or subscribe for securities or financial instruments or any advice or recommendation with respect of such securities or other financial instruments.
- The information, opinions, estimates and forecasts contained herein have not been independently verified. They have been obtained from, are based upon, sources that company believes to be reliable but makes no representations (either express or implied) or warranty on their completeness, timeliness or accuracy.
- The document may contain forward-looking statements, which are therefore inherently uncertain. All forward-looking statements rely on a number of assumptions, expectations, projections and provisional data concerning future events and are subject to significant risks and uncertainties, many of which are outside the company's control. There are a variety of factors that may cause actual results and performance to be materially different from the explicit or implicit contents any forward-looking statements and thus, such forward-looking statements are not a reliable indicator of future performance. The company undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required by applicable law. The information and opinions contained in this Presentation are provided as at the date hereof and are subject to change without notice.
- Pursuant the consolidated law on financial intermediation of 24 February 1998 (article 154-bis, paragraph 2), Simona Orietti, in her capacity as manager in charge of financial reporting declares that the accounting information contained in this Presentation reflects the group's documented results, financial accounts and accounting records.
