**MailUp Group** is the result of the technological research and business success of MailUp S.p.A. (Reuters: MAIL.MI) (Bloomberg: MAIL IM) (ISIN IT0005040354), the parent company that developed a digital cloud computing platform used by SMEs and large corporations to communicate with customers via email and SMS. After becoming the leader in the PSE industry and being listed on the AIM market of the Italian Stock Exchange, MailUp has embarked on a path of growth through acquiring both established companies and start-ups: Acumbamail (Spanish and LatAm markets), Globase (Nordics market), and Agile Telecom (wholesale SMS market). This portfolio of brands includes BEE, an email editor launched in 2014 as a complementary business line, which already has thousands of customers worldwide. Today, the MailUp Group is a leading European player in the field of marketing technologies thanks to more than 17,000 customers and 900 resellers on the international market, in over 100 countries.
