

## NOTICE OF OFFER OF GLENALTA S.P.A. ORDINARY SHARES PURSUANT TO ARTICLE 2437-QUATER, PAR. 2, OF THE ITALIAN CIVIL CODE

With regard to the merger (the “**Merger**”) by absorption of CFT S.p.A. (“**CFT**”) into Glenalta S.p.A. (“**Glenalta**” or the “**Company**”), the following is hereby stated.

### Whereas

- (i) the adoption of the new By-laws of the company resulting from the Merger will entail for Glenalta shareholders: (a) a significant change in the activity performed by the company resulting from the Merger in which the shareholders will have a participation; (b) the elimination of the cause for the withdrawal right set forth by Article 8, par. 5 of current By-laws of the Company; (c) By-law amendments regarding voting right by means of the introduction of the “Multiple Vote Shares”; and (d) the extension of the term of the Company until December 31, 2050, ordinary shareholders of Glenalta who did not participate in the resolution approving the Merger were entitled to exercise the withdrawal right pursuant to Article 2437, par. 1, letter a), e) and g), and par. 2, lett. a), of the Italian Civil Code (the “**Withdrawal Right**”);
- (ii) at the expiration of the term set forth by Article 2437-*bis* of the Italian Civil Code, the Withdrawal Right has been exercised for a total of no. 873,700 Glenalta ordinary shares (the “**Shares**”), equal to around 8,92% of the ordinary shares of the Company and of the share capital represented by ordinary shares; hence the “Bylaw Statutory Condition”, to which, pursuant to Article 14.3 of Glenalta By-laws, the resolution of the Glenalta shareholders’ meeting of April 19, 2018 was subject, has not been met;
- (iii) given that the events referred to in Article 2437, par. 1, lett. a), e) and g), and par. 2, lett. a), of the Italian Civil Code, that entitle the ordinary shareholders to the Withdrawal Right, will happen only upon completion of the Merger, the effectiveness of the Withdrawal Right is however conditional to the effectiveness of the Merger; therefore the shareholders of Glenalta who have exercised the Withdrawal Right will receive the liquidation amount of the Shares subject to the effectiveness of the Merger, with value date at the date of effectiveness of the Merger;

### for all these reasons

the Shares are offered to Glenalta shareholders in proportion to the number of shares held by them (the “**Offer**”), pursuant to Article 2437-*quater* of the Italian Civil Code, according to the terms and conditions that follow.

### Offer

the Shares are offered to Glenalta shareholders not having exercised the Withdrawal Right (the “**Other Shareholders**”), pursuant to Article 2437-*quater* of the Italian Civil Code, in proportion to the number of shares held by them, at a purchase price of EUR 10,00 (ten/00) per Share (the “**Offer Price**”), corresponding to the liquidation value of the ordinary shares of the Company established pursuant to Article 2437-*ter*, par. 2, of the Italian Civil Code and Article 8.3 of the By-laws of the Company.

Therefore no. 873,700 Shares are offered, under the same conditions at the Offer Price, to the Other Shareholders in the ratio of no. 0.095734 Shares for every no. 1 Glenalta share held, except for any variation following communications regarding the exercise of the Withdrawal Right sent within the term set forth by the law for the exercise of such right not yet received by the Company (which shall be disclosed on the Company’s website [www.glenalta.it](http://www.glenalta.it), Section “*Business Combination*”). ### **Pre-emption Right**

The Other Shareholders, who will exercise all the Options they are entitled to, will also have the pre-emptive right (*diritto di prelazione*) to acquire any Shares remaining unsold at the end of the offer period at the Offer Price, provided that they so request in the Acceptance Form (the "**Pre-emption Right**").

The maximum amount of the Shares for which the Pre-emption Right is exercised shall be indicated in the relevant section of the Acceptance Form.

In case the number of the Shares requested for pre-emption exceeds the amount of Shares unsold at the end of the Offer, allocation of the Shares will be made in proportion to the number of shares held by each of the shareholders who had exercised the Pre-emption Right; in the event that, following the allocation of the Share, carried out through the abovementioned method, any Share remain, the latter will be assigned in accordance with the largest remainder method (*criterio del maggior resto*).

The date of payment and transfer of the Shares will be promptly announced by Glenalta by press release to be published on the authorized storage system SDIR-NIS and on the Company's website, [www.glenalta.it](http://www.glenalta.it) (Section "Business Combination").
