MailUp Group (MAIL) is the result of technological research and entrepreneurial success of MailUp S.p.A., the parent company that developed a digital cloud computing platform used by SMEs and large corporations to communicate with customers via email and SMS. Upon establishing itself as a leader in the ESP industry, MailUp boasts a constant growth path both organically and through acquisitions: Acumbamail (Spanish and Latam markets), Globase (Nordics market), and Agile Telecom (wholesale SMS market). The brand portfolio is completed by BEE, an email editor launched in 2017 as a complementary business line, already covering thousands of customers worldwide. Today, MailUp Group is a leading European player in the field of marketing technologies, serving 20,700+ customers in 100+ countries.

The company is admitted to trading on the AIM Italia market managed by the Italian Stock Exchange, with a free float of ca. 34%.
