INFORMATION TO THE PUBLIC

The Ansaldo STS's Board of Directors today resolved to censure the director, Mr. Fabio Labruna, for his behaviour, recently, in breach of his duty of confidentiality, having filed a further groundless lawsuit against the Company, that, as the previous ones, has been rejected by the Court of Genoa, with award of legal expenses reimbursement in favour of the Company.

The Board of Directors also confirms its commitment to preserve the rights of the Company regarding privacy and confidentiality matters.
