- account the shareholdings directly or indirectly held by such persons – equal at least to 95% of the Issuer share capital (the “**Minimum Threshold Condition**”); and
- b) the non-occurrence, by the first stock market trading day following the expiration of the Acceptance Period of (i) extraordinary events, at Italian or international level, triggering serious changes in the market situation which have essential detrimental effects on the Offer and/or on the Issuer; or (ii) facts or situations pertaining to the Issuer which had not already been communicated to the market on the date of the Notice 102, having a significant detrimental effect on the equity, economic and/or financial situation of the Issuer (the “**MAC Event**”).

In light of the provisional results of the Offer indicated in the previous section of this notice, the Offeror informs that the Minimum Threshold Condition has been met.

With respect to the condition pertaining to the MAC Event, the Offeror informs that, within 7.59 AM of the second Stock Market Trading Day following the expiration of the Acceptance Period (September 4, 2018), the Offeror will communicate whether the condition concerning the MAC Event has been satisfied or not. Should the condition concerning the MAC Event be not satisfied, the Offer will not be perfected. In such case, the Shares tendered to the Offer will be returned to the Tendering Shareholders, within one Stock Market Trading Day starting from the notice relating to the non-satisfaction of the aforementioned condition: the Shares will, therefore, be returned to the availability of the Tendering Shareholders through the Depository Intermediaries, with no charges or expenses for them.

Therefore, without prejudice to the circumstance that the effectiveness of the Offer is subject to the condition concerning the MAC Event, and, therefore, only in case also such condition is met, the Offeror:

The notice on the final results of the Offer pursuant to article 41, paragraph 6, of the Issuers' Regulation will provide for the terms and conditions according to which the Offeror will implement the Joint Procedure for the exercise of the Purchase Right and the performance of the Purchase Obligation and the timeline for the Delisting, or the modalities for the publication of a further notice in which such information will be provided.
