PRESS RELEASE

ASCOPIAVE: Announcement by Ascopiave S.p.A.

Ascopiave's Board of Directors has resolved to start the preparatory stage of a process aimed at (i) enhancing its activities in the gas sales sector and (ii) strengthening and consolidating its presence in the distribution sector, in both cases also through one or more strategic partnerships, hiring prominent financial and legal consultants. Ascopiave will keep the market informed about any subsequent developments of such process.

The Ascopiave Group operates in the natural gas sector, mainly in the segments of distribution and sale to end users.

Thanks to its broad customer base and the quantity of gas sold, Ascopiave is currently one of the main operators in the industry at a national level.

The Group owns concessions and direct assignments for the management of distribution activities in over 230 Towns, supplying the service to a market segment of 1.5 million inhabitants, through a distribution network which spreads over 10,000 kilometres.

The sale of natural gas is performed through different companies, some under joint control. Overall, in 2017, the companies of the Group sold over 1 billion cubic metres of gas to end users.

Ascopiave has been listed under the Star segment of Borsa Italiana since 12th December 2006.
