Press release

Reno De Medici: Closing of the 100% acquisition of Barcelona Cartonboard S.A.U., the

seventh European manufacturer of recycled cartonboard

Value of the transaction (Enterprise Value) of 46.4 million euros

Milan, October 31, 2018 - Reno De Medici S.p.A. announces the closing, finalized today, of the

agreement with the German private equity fund Quantum Capital Partners for the 100% acquisition

of Barcelona Cartonboard SAU, a Spanish company and ranked seventh in the coated cartonboard

sector in Europe, following the announcement dated July 2, 2018 and the clearance obtained by the

Antitrust Authorities.

The price of the investment is based on an Enterprise Value of €46.4 Million - calculated on a pro-

forma 2018 EBITDA of €8.2 Million – and on an estimated NFP of ca. €9.9 Million. The price will be

subject to subsequent contractual adjustments, as foreseen in the purchase agreement, resulting

from the level of the NFP and the working capital on the effective date of the transaction as at October

31, 2018.

The acquisition has been financed by Reno De Medici S.p.A. mainly by a specific external financing

line.

The RDM Group, second-ranked European producer of cartonboard made of recycled fibers

material, will strengthen its leadership in Southern Europe, thanks to the integration of Barcelona

Cartonboard S.A.U., by optimizing its product portfolio and level of service offered to current and

future customers, and benefitting from the proximity of the Barcelona plant to some of the major

European converters.

Reno De Medici S.p.A. has appointed UniCredit as its sole financial advisor and EY for the due

diligence activity in support of the transaction.
