Oggetto : Approval of 2018 separated and
consolidated financial statements

Testo del comunicato

Vedi allegato.

APPROVAL OF 2018 SEPARATED AND CONSOLIDATED FINANCIAL STATEMENTS

The Board of Directors has today approved the separated and the consolidated financial statements of the year 2018.

IRCE Group's (hereinafter also the "Group") closed its 2018 financial year with an EBIT of € 7.54 million and a net profit of € 5.88 million.

In the winding wire sector, the slowdown in demand in the European market, already recorded in the first half year, was confirmed, and was partially offset by the increase in volumes on Extra-European markets. Overall sales decreased 5% year on year.

In the cable sector, whose main market is Italy, in first half of the year, demand was good, and in line with the final part of 2017; in the second part of the year, instead, there was a progressive slowdown, which worsened in the fourth quarter. Despite this, year-on-year sales increased by 7%.

Consolidated 2018 turnover was € 355.40 million, down by 0.5% compared to € 357.13 million of 2017, this modest reduction is due to the average increase in the price of copper in 2018 compared to the previous year.

The results are shown in the following table.

Consolidated income statement data (€/million)	year 2018	year 2017	Change
Turnover ¹	355.40	357.13	(1.73)
EBITDA ²	14.96	18.44	(3.48)
EBIT	7.54	9.97	(2.43)
Profit before taxes	10.24	8.15	2.09
Net / (Loss) of the period	5.88	4.68	1.20
Adjusted EBITDA ³	17.42	16.52	0.90
Adjusted EBIT ³	10.00	8.05	1.95

Consolidated statement of financial position data (€/million)	As of 31.12.2018	As of 31.12.2017	Change
Net invested capital	191.01	186.52	4.49
Shareholders' Equity	131.30	132.40	(1.10)
Net financial debt	59.71	54.12	5.59

1 The item "Turnover" represents the "Revenues" reported in the income statement.

2 EBITDA is a performance indicator used by the Management of the Group in order to assess the operating performance of the company and is not identified as an accounting item within IFRS; it is calculated by IRCE S.p.A. by adding amortisation/depreciation, allocations and write-downs to EBIT.

3 Adjusted EBITDA and EBIT are respectively calculated as the sum of EBITDA and EBIT and the income/charges from operations on copper derivatives transactions (€ + 2.46 million in 2018 and € -1.92 million in 2017). These indicators are used by the Management of the Group in order to monitor and assess the operational performance of the Group and are not identified as accounting items within IFRS. Given that the composition of these measures is not regulated by the reference accounting standards, the criterion used by the Group could potentially not be consistent with that adopted by others and therefore not be comparable.

PRESS RELEASE

Consolidated net financial debt, at the end of 2018, was € 59.71 million, up compared to the amount of € 54.12 million at the end of 2017.

The reduction in consolidated shareholders' equity, in spite of the positive result of the period, is mainly due to the € 4.28 million increase of the negative amount of the translation reserve due to the devaluation of the Brazilian real at 31st December 2018 compared to previous year.

The Group's investments, in the 2018, were € 6.45 million and mostly concerned the plants in Europe.

The beginning of 2019 seems to confirm the demand slowdown in our market, which appears conditioned by the uncertainty on the evolution of various macroeconomic factors, that are negatively affecting the economic situation. In this context, the Group's strategy remains focused on technical innovation and cost reduction in order to improve competitiveness.

The Board of Directors of IRCE S.p.A. approved the "Consolidated non-financial report" which covers environmental, social, personnel-related issues, respect of human rights and the fight against corruption. The declaration was included in the Annual Report 2018 in compliance with the legislative decree 254/2016 provisions of Legislative Decree no. 254/2016.

The Board of Directors resolved a proposal to distribute a dividend of € 0.05 per share, with dividend date on May 27th 2019, record date May 28th 2019 and day of payment May 29th 2019.

The shareholders meeting is called on April 30th 2019 (first call) and on May 2nd 2019 (second call).

Both the consolidated and IRCE S.p.A. financial statements as at 31st December 2018 are currently being checked by the Independent Auditors.

The "Consolidated non-financial report" as at 31st December 2018 is currently being checked by the External Audit Company.

The manager responsible for preparing the company's financial reports, Elena Casadio, declares, pursuant to paragraph 2 of Article 154-bis of the Consolidated Law on Finance that the accounting information contained in this press release corresponds to our books and accounting records.
