### **Authorisation of a new purchase and sale plan of treasury shares to replace and revoke the previous authorisation dated 26<sup>th</sup> April 2018**

The Shareholders' Meeting of Ascopiave S.p.A., in ordinary session, approved a new Purchase and sale plan of treasury shares to replace the authorisation to purchase and sell treasury shares issued by the Shareholders' Meeting held on 26<sup>th</sup> April 2018, which is therefore to be deemed revoked as regards the non-executed part.

The Plan approved by the Shareholders' Meeting authorises the Board of Directors to purchase and sell, in one or more instalments, on a revolving basis, a maximum number of ordinary shares representing a stake not exceeding 20% of the Company's share capital, which to date amounts to 46,882,315 shares with a nominal value of Euro 1.00 each. According to the Plan, shares can be purchased for a maximum value not exceeding the

distributable profits and available reserves stated in the most recently approved financial statements which, as of 31<sup>st</sup> December 2018, totalled Euro 39,535,563.96.

The Plan is designed to enable the Company to acquire treasury shares to be used, consistent with the Company's strategy, for performing investment transactions in line with the Company's strategic approach, also through the exchange, swap, contribution, assignment or other acts of utilisation of treasury shares. Furthermore, the proposed plan will pursue the following objectives: (i) implement actions, in accordance with the provisions in force, directly or through authorised intermediaries, aimed at stabilising stock and changes in trading and quotations, resulting from distortions related to excess volatility or poor trading liquidity; (ii) offer shareholders a tool to monetise their investment; (iii) acquire treasury shares to be used for any share incentive plans.

Purchases may be made in accordance with the procedures permitted by current regulations, including the procedures established by accepted market practice and those set out in EU Regulation No. 596/2014, with the exception of public offer for the purchase or exchange of shares; furthermore, Ascopiave may also utilise the shares purchased for trading purposes.

The authorisation to purchase treasury shares is effective for a maximum duration of 18 months commencing the date on which the Shareholders' Meeting has granted the authorisation.

The unit price for the purchase of the shares shall not be higher or lower than 10% of the reference price recorded by the share on the trading day prior to each individual transaction. The Board of Directors is also authorised to dispose of the treasury shares purchased as it sees fit, at a price to be determined on a case-by-case basis by the Board but which shall not (subject to specific exceptions) be 10% lower than the reference price recorded by the share in the trading session preceding each transaction (which is the date on which the disposition commitment is made, irrespective of the performance date).

At the date of this release, the Company holds 12,232,609 treasury shares (5.218% of share capital). 505,000 treasury shares were purchased during the validity of the previous Plan, authorised by the Shareholders' Meeting on 26<sup>th</sup> April 2018 and now revoked, net of 373,264 treasury shares sold.

No subsidiary of Ascopiave S.p.A. holds stakes in Ascopiave S.p.A..

The Meeting resolved to grant the Board of Directors, with express right to delegate, the fullest powers necessary or appropriate for performing this resolution, also by approving any and all measures for enforcing the purchase plan.

### **Approval of the distribution of an extraordinary dividend**

Upon the request of the Shareholder Asco Holding S.p.A., in ordinary session, the Shareholders' Meeting resolved to distribute an extraordinary dividend of Euro 0.2133 for each of the 222,178,966 outstanding shares, totalling Euro 47,390,773.40, to be withdrawn from the "*Share premium reserve*". Such extraordinary dividend will be paid on 8<sup>th</sup> May 2019, with ex-dividend date on 6<sup>th</sup> May 2019 and record date on 7<sup>th</sup> May 2019.

## **Approval of the merger through acquisition of Unigas Distribuzione S.r.l. into Ascopiave**

The Shareholders' Meeting, in extraordinary session, approved today the project of the merger through acquisition of Unigas Distribuzione S.r.l. ("**Unigas**") into Ascopiave S.p.A. (the "**Merger**") and, thereby, the Merger.

Through the Merger, Ascopiave and Unigas pursue the objective of entrusting the activities they perform in the gas distribution sector in Lombardy to a single operator, thus further improving their positioning on the market and the quality standards of the service provided in the relevant territories.

Anita S.r.l. ("**Anita**") holds a 51.14% stake in Unigas's share capital while Ascopiave owns a 48.86% stake. The Shareholders' Meeting of Unigas called to approve the Merger will convene on 24<sup>th</sup> April 2019.

As already announced to the Market, the Merger will be implemented through cancellation of the shares representing 100% of Unigas's share capital on the date of execution of the Merger deed and transfer to Anita, in exchange for its stake in Unigas, of treasury shares of Ascopiave, without the need to proceed with an increase in the share capital of Ascopiave due to the swap.

Today's resolution follows the approval of the merger project dated 28<sup>th</sup> January 2019 by the Boards of Directors of Ascopiave and Unigas.

Further information on the Merger can be found in the Merger project and the explanatory report of Ascopiave's Board of Directors prepared pursuant to art. 2501-*quinquies* of the Italian civil code. The Merger project and the explanatory report of the Board of Directors are available at Ascopiave's registered office as well as on the Company's website at [www.gruppoascopiave.it](http://www.gruppoascopiave.it).

## **Approval of some amendments to the articles of association for the introduction of shares with increased voting rights**

The Extraordinary Shareholders' Meeting also approved the amendment of art. 6 of Ascopiave's articles of association, adding paragraphs 6.6 to 6.18, in order to introduce the increased voting rights mechanism, pursuant to art. 127-*quinquies* of the Unified Finance Law.

Specifically, the increased voting rights mechanism will grant 2 voting rights for each Ascopiave share that has belonged to the same shareholder for a continuous period of at least 24 months from the registration in a special list, which will be established and stored by the Company at the registered office.

The procedures for applying for inclusion in the special list and any other information relating to the increased voting rights mechanism will be available on Ascopiave's website at [www.gruppoascopiave.it](http://www.gruppoascopiave.it), "Corporate Governance" – "Increased voting rights" Section commencing the effective date of the amendment to the articles of association.
