SECTION IV – MANAGEMENT AND REPRESENTATION

Article 13 - Board of Directors

The Company is managed by a Board of Directors composed by no less than nine and no more than nineteen members, appointed by the Shareholders' Meeting – which determines also their number – pursuant to the terms indicated below.

The Directors cease from office and are reappointed or replaced in accordance with the provisions of law and these By-Laws.

The Directors must possess the requisites set forth by the applicable provisions of law in force at the time.

Considering the subjection to the management and coordination of Unipol Gruppo S.p.A., a company with shares listed on regulated markets, the Board of Directors is comprised mainly of qualified independent Directors pursuant both to Art. 148, paragraph 3, of Legislative Decree no. 58 of 24 February 1998, as subsequently amended, and to the criteria and requirements established by the Corporate Governance Code of Borsa Italiana S.p.A.

Failure by a Director to satisfy these independence requirements does not entail losing office if they are still satisfied by the minimum number of Directors indicated above.

The Directors are appointed by the Shareholders' Meeting on the basis of lists presented by the Shareholders entitled thereto and/or by the Board of Directors, which must contain a number of candidates not higher than nineteen, listed by consecutive number.

Without prejudice to the foregoing, the lists containing a number of candidates equal

at least to the minimum number of members of the Board of Directors provided for by these By-Laws must also contain and expressly specify some parties meeting the independence requirements established by these By-Laws. If the number of candidates meeting the aforementioned independence requirements is equal to the minimum number as established above, the last consecutive number of such lists cannot be assigned to an independent candidate.

Each person presenting a list, the parties to a material shareholders' agreement for the purposes of Art. 122 of Legislative Decree 58/1998 regarding financial instruments issued by the Company, the controlling person and the subsidiaries of, as well as the companies under common control with, the person presenting the list pursuant to Art. 93 of Legislative Decree 58/1998, cannot present or participate to the presentation, not even through a third party or a fiduciary company, of more than one list nor can vote, not even through a third party or a fiduciary company, for lists other than the list they have presented individually or jointly with others. Any adhesion to and votes cast in breach of such provision shall not be attributed to any list.

Each candidate may be listed in one list only, under penalty of ineligibility.

Shareholders who, individually or jointly with others, hold in the aggregate the shareholding determined in accordance with the provisions of law and regulations in force at the time and which shall be from time to time indicated in the notice of call of the Shareholders' Meeting, are entitled to present a list.

The ownership of the minimum shareholding required to submit a list is calculated having regard to the shares registered to the benefit of the Shareholder/s presenting the list on the date the lists are deposited with the Company.

The lists presented by shareholders entitled to do so, must be deposited at the registered office of the Company at least 25 (twenty-five) days before the date of the Shareholders' Meeting called to resolve on the appointment of the members of the Board of Directors; such term is indicated in the notice of call, without prejudice to any other form of publicity provided by the laws in force at the time.

Any list presented by the Board of Directors must be approved through a resolution passed by an absolute majority of the members in office; this list must be filed with the Company and made public by the latter at least five days before the expiration of the deadline established by legislation in force for the filing of lists by shareholders, according to the same procedures established by current legislation for filing and publication of the lists presented by the latter.

Simultaneously and jointly with each list, those presenting the list must deposit at the registered office (i) the statements by which all candidates accept their nomination

and attest, under their own liability, that there are no grounds for their ineligibility and incompatibility, as well as that they possess the requisites prescribed for their position; (ii) a curriculum vitae including the personal and professional data of each candidate with indication, where applicable, of the eligibility of the same as independent as well as (iii) any other information required by law or regulation, which shall be indicated in the notice of call of the Shareholders' Meeting.

Together with each list must be delivered to the Company – also after the deposit of the list itself but in any event by and no later than the deadline prescribed by the provisions of law, including regulations, applicable at the time to the publication of the lists by the Company – the communication of a legally authorized intermediary attesting the ownership of the minimum share capital percentage prescribed by the provisions of law in force at the time of the presentation of the list.

The lists presented in breach of the provisions above shall be disregarded.

The Directors are elected among the candidates of the two lists which have obtained the highest number of votes, as indicated below:

- i) from the list which has obtained the highest number of votes are elected all the Directors to be appointed *minus* the Director elected from the list which has obtained the second highest number of votes in accordance with the provisions of point ii) below;
- ii) from the list which has obtained the second highest number of votes is elected the candidate indicated in such list with the first consecutive number, on condition that such list has obtained a percentage of votes at least equal to half the percentage required by these By-Laws to present the list and on the further condition that such list is not connected in any way whatsoever, not even indirectly, to those who have presented or voted for the list which has obtained the highest number of votes. Failing such latter condition, the Director shall be elected from the list which has obtained the third highest number of votes to the extent that it fulfills both the conditions indicated above, and so forth so on. If none of the lists other than the list which has obtained the highest number of votes meets both the conditions above, all the Directors shall be elected from the latter list.

If only one list or no lists are presented, or in case the lists presented do not contain a sufficient number of candidates for the appointment of the minimum number of Directors for the purposes of the foregoing, the Shareholders' Meeting resolves with the majorities provided by law, disregarding the voting list mechanism set forth above, ensuring, in any case, the presence of a number of independent Directors at least matching the minimum number required by the applicable provisions of law.

All the above is without prejudice to any further mandatory provision of law or regulation.

The voting list mechanism applies only in the case of renewal of the entire Board of Directors.

If during the fiscal year one or more Directors cease from office, to the extent and on condition that the majority of the Directors appointed by the Shareholders' Meeting remains in office, the provisions of Art. 2386 of the Italian Civil Code shall apply, as indicated below:

- a) the Board of Directors selects the new Director from the same list to which the cased Director belonged and the Shareholders' Meeting resolves, with the majorities provided by law, on the basis of the same criteria;
- b) if there are no more candidates non-elected from the said list or there are no candidates possessing the prescribed requisites, or if for any reason whatsoever it is not possible to proceed pursuant to letter a), the Board of Directors first, and the Shareholders' Meeting thereafter, resolve on the replacement with the majorities provided by law, disregarding the voting list mechanism.

The provisions of letter b) above shall also apply when the Board of Directors has been appointed without the voting list mechanism in light of the fact that only one list or no lists at all were presented.

In any case, the Board of Directors and the Shareholders' Meeting shall proceed with the appointments, with the view to ensure the presence of the number of independent Directors prescribed by the provisions of these By-Laws.

Should, following resignation or for other causes, the majority of the Directors appointed by the Shareholders' Meeting cease from office, the entire Board of Directors shall be deemed as having resigned and the Directors remained in office shall be required to convene the Shareholders' Meeting for the appointment of the entire new Board.

The Directors - in possess of the requisites prescribed by the applicable laws – cannot be appointed for a term higher than three fiscal years, cease from office on the date of the Shareholders' Meeting called to approve the financial statements regarding the last fiscal year of their office and may be re-elected; the Directors appointed during the same three-year term cease from office together with the Directors already in office when the former were appointed.

The lists, executed by those presenting the same, must be deposited at the

registered office of the Company at least 25 (twenty-five) days before the date of the Shareholders' Meeting called to resolve on the appointment of the members of the Board of Statutory Auditors; such term is indicated in the notice of call, without prejudice to any other form of publicity provided by the laws, including regulations, in force at the time.

Simultaneously and jointly with each list, those presenting the list must deposit with the registered office the information concerning the same, a complete set of information with the personal and professional data of each candidate, the statements by which all candidates accept their nomination and attest, under their own liability, that there are no grounds for their ineligibility and incompatibility, as well as that they possess the requisites prescribed by the law and the By-Laws for the office of Statutory Auditor and the list of the positions of management and control held, if any, in other companies, as well as any other information required by law or regulation, which shall be indicated in the notice of call of the Shareholders' Meeting.

The lists presented in breach of the provisions above shall be disregarded.

Together with each list must be delivered to the Company – also after the deposit of the list itself but in any event by and no later than the deadline prescribed by the laws, including regulations, applicable at the time to the publication of the lists by the Company – the communication of a legally authorized intermediary attesting the ownership of the minimum share capital percentage prescribed by the provisions of law in force at the time of the presentation of the list.

Unless otherwise provided by mandatory provisions of law or regulations, cannot be appointed as Statutory Auditors, and, if appointed, cease from the office, the persons in the positions of incompatibility set forth by the law and these By-Laws, as well as those holding a number of offices exceeding the maximum number set forth from time to time, alternatively, by the law or the Consob¹.

The lists, which indicate the names of one or more candidates, are divided into two sections: the first section for the candidates to the position of Effective Auditor, the second section for the candidates to the position of Alternate Auditor. The lists contain a number of candidates not higher than the number of Statutory Auditors to be elected, listed by consecutive number. Each candidate may be listed in one list only under penalty of ineligibility.

The first two candidates of the first section of the list which has obtained the highest number of votes and the first candidate of the first section of the list which has obtained the second highest number of votes and that is not connected, not even indirectly, to those who have presented or voted the list which has obtained the

highest number of votes, are elected as Effective Auditors. The first two candidates of the second section of the list which has obtained the highest number of votes and the first candidate of the second section of the list which has obtained the second highest number of votes as per the above are elected as Alternate Auditors. In case two or more lists obtain the same number of votes a second ballot between such lists shall take place and the candidates from the list which obtains the highest number of votes in such second ballot shall be elected.

To ensure gender balance within the Board of Statutory Auditors, in compliance with the provisions currently in force, the lists presenting an aggregate number of candidates equal or higher than three must include, in the first two places of the section or sections where at least two candidates are listed, candidates of different gender.

The Chairman of the Board of Statutory Auditors shall be the Effective Auditor elected from the list that has obtained the second highest number of votes.

If only one list or no lists at all are presented, shall be elected as Effective and Alternate Auditors all candidates to the relevant position indicated in the sole list presented or, if no lists at all were presented, those voted by the Shareholders' Meeting, to the extent they obtain the relative majority of the votes cast at the Shareholders' Meeting and without prejudice in any event to the provisions of law on gender balance in force at the time. In such case, the Shareholders' Meeting shall appoint the Chairman of the Board of Statutory Auditors.

If a Statutory Auditor loses the requisites provided by the law or the By-Laws, he/she shall automatically cease from office.

In case of replacement of a Statutory Auditor, the ceasing Statutory Auditor is replaced by the Alternate Auditor belonging to the same list as the ceasing Statutory Auditor. Failing which, in case the ceasing Statutory Auditor had been appointed by the minority Shareholders, then such Statutory Auditor is replaced by the candidate listed thereafter in the same list to which the ceasing Statutory Auditor belonged or, in further suborder, the first candidate of the list which had obtained the third highest number of votes. It being understood that the replacement shall in any event comply with the provisions of law on gender balance applicable at the time. The Chairman of the Board of Statutory Auditors shall remain the Statutory Auditor appointed by the minority Shareholders.

When the Shareholders' Meeting proceeds to replace the Effective and/or Alternate Auditors to restore the Board of Statutory Auditors the following provisions apply:

- in case of replacement of Statutory Auditors elected from the majority list, the substitute is appointed by relative majority vote without any list restriction

(senza vincolo di lista);

- in case, however, of replacement of a Statutory Auditor elected from the minority list, the Shareholders' Meeting resolves with the favorable vote of the relative majority, selecting the substitute among the candidates indicated in the list to which the replaced Statutory Auditor belonged, or – if this is not possible – in the list which obtained the third highest number of votes.

Should the implementation of the procedures above not allow, for any reason whatsoever, to replace the Statutory Auditors designated by the minority, the Shareholders' Meeting shall proceed to designate the substitute by relative majority vote; provided however that, in ascertaining the results of such latter resolution, shall not be computed the votes of those who, based on the information provided pursuant to the applicable laws, hold, also indirectly or jointly with other Shareholders who are parties to a material shareholders' agreement for the purposes of Art. 122 of Legislative Decree 58/1998 regarding financial instruments issued by the Company, the majority of the votes that can be cast in a Shareholders' Meeting, as well as the controlling person of, the subsidiaries of, and the companies under common control with, the same.

The replacement procedures described in the paragraphs above shall in any case ensure compliance with the provisions of law on gender balance in force at the time.

The meetings of the Board of Statutory Auditors, if the Chairman deems it necessary, may be validly held via video or audio conference, on condition that all participants can be identified by the Chairman and by all the other attendees, that they are in the position to follow the discussion and to intervene in real time to the debates on the items discussed, that they are in the position to exchange documents regarding such items and that all the above is reported in the minutes of the relevant meeting. If the above requirements are met, the meeting of the Board of Statutory Auditors is deemed to be held in the place where the Chairman is present in person.
