We refer to the notification by Neuberger Berman AIFM SARL ("NB AIFM LUX" or the "Declarant") on behalf of Fondo Atlante Private Equity ("Atlante"), on Seri Industrial S.p.A (the "Company"), related to the participation of 19.47% (the "Interest") and the provision of Art. 120, Paragraph 4-bis of the Legislative Decree No.58 of February 24, 1998.

As communicated by mean of certified email dated August 1st, 2019, effective on August 1st, 2019, the management of Atlante, the investment portfolio of which includes the 19.47 % interest owned by Atlante in the Company, was transferred from NB AIFM Limited ("NB AIFM UK") to NB AIFM (the "Transfer").

The Interest was continuously owned by Atlante and, on August 1st, 2019, only the management of the fund was transferred to the Declarant; therefore, there was no change in the ownership of the Interest.

As previously described, the Interest acquisition took place automatically as a consequence of the Transfer.

- since the Transfer, has not exercised any influence over the Company's management; and
- it does not intend to acquire control over the Company or exercise influence over the Company's management, in the six-month period following this statement.

However, the Declarant may, from time to time, on behalf of Atlante, dispose of some or all of the shares owned in the Company or continue to hold such shares.

Statement made pursuant to Article 120, Paragraph 4-bis, Letter d), CFA

The Declarant states that no shareholders' agreements are currently in force with regard to the Interest and that it does not intend to enter into any of these agreements in the six-month period following this statement.
