“TREVI – FINANZIARIA INDUSTRIALE S.P.A. ADDITIONAL PERIODIC FINANCIAL INFORMATION

Cesena, December 30, 2019 – Trevi - Finanziaria Industriale S.p.A. (the “**Company**”) informs that the Board of Directors of the Company, which met on December 17, 2019, in application of the provisions of Article 82-ter, paragraph 2, of the Issuers' Regulations, resolved to discontinue the communication to the public of the additional periodic financial information relating to the first and third quarter of each financial year, with effect from the next financial year 2020.

The Board of Directors justified the above decision in order to allow the Company's administrative structure to focus on extraordinary financial restructuring and capital strengthening operations, as well as on the industrial and commercial relaunch of the Group.

About Trevi Group:

Trevi Group is a worldwide leader in the field of soil engineering (special foundations, tunnel excavation, soil consolidation and the building and marketing of special rigs and equipment relevant to this engineering sector); the Group is also active in the drilling sector (oil, gas and water) both in the production of plant and the supply of services, and it also builds automated underground car parks. The Group was established in Cesena in 1957 and, today, has more than 30 branches and is present in over 80 countries.

Its success is due to the vertical integration of the main divisions making up the Group: Trevi, the division that supplies special services in the field of soil engineering; Petreven, the oil drilling division of the Group; Soilmec, the division that produces and develops plant and machinery for soil engineering; Drillmec the division that produces and develops drilling rigs (oil, gas and water)

The parent company has been listed on the Milan stock exchange since July 1999.
