Reggio Emilia, 31 March 2020 – On March 30th 2020, Newlat Group S.A. (“**Newlat Group**”, parent company of Newlat Food S.p.A. “**Newlat Food**” or the “**Company**”) signed a Purchase and Sale Agreement (the “**Agreement**”) with Finanziaria Centrale del Latte di Torino SpA, Lavia - Società Semplice, Luigi Luzzati, Marco Fausto Luzzati, Carla Luzzati and Sylvia Loew as sellers (the “**Sellers**”), to purchase 6,473,122 ordinary shares of Centrale del Latte d'Italia (“**CLI**”), representative of 46.24% of the share capital and voting rights (the “**CLI Shares subject to the Purchase and Sale Agreement**”) with a total consideration equal to € 3.00 and no. 1 Newlat Food ordinary share held by Newlat Group for every three CLI Shares subject to the Purchase and Sale Agreement. This corresponds to a unit price for each CLI Share subject to the Agreement of € 1.00 and n. 0.33 Newlat Food ordinary shares (the “**Consideration**”). The transaction will allow the Sellers to become Newlat Food shareholders with an overall stake, before the future share capital increase in view of the OPAS (as defined below), by 5.30%.

The Transaction is not subject to any condition precedent. Newlat Group and the Sellers plan to execute the purchase and sale of the CLI Shares subject to the Agreement on April 1st 2020 (the “**Execution Date**”).

The transaction is aimed at consolidating the Italian dairy market, through the integration of two of the main operators in the sector, such as Newlat Food and CLI, which hold important and complementary elements such as geographical positioning, as well as significant synergistic potential. The industrial project foresees that CLI will become the reference platform for the entire dairy segment of the resulting entity, leveraging, among other things, on the high quality regional supply and production chains of Tuscany and Piedmont and on managerial continuity represented by all managers and employees who will be involved in the important business development project, which will be guided by Mr. Angelo Mastrolia, Executive Chairman of Newlat Food, and Mr. Edoardo Pozzoli, already General Manager current Director at CLI.

The acquisition of the majority stake in CLI fits perfectly into the plans and timings foreseen by the external growth and capital employment strategies announced in the IPO phase, thus allowing the Company to reach a turnover threshold of € 500 million .

Thanks to the industrial combination of Newlat Food and CLI, the Group will represent the third Italian operator in the Milk & Dairy sector and will embed a complete and competitive production capacity. Furthermore, a series of various synergies have been identified which, once implemented, will lead to substantial efficiencies in the short term. One of the fundamental points will be the complementarity of the brands and the territories as well as the high quality production and supply chains, such as the Tuscan one, a real flagship also for organic products, thus enabling to offer Italian consumers a range of unique products with historical brands and of great geographical relevance.

Newlat Group has also expressed its intent to transfer, on the Execution Date and with effect from the Execution Date itself, to Newlat Food the CLI Shares subject to the Purchase and Sale Agreement that will be purchased by Newlat Group pursuant to the Contract, as well as further no. 187,120 ordinary CLI shares, representing 1.34% of CLI's share capital, already held by Newlat Group for a total of n. 6,660,242 ordinary CLI shares, representing 47.58% of the share capital (the “**Significant CLI Shareholding**”), at the same economic terms as in the Agreement and, therefore, upon payment of the Consideration by Newlat Food.

Newlat Food has already started to evaluate the purchase of the Significant CLI Shareholding from Newlat Group for the Consideration defined above. This transaction will also involve the Company's Related Parties Committee, as this purchase amounts to a significant transaction with a related party pursuant to the related party procedure adopted by the Company.

On the Execution Date, as a result of the acquisition of the Significant CLI Shareholding, Newlat Food will be required to bid a mandatory Public Purchase and Exchange Offer (the “**OPAS**”) on the remaining CLI ordinary shares, pursuant to and in accordance with the applicable legislation, for the
