Nexi S.p.A. announces that it intends to offer €500 million senior unsecured equity-linked Bonds due 2027

Milan, 16 April 2020 – Nexi S.p.A., a *società per azioni* incorporated under the laws of Italy ("Nexi" or the "Issuer"), announced today that it will conduct an offering ("Offering") of senior unsecured equity-linked bonds due 2027 (the "Bonds"). The aggregate principal amount of the Bonds to be issued under the Offering is expected to be €500 million.

The Issuer reserves the right to change the terms or timing of the Offering, which is directed to qualified investors and is subject to customary offer restrictions, at any time.

The Bonds will become convertible into ordinary shares of the Company (the "Ordinary Shares"), subject to the approval by the Issuer's extraordinary general meeting (the "Meeting") of a capital increase excluding shareholder pre-emption rights pursuant to article 2441, paragraph 5, of the Italian Civil Code, to be reserved solely for the service of the conversion of the Bonds (the "Shareholder Resolution"). The Meeting will be held no later than 31 December 2020 (the "Long-Stop Date") and will be convened by the Board of Directors of the Issuer in accordance with applicable laws. Following the adoption of the Shareholder Resolution, the Issuer will give notice thereof to holders of the Bonds (the "Physical Settlement Notice").

Prior to the Physical Settlement Notice being given by the Issuer, the Bonds will be redeemable at the option of Bondholders during the Settlement Period (as defined in the Terms and Conditions) at the Cash Alternative Amount (as defined in the Terms and Conditions of the Bonds).

If the Shareholder Resolution is not passed by the Long-Stop Date, the Issuer may, by giving a notice to be published no later than 10 dealing days after the Long-Stop Date, elect to redeem all but not some only of the Bonds at the greater of (i) 102% of the principal amount of the Bonds and (ii) 102% of the Fair Bond Value of the Bonds (as defined in the Terms and Conditions of the Bonds), together, in each case, with accrued and unpaid interest.

The Bonds, which will be in registered form in the denomination of EUR 100,000 each, will be issued at par and, unless previously redeemed, converted or purchased and cancelled

in accordance with the Terms and Conditions of the Bonds, will be redeemed at their principal amount at maturity on or about 24 April 2027 (7 years). The Bonds are expected to pay a coupon in the range of 1.00% and 1.75% per annum, payable semi-annually in arrear.

The conversion price is expected to be set at a premium between the 45% and the 50% above the Reference Share Price, which will be equal to the placement price of the Ordinary Shares in the Concurrent Equity Offering (as defined and further described below).

The Issuer will have the right to redeem all but not some only of the Bonds at their principal amount together with accrued interest (i) from the day falling 5 years and 15 dealing days after the Issue Date if the Parity Value (as described in the Terms and Conditions) on each of not less than 20 dealing days in any period of 30 consecutive dealing days exceeds EUR 130,000, or (ii) at any time if 85% or more of the Bonds initially issued shall have been converted, redeemed or purchased and cancelled. The Issuer will also have a customary tax call in the event it is required to gross-up payments, subject to the right of holders of the Bonds to elect not to be redeemed and to receive, thereafter, net payments of interest.

Holders of the Bonds will be entitled to require their Bonds to be redeemed at par plus accrued and unpaid interest following a Change of Control or a Free Float Event (each as defined in the Terms and Conditions of the Bonds).

The Bonds will not initially be secured or guaranteed, but may become guaranteed in the limited circumstances set out in the Terms and Conditions, including if, for so long as any of the Issuer's 1.75 per cent. Senior Notes due 2024 issued by the Issuer on 21 October 2019 (the "**Senior Notes due 2024**") remain outstanding, any subsidiary of the Issuer provides a guarantee in respect of the Senior Notes due 2024 in accordance with their terms.

The Joint Bookrunners have informed the Company that, concurrently with the placement of the Bonds, they intend to conduct a simultaneous placement (the "**Concurrent Equity Offering**") of existing Shares on behalf of subscribers of the Bonds who wish to sell such Shares in short sales in order to hedge the market risk of an investment in the Bonds, at a placement price to be determined by way of an accelerated bookbuilding process. The Company will not receive any proceeds from the Concurrent Equity Offering. The Reference Share Price for the Bonds is expected to be equal to the placement price of the Concurrent Equity Offering.

The net proceeds of the Offering will be used to finance a portion of the price for the acquisition of Banca Intesa San Paolo S.p.A.'s merchant acquiring activities as communicated to the market on 19 December 2019 (with a corresponding reduction in the amount committed under the bridge facility made available to the Issuer by certain of the Joint Bookrunners or their affiliates in connection with such acquisition) and/or general corporate purposes.

The Issuer, on behalf of itself and its subsidiaries, will agree to a customary lock-up, ending on the date falling 90 days after the Issue Date (as defined below), on issues of Ordinary

Shares and certain related securities and similar or derivative transactions relating to the Ordinary Shares, subject to customary exceptions (including pursuant to share options or incentive schemes) and waiver of the lock-up by the Joint Global Coordinators on behalf of the Managers.

Nexi expects to announce the final terms of the Bonds tomorrow once the bookbuilding process is completed and settlement of the Bonds is expected to occur on or about 24 April 2020 (the "**Issue Date**").

Application will be made to admit the Bonds to trading on the Vienna MTF operated by the Vienna Stock Exchange no later than 90 days after the Issue Date.

BofA Securities, Banca IMI, Goldman Sachs International, HSBC and J.P. Morgan are acting as Joint Global Coordinators and Joint Bookrunners of the offering. Banco Akros S.p.A. – Gruppo Banco BPM, Mediobanca – Banca di Credito Finanziario S.p.A and UBI Banca are also acting as Joint Bookrunners alongside the Joint Global Coordinators (together, the "Joint Bookrunners" or the "Managers").

ITALY: This announcement does not constitute an offer of any securities to the public in Italy. Any offer of securities in Italy will be made only to qualified investors (investitori qualificati) as referred to in Article 100 of the legislative decree no. 58 of 24 February 1998, as amended (the "Italian Financial Act") and Article 34-ter paragraph 1(b) of CONSOB Regulation No. 11971, May 14, 1999, as amended (the "Issuers Regulation") or in circumstances which are exempt from the rules on public offers pursuant to the Italian Financial Act and the implementing CONSOB regulations, including the Issuers Regulation and will not be listed on an Italian regulated market, therefore no documents or materials relating to the securities have been or will be submitted to the clearance procedure of the Commissione Nazionale per le Società e la Borsa ("CONSOB"). CANADA: This announcement and any Bonds issued may only be distributed to investors in Canada pursuant to an exemption from the prospectus requirements of Canadian securities laws. Only prospective investors that qualify as "accredited investors" and additionally also qualify as "permitted clients" within the meaning of applicable Canadian securities laws will be eligible to purchase the Bonds. Each prospective investor in Canada will be required to accept a representation letter confirming its eligibility and providing certain additional acknowledgements, representations and warranties. In Canada, the Bonds are not being offered and may not be sold in the province of Prince Edward Island, Yukon, the Northwest Territories or Nunavut.

MIFID II PROFESSIONALS/ECPS-ONLY/NO PRIIPS KID: Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on Markets in Financial Instruments, as amended ("MiFID II"); (b) Articles 9 and 10 of Commission Delegated Directive (EUR) 2017/593 supplementing MiFID II; and (c) local implementing measures (together, the "MiFID II product governance requirements"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the MiFID II product governance requirements) may otherwise have with respect thereto, the Bonds have been subject to a product approval process, which has determined that: (i) the target market for the Bonds is eligible counterparties and professional clients only, each as defined in MiFID II; and (ii) all channels for distribution of the Bonds to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Bonds (a "distributor") should take into consideration the manufacturers' target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Bonds (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.

The target market assessment is without prejudice to the requirements of any contractual or legal selling restrictions in relation to any offering of the Bonds.

For the avoidance of doubt, the target market assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Bonds.

Prohibition of sales to EEA and UK retail investors - the Bonds are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA

or the UK. For these purposes, a “retail investor” means a person who is one (or more) of: (i) a retail client as defined in point (11) of article 4(1) of MiFID II; or (ii) a customer within the meaning of Directive (EU) 2016/97, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID. Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the “**PRIIPS Regulation**”) for offering or selling the Bonds, or otherwise making them available, to retail investors in the EEA or the UK has been prepared and therefore offering or selling the Bonds or otherwise making them available to any retail investor in the EEA or the UK may be unlawful under the PRIIPS Regulation.

Neither the content of Nexi's website or the websites of certain of its subsidiaries, nor any website accessible by hyperlinks on Nexi's website or the websites of certain of its subsidiaries is incorporated in, or forms part of, this announcement.

It may be unlawful to distribute this announcement in certain jurisdictions. Persons into whose possession this announcement comes should inform themselves about and observe any such restrictions. Any failure to comply with these restrictions may constitute a violation of the securities laws of any such jurisdiction. This announcement is not for distribution in the United States, Japan, South Africa or Australia. The information in this announcement does not constitute an offer of securities for sale in any jurisdiction. No money, securities or other consideration is being solicited, and, if sent in response to the information contained herein, will not be accepted.

This press release may include projections and other “forward-looking” statements within the meaning of applicable securities laws. Forward-looking statements are based on current expectations and involve a number of known and unknown risks, uncertainties and other factors that could cause the results of the Issuer and its group or their industries' actual results, levels of activity, performance or achievements to be materially different from any future results, levels of activity, performance or achievements expressed or implied by such forward-looking statements. You should not place undue reliance on forward-looking statements and none of the Issuer, any member of its group or any of the Managers undertakes to update or revise any forward-looking statement that may be made herein, whether as a result of new information, future events or otherwise. The information contained in this announcement is subject to change in its entirety without notice up to the Issue Date.

Each prospective investor should proceed on the assumption that it must bear the economic risk of an investment in the Bonds or the Ordinary Shares to be issued or transferred and delivered upon conversion of the Bonds and notionally underlying the Bonds. None of the Issuer or the Managers make any representation as to (i) the suitability of such securities for any particular investor, (ii) the appropriate accounting treatment and potential tax consequences of investing in such securities or (iii) the future performance of the securities either in absolute terms or relative to competing investments.

Each of the Issuer, the Managers and their respective affiliates expressly disclaims any obligation or undertaking to update, review or revise any statement contained in this press release whether as a result of new information, future developments or otherwise.

Each of Merrill Lynch International, Goldman Sachs International, HSBC Bank plc and J.P. They will not regard any other person as their respective clients in relation to the Offering and will not be responsible to anyone other than Nexi for providing the protections afforded to their respective clients, nor for providing advice in relation to the Offering, the contents of this announcement or any transaction, arrangement or other matter referred to herein.

In connection with the Offering of the Bonds and the Concurrent Equity Offering, the Managers and any of their affiliates may take up a portion of the Bonds in the Offering and/or may acquire Ordinary Shares as a

principal position and in that capacity may retain, purchase, sell, offer to sell for their own accounts such Bonds, Ordinary Shares and other securities of the Issuer or its group or related investments in connection with the Offering, the Concurrent Equity Offering or otherwise.

In addition the Managers and any of their affiliates may enter into financing arrangements (including swaps, warrants or contracts for differences) with investors in connection with which the Managers and any of their affiliates may from time to time acquire, hold or dispose of Bonds, Ordinary Shares and/or other securities or derivate positions in such securities. The Managers and their affiliates do not intend to disclose the extent of any such investment or transactions otherwise than in accordance with any legal or regulatory obligations to do so.

None of the Managers or any of their respective directors, officers, employees, affiliates, advisers or agents accepts any responsibility or liability whatsoever for or makes any representation or warranty, express or implied, as to the truth, accuracy or completeness of the information in this announcement (or whether any information has been omitted from the announcement) or any other information relating to the Issuer, its subsidiaries or associated companies, whether written, oral or in a visual or electronic form, and howsoever transmitted or made available or for any loss howsoever arising from any use of this announcement or its contents or otherwise arising in connection therewith.

The date of admission of the Bonds to the Vienna MTF may be influenced by things such as market conditions. There is no guarantee that admission will occur and you should not base your financial decisions on Nexi's intentions in relation to admission. Acquiring investments to which this announcement relates may expose an investor to a significant risk of losing all of the amount invested. Persons considering making such investments should consult an authorised person specialising in advising on such investments. This announcement does not constitute a recommendation concerning the Offering, the Concurrent Equity Offering, the Bonds, the Ordinary Shares or any other securities or any derivative transaction in respect thereof. The value of the Bonds and the Ordinary Shares can decrease as well as increase. Potential investors should consult a professional adviser as to the suitability of the Bonds and the Ordinary Shares for the person concerned.
