Milan, September 8th, 2020 – COIMA RES is pleased to announce that it has received, for the fourth consecutive year, the “Gold Award” from the European Public Real Estate Association (EPRA) for both its financial and sustainability reports related to the year 2019 (and published on March 24th, 2020).

EPRA’s recommendations are the most commonly adopted standards in the listed European real estate sector and guarantee a common base in terms of transparency, comparability and reporting of key business performance and sustainability indicators.

Since its creation, COIMA RES has complied with the EPRA’s Best Practices Recommendations and has continued to improve the quality of its financial and sustainability reporting for the benefit of investors, the broader financial community and for all its stakeholders.
