SUPERNAP Italia Announces Reserves Distribution

Milan, Italy (March 5, 2021) – the SUPERNAP Italia (the “Company”) general meeting - upon proposal of the board of directors of the Company on the date hereof and following positive acknowledgment of the overall financial viability of the proposed distribution for the Company, in the light of its current financial situation, has resolved on a distribution of a reserve in the amount of Euro 73,900,000. The distribution of the reserve will take place on March 8, 2021.

The distribution will be funded through credit facilities available to the Company.

About SUPERNAP Italia

SUPERNAP Italia provides comprehensive data center services to help the world’s leading hyperscale and enterprise companies meet their digital infrastructure needs. Its growing, 100,000-square-meter campus near Milan, widely regarded as one of the most advanced data center campuses in Europe, is strategically positioned to take advantage of the area's excellent telecommunications and power infrastructure. With existing and flexible expansion capacity and 100% uptime, SUPERNAP Italia offers the scale, geographic reach, and operational excellence that rapidly growing hyperscale and enterprise companies need.
