ORDINARY AND EXTRAORDINARY SHAREHOLDERS' MEETING OF 20 APRIL 2021

SINGLE CALL

**Report by the Board of Directors on the proposals concerning the items on the agenda of the
Shareholders' Meeting**

Item 1 of the Extraordinary session

“Proposal for free share capital increase, to be reserved for employees of Italgas S.p.A and/or companies in the Group, in the nominal maximum amount of 5,580,000 euros, in one or more tranches, through allocation pursuant to article 2349 of the Italian Civil Code of a corresponding amount taken from retained earning reserves, with the issuance of no more than 4,500,000 ordinary shares. Amendment to article 5 of the company’s Bylaws. Necessary and consequent resolutions.”

Dear Shareholders,

The Board of Directors of your Company on 10 March 2021 passed resolution to submit for the approval of the Shareholders’ Meeting a medium to long-term incentive plan called the “2021-2023 Co-investment Plan reserved for employees of Italgas S.p.A. and/or Group companies” (hereinafter the “**Plan**”) described in the information notice drawn up pursuant to Article 84-bis of Consob Regulation No. 11971/99, as amended and supplemented, made available to Shareholders to review item 4 on the agenda of the ordinary session of the Shareholders’ Meeting.

The information document, to be referred to for more information on the Plan, also indicates – pursuant to the aforementioned regulatory provision – the Plan recipient categories, the criteria for identifying effective beneficiaries and Plan characteristics, and details the reasons for its adoption.

The Plan involves the free allocation of the Company's ordinary shares to participants. Those shares are expected to be the result of a capital increase to be performed using retained earnings reserves pursuant to Article 2349 of the Italian Civil Code. Those participating in the Plan, and in particular employees of Italgas S.p.A. and/or Group companies, shall be entitled to receive shares under the terms and conditions established in the Plan itself.

In order to ensure the relative provision of shares, the Board intends to submit for your attention a proposed free share capital increase, in one or more tranches, in a nominal maximum amount of 5,580,000 euros, through allocation pursuant to Article 2349 of the Italian Civil Code of a corresponding maximum amount from the retained earnings reserve, with the issuance of no more than 4,500,000 ordinary shares to be reserved for beneficiaries of the Plan.

Note that, pursuant to art. 5 of the Company bylaws, *“the share capital may be increased...with the issue of new shares, including special categories, to be assigned free of charge pursuant to art. 2349 of the Italian Civil Code.”*

1. Reasons and intended use of the Capital Increase

The aim of the Plan is to ensure a high level of alignment between the interests of the management and those of shareholders in the medium to long term; support the retention of key resources in the medium to long-term and launch a medium to long-term incentive system capable of creating a strong link between the company results achieved and the creation of long-term value for shareholders, promoting the sustainable success of Italgas S.p.A. and the Group.

The capital increase is reserved exclusively for the aforementioned Plan and therefore it is to be used exclusively for employees of Italgas S.p.A. and/or companies of the Group.

The shares may be issued, even in one or more tranches, for the duration of the share capital increase resolution outlined, and in any case by the final deadline of 30 June 2026.

2. Characteristics of the Shares, allocation to capital

The Company shares, that can be assigned to Plan beneficiaries under the terms and conditions established therein, will be ordinary Italgas S.p.A. shares with the same characteristics as those in circulation. Furthermore, they will have the same dividend rights as the ordinary shares of the Company currently in circulation and will therefore be provided with existing coupons.

As the shares of your Company have no express nominal value, the Board intends to submit for your attention a proposal to ascribe to capital a maximum amount of 5,580,000 euros and therefore an amount, for each share, equal to the current accounting par value of the shares rounded to the euro cent of 1.24 euros as calculated on 31 December 2020.

3. Bylaw amendment arising from the resolution on the proposed capital increase

The transaction outlined involves an amendment to article 5 of the Company Bylaws to incorporate the capital increase resolution.

In particular, a new paragraph (5.4) will be added to article 5 of the Company Bylaws to incorporate the following content:

“On 20 April 2021 the Extraordinary Shareholders’ Meeting passed resolution on a capital increase, in one or more tranches, in the nominal maximum amount of 5,580,000 euros, through allocation pursuant to Article 2349 of the Italian Civil Code of a corresponding amount taken from retained earning reserves, with the issuance of no more than 4,500,000 ordinary shares, to be assigned free of charge to beneficiaries of the incentive plan approved by the Ordinary Shareholders’ Meeting of 20 April 2021 and to be carried out by the final deadline of 30 June 2026.”

Below you will find a comparison of the current text of article 5 of the By-laws (in force at the date of this Report and therefore without considering the execution of the increase in capital that took place on

the same date) with the text amended as described above, submitted for approval by the Shareholders' Meeting:
