Total equity	222,300	211,532

Revenues: increase is due to organic growth for 9.6%, change in the scope of consolidation for 1%, the negative effect of conversion rates for 2.3%.

EBITDA Adj: The result benefited from increase in sales volumes, segment mix, containment of commercial costs, while recording higher charges related to the safety of workplaces resulting from Covid-19.

EBIT: 2019 result included a reduction in the value of the goodwill for € 2,074 thousand.

Net profit: negative impact of forex, the exercise of options on equity investments, partially offset by tax benefits.

Net non-current assets decreased due to the disposal of the investment in Cifarelli, the full consolidation of Agres, the negative impact of forex on goodwill.

Investments amounted € 17,170 thousand, mainly product and process innovation.

Net working capital on sales: from 39.5% to 35.1% thanks to good receivables management; stock and payables increase due to higher purchases in the last part of the year.

Net financial position improved thanks to higher cash flow from operations, lower capex, no dividend distribution in the year; acquisition of Markusson and Agres for overall € 11 million included.

SALES

- ✓ Europe: higher sales of gardening products, mainly in Central European markets. Consolidation of Swedish company Markusson
- ✓ Americas: strong growth linked to the sales of forestry and gardening products in the North American market. Continued good performance in the South American markets. Consolidation of Agres
- ✓ Asia, Africa and Oceania: growth mainly attributable to Chinese, Australian and Turkish markets.

EBITDA Adj

- ✓ Increase in sales volumes
- ✓ Positive customer/product mix

Good start of 2021

- January – February sales up $\approx 25\%$
- Low market inventory level of gardening and cleaning products
- Demand of agricultural products supported by the favorable price of commodities
- High demand for sanitation and cleaning products
- Strong order entry for upcoming months
- 2021 still impacted by Covid-19, but improvement expected thanks to vaccination plan
