The aim of this report is to explain the reasons behind the proposals referred to by the items on the shareholders' meeting agenda, pursuant to art. 125-ter of Italian Legislative Decree no. 58/98, as subsequently amended (the "TUF" - Italian Consolidated Law on Financial Intermediation).

I. PROPOSAL TO AMEND THE EXTRAORDINARY SHAREHOLDERS' MEETING RESOLUTION OF 16 APRIL 2019 RELATING TO A FREE SHARE CAPITAL INCREASE PURSUANT TO ART. 2349, PARAGRAPH I OF THE ITALIAN CIVIL CODE, IN SEPARATE ISSUES, UP TO A MAXIMUM NOMINAL AMOUNT OF EURO 1,200,000, CORRESPONDING TO A MAXIMUM NUMBER OF 12,000,000 ORDINARY SHARES OF THE COMPANY, FOR THE PURPOSE OF BACKING ONE OR MORE STOCK GRANT PLANS, AIMED AT EXTENDING THE TERMS OF THE CAPITAL INCREASE; SUBSEQUENT AMENDMENTS TO ART. 5 OF THE ARTICLES OF ASSOCIATION.

Dear Shareholders,

We would like to draw your attention to the draft resolution submitted to the Extraordinary Shareholders' Meeting of Geox S.p.A. (hereinafter the "**Company**"), as described below, relating to the amendment of the resolution of 16 April 2019 relating to a free share capital increase pursuant to art. 2349, paragraph I of the Italian Civil Code, in separate issues, up to a maximum nominal amount of Euro 1,200,000, corresponding to a maximum number of 12,000,000 ordinary shares of the Company, with a nominal value of Euro 0.10 each, for the purpose of backing one or more stock grant plans, including, inter alia, the 2019-2021 Stock Grant Plan, through a special-purpose reserve of profits (hereinafter the "**Share Capital Increase**").

The amendment is aimed at extending the duration of the Share Capital Increase, with the consequent amendment of Art. 5 of the Articles of Association, in order to serve, in addition to the 2019-2021 Stock Grant Plan, also the 2021-2023 Equity (Stock Grant) & Cash-Based Plan (hereinafter the "**2021-2023 Plan**" or the "**Plan**"), the subject of the proposal for approval under item four of the Agenda of the Company's Ordinary Shareholders' Meeting. In fact, in accordance with the Plan, such shares may be sourced, at the discretion of the Board of Directors, in compliance with the relevant legal provisions: (i) using the ordinary shares issued through the Share Capital Increase and/or (ii) using shares that may have been purchased and/or otherwise held by the Company, subject to issue by the Ordinary Shareholders' Meeting of authorisation for the purchase and disposal of treasury shares pursuant to and in accordance with Articles 2357 et seq. of the Italian Civil Code.

In light of the foregoing, the Board of Directors proposes that the Extraordinary Shareholders' Meeting approve the proposal to amend the Share Capital Increase resolution passed by the Company's Extraordinary Shareholders' Meeting on 16 April, extending the deadline for subscription of the related Share Capital Increase to 31 December 2025, in order to align it with the timings in the Plan for the allocation of the Company's ordinary shares to the Recipients according to the procedures and deadlines set forth in the Plan.

For further information on the 2021-2023 LTI Plan, refer to the Explanatory Reports prepared pursuant to Articles 114-bis and 125-ter of Italian Legislative Decree no. 58 of 24 February 1998, (the "TUF") and the Information Document on the Plan prepared for the purposes of approval of the Plan itself, prepared pursuant to Article 84-bis of the Issuers' Regulation, made available to the public in accordance with the procedures provided for by law and the applicable regulatory provisions, and available, together with this Explanatory Report, on the Company's website www.geox.biz under the section "Governance / Shareholders' Meeting".

I. Justification for the proposed amendment

Preliminarily, it is noted that the reasons for approving the Share Capital Increase have not changed.

GEOX

Since the Share Capital Increase is functional to the execution of one or more stock grant plans, and since the Board of Directors has proposed to today's Ordinary Shareholders' Meeting to approve the 2021-2023 Plan, it is necessary, if this ordinary Shareholders' Meeting resolves to approve the Plan, to also amend the resolution of the Extraordinary Shareholders' Meeting of 16 April 2019, in order to extend the deadline for subscribing to the Share Capital Increase to 31 December 2025, so that the Share Capital Increase can also be used to serve the 2021-2023 Plan.

2. Transaction procedures

The proposed amendment will not involve any changes to the transaction procedures, including with regard to restricted profit reserves, subject to a resolution of the Company's Ordinary Shareholders' Meeting on 16 April 2019, and therefore remain unchanged.

3. Expected period for the execution of the transaction following the proposed amendment.

As a result of the proposed amendment, the Share Capital Increase may be subscribed, on the basis of the rights assigned, by 31 December 2025 at the latest. The additional conditions remain unchanged.

4. Date of entitlement of newly issued shares

The proposed amendment will not involve any changes to the date of entitlement of newly issued shares.

5. Amendment to the Articles of Association

Below is a comparison of Art. 5 of the Articles of Association as a result of the proposed amendments:

2. AMENDMENTS TO THE COMPANY'S ARTICLES OF ASSOCIATION IN ORDER TO COMPLY WITH (ITALIAN) BUDGET LAW NO. 160/2019 CONCERNING PROVISIONS ON GENDER QUOTAS WITHIN ADMINISTRATIVE AND CONTROL BODIES OF LISTED COMPANIES. AMENDMENTS TO ARTICLES 16, 17 AND 22 OF THE ARTICLES OF ASSOCIATION.

Dear Shareholders,

We would like to draw your attention to the draft resolution submitted to the Extraordinary Shareholders' Meeting of Geox S.p.A. (hereinafter the "**Company**"), as explained below, relating to the amendment of the Company's Articles of Association in order to comply with Italian Law no. 160 of 27 December 2019 (hereinafter "**2020 Budget Law**") concerning provisions on gender quotas within administrative and control bodies of listed companies.

This report is drafted in accordance with Article 72 of Consob Regulation No. 11971 of 14 May 1999, as amended (hereinafter the "**Issuers' Regulation**") and Annex 3A, scheme 3, of the Issuers' Regulation.

1. Justification for the proposed amendments

Articles 147-ter, paragraph 1-ter, and 148, paragraph 1-bis, of Italian Legislative Decree 58/98, as subsequently amended (hereinafter the "**TUF**") introduced by Law no. 120 of 12 July 2011 required listed companies to comply with a gender composition criterion according to which at least one third of the members of the administration and control bodies belonged to the less represented gender. This division criterion was applied for three consecutive mandates.

Articles 147-ter, paragraph 1-ter, and 148, paragraph 1-bis, of the TUF were subsequently amended by arts. 302 and 303 of (Italian) 2020 Budget Law. Unlike what was envisaged by previous regulations, these articles provide: (i) a quota reserved for the less represented gender equal to "two/fifths" and (ii) that this division criterion applies for "six consecutive terms".

According to these provisions, the Articles of Association must include a number of Directors and Statutory Auditors that ensures compliance with the gender division criterion.

The new provisions apply from "the first renewal of the administrative and control bodies of companies listed on regulated markets" following the date of entry into force of the law, which took place on 1 January 2020. Therefore, the new legislation will apply to the Company starting from the renewal of the corporate bodies, which will take place with the approval of the financial statements for the year ending 31 December 2021.

Art. 144-undecies.1 of the Issuers' Regulation specifies that rounding up does not apply in the case of corporate bodies consisting of three members for which rounding down to the lower fraction actually applies.

Therefore, in view of the next Shareholders' Meeting of the Company, which will provide for the renewal of corporate members, the Articles of Association should be amended, in order to comply with the new applicable legal and regulatory requirements on gender balance.

In particular, it is hereby proposed that articles 16, 17 and 22 of the Articles of Association include the more general provision according to which the appointment of corporate members must take place in compliance with the gender balance criterion, pursuant to applicable legal and regulatory requirements, removing any reference to specific legislation and division criteria, which are no longer in force.

2. Amendments to Articles 16, 17 and 22 of the Company's Articles of Association and right to withdrawal

The current wording of Articles 16, 17 and 22 of the Articles of Association and the proposed amendment are shown side by side below:

When the Board of Directors is appointed by the Shareholders' Meeting, the Directors are appointed by the ordinary Shareholders' Meeting on the basis of lists presented by the Shareholders, in which the candidates shall be listed in progressive order.

The lists must be lodged at the Company's registered offices at least twenty-five days before the date fixed for the Shareholders' Meeting and are made available to the public, at least twenty-one days before the meeting, at the Company's registered offices, on its website and in the other ways envisaged by applicable legal and regulatory requirements.

Each Shareholder can present or take part in the presentation of just one list on pain of ineligibility. Each Shareholder, as well as the Shareholders belonging to a single group (i.e. the controlling party, even if it is not a corporate entity, pursuant to Article 93 of Italian Legislative Decree no. 58/1998 as well as its subsidiaries and affiliates), i.e. that are party to a Shareholders' agreement pursuant to Article 122 of Italian Legislative Decree no. 58/1998, cannot present or participate in presenting or vote directly, through third parties or through financial services company, more than one list.

Shareholders who, alone or together with other Shareholders, account for at least a fortieth of the share capital (or any other lower limit provided by the law in force at the date of the Shareholders' Meeting) can present the lists.

The minimum shareholding necessary to present the lists is calculated taking into account the shares registered in the Shareholders' name as at the date when the shares are lodged at the Company's registered offices.

In order to prove ownership of the number of shares necessary to present the lists, the Shareholders who present, or contribute to the presentation of, the lists must present and/or deliver to the Company's registered offices, a copy of the specific certification issued by a legally qualified intermediary, at least twenty-one days before the date fixed for the Shareholders' Meeting convened to appoint the Board of Directors. Together with each list, the declarations must be lodged with which individual candidates accept their candidacy and certify, under their own responsibly, the absence of causes of ineligibility and incompatibility envisaged by applicable regulations and by the Articles of Association, as well as the existence of the requirements for the respective offices envisaged by applicable laws and regulations. Together with these declarations a curriculum vitae is lodged for each candidate concerning the latter's personal and professional characteristics as well as the indication of the suitability to qualify as an independent director, pursuant to applicable laws, within the aforementioned limit of the number of accumulated offices.

Lists that do not comply with the aforementioned requirements are not considered to have been presented. The Board periodically assesses the independence and integrity of its Directors. In the event that the independence or integrity requirements are no longer met or valid and the minimum number of independent directors established in these Articles of Association no longer exists, the Board shall declare the Director non-compliant and provide for his/her replacement.

Each holder of voting rights can vote for just one list. Each list must contain a number of candidates not exceeding the maximum number of Board members stated under article 16 and, amongst these, at least two candidates must have the above stated independence requirement. In case of lists with less than three candidates, said lists must ensure that both genders are represented, so that, during the first mandate subsequent to the year in which Law 120/2011 comes into effect, at least 1/5 of Board members must be from the less represented gender, while in the two subsequent mandates, at least 1/3 of Board members must be from the less represented gender, with numbers rounded off to the higher figure in the event of a fractional number.

b) the remaining directors shall be drawn from the other lists, it being clear that at least one director must be drawn from a list that is in no way connected, even indirectly, with the members that have presented or voted the list referred to in point a) and that came first in terms of number of votes; for this purpose, the votes obtained from the aforementioned lists will be subsequently divided by one, two, three and so on, according to the progressive number of Directors to be appointed. The quotients obtained will then be progressively assigned to the candidates of each list, following the relevant order, and will constitute a single ranking list in a decreasing order. Those obtaining the highest quotients will be elected. If more than one candidate has obtained the same quotient, the candidate of the list that has not yet elected any director or that has elected the lower number of directors shall be elected. If none of these lists has elected a director or if all of them have elected the same number of directors, within the scope of said lists, the candidate obtaining the highest number of votes will be elected. In the event that the independence or integrity requirements are no longer met or valid and the minimum number of independent directors established in these Articles of Association no longer exists, the Board shall declare the Director non-compliant and provide for his/her replacement.

Each holder of voting rights can vote for just one list. Each list must contain a number of candidates not exceeding the maximum number of Board members stated under article 16 and, amongst these, at least two candidates must have the above stated independence requirement. In case of lists with less than three candidates, said lists must ensure that both genders are represented, so that ~~the number of candidates of the less represented gender during the first mandate subsequent to the year in which Law 120/2011 comes into effect, at least 1/5 of Board members must be from the less represented gender, while in the two subsequent mandates, at least 1/3 of Board members must be from the less represented gender, with numbers rounded off to the higher figure in the event of a fractional number.~~ **is at least equal to the number provided for by applicable legal and regulatory requirements, it being understood that if the application of the gender division criterion does not result in a whole number, this must be rounded in compliance with applicable legal and regulatory requirements and specified in the notice of call of the Shareholders' Meeting called to resolve on the appointment of the members of the Board of Directors.**

Directors are elected as follows: a) eight tenths of the directors to be elected will be drawn from the list that will obtain the majority of the votes cast by the Shareholders, in the progressive order in which they are listed in the list itself, with rounding to the lower unit in the event of a fractional number lower than unit.

b) the remaining directors shall be drawn from the other lists, it being clear that at least one director must be drawn from a list that is in no way connected, even indirectly, with the members that have presented or voted the list referred to in point a) and that came first in terms of number of votes; for this purpose, the votes obtained from the aforementioned lists will be subsequently divided by one, two, three and so on, according to the progressive number of Directors to be appointed. The quotients obtained will then be progressively assigned to the candidates of each list, following the relevant order, and will constitute a single ranking list in a decreasing order. Those obtaining the highest quotients will be elected. If more than one candidate has obtained the same quotient, the candidate of the list that has not yet elected any director or that has elected the lower number of directors shall be elected. If none of these lists has elected a director or if all of them have elected the same number of directors, within the scope of said lists, the candidate obtaining the highest number of votes will be elected. In the event of equal slate votes and equal points, the entire Shareholders' Meeting shall vote again and the candidate elected shall be the person who receives a simple majority of the votes.

If with the candidates elected with the above-mentioned proceedings the appointment of a Director with the aforementioned independence requirement is not guaranteed, the last non-independent candidate elected, following the progressive order on the list, with the highest number of votes referred to in previous point a), shall be replaced by the independent, not elected candidate on the same list in accordance with the progressive order.

Should the resulting composition of the Board does not comply with the principle of gender balance, based on their order in the respective list, the last elected from the Majority List of the most represented gender shall lapse in order to ensure the required number to comply with said principle, and will be replaced by the first non-elected candidates from the same list of the less represented gender. Should there not be candidates from the less represented gender within the Majority List in sufficient numbers to carry out the replacement, the Shareholders' Meeting shall appoint the missing members with the legally-required majority, ensuring compliance with the requirement.

For the purposes of the division concerning the directors to be elected, the lists that have not obtained a percentage of votes equivalent to at least half of those required by the Articles of Association for their presentation shall not be taken into account.

If a single list is presented or if no list is presented, the Shareholders' Meeting shall pass resolutions with the legally-required majority, without complying with the above described procedure, without prejudice to the requirement of the minimum number of independent directors specified in these Articles of Association, and in compliance with the gender division criterion provided under Article 147-ter, paragraph 1-ter of Italian Legislative Decree no. 58/1998.

The Directors' term of office is determined upon appointment by the Shareholders' Meeting and cannot exceed three financial years. Directors cease their office on the date of the Shareholders' Meeting convened to approve the financial statements for the last financial year of their term of office.

Without prejudice to the provisions of the next paragraph, if one or more Directors should cease to be present for any reason during the three-year period, the Board of Directors shall proceed with the relevant replacement pursuant to Article 2386 of the Italian Civil Code. If one or more Directors who have ceased to fill their office have been drawn from a list that also contains the names of candidates who have not been elected, the Board of Directors will make the replacement by appointing, in accordance with the progressive order, candidates drawn from the same list to which the Director who is no longer filling his/her office belongs, who are still eligible and agree to accept the office, in accordance with the gender division criterion provided under Article 147-ter, paragraph 1-ter of Italian Legislative Decree no. 58/1998. If the aforementioned list does not contain any previously non-elected candidates, or the aforementioned procedure for replacing Directors does not comply with the minimum number of Independent Directors or with the gender division criterion, or a single list has been presented or no list has been presented, the Board of Directors shall replace the Directors who no longer hold office pursuant to art. 2386 of the Italian Civil Code without complying with the aforementioned criteria, just as the Shareholders' Meeting acts both in the case of co-option and of Assembly resolutions, with the legally-required majority, while respecting minimum number of Independent Directors and the gender division criterion envisaged by art. 147-ter, paragraph 1 of Italian Legislative Decree no. 58/1998. If the number of Directors is lower than the maximum provided for in Article 16 above, the Shareholders' Meeting, even during the term of office of the Board of Directors, will be able to increase this number up to the maximum limit specified in said article. Company's Statutory Auditors (without prejudice to any other limit introduced according to Article 148-bis of Italian Legislative Decree no. 58/1998).

Statutory auditors are appointed for the first time in the Articles of Incorporation and thereafter by the ordinary Shareholders' Meeting, which also appoints from among them the Chairman of the Board of Statutory Auditors, according to the procedures indicated hereunder. Before appointing Statutory Auditors, the Shareholders' Meeting determines Statutory Auditors' remuneration for their entire term of office.

Statutory Auditors are appointed on the basis of lists presented by the Shareholders, in which candidates must be listed in progressive order.

Lists must be divided into two sections, one for Standing Auditors and one for Alternate Auditors. When considering both sections, should these contain a number of candidates that is equal to or higher than three, these must ensure that both genders are included, so that, during the first mandate subsequent to the year in which Law 120/2011 comes into effect, at least 1/5 of Board members must be from the less represented gender, while in the two subsequent mandates, at least 1/3 of Board members must be from the less represented gender, with numbers rounded off to the higher figure in the event of a fractional number.

Each Shareholder can present or take part in the presentation of just one list. Shareholders who, alone or together with other Shareholders presenting the same list, account for at least a fortieth of the share capital (or any other lower limit provided by the law in force at the date of the Shareholders' Meeting) can present or take part in presentation of the lists.

The minimum shareholding necessary to present the lists is calculated taking into account the shares registered in the Shareholders' name as at the date when the shares are lodged at the Company's registered offices. In order to prove ownership of the number of shares necessary to present the lists, the Shareholders who present, or contribute to the presentation of, the lists must present and/or deliver to the Company's registered offices, a copy of the specific certification issued by a legally qualified intermediary by the deadline established for publication of the lists.

members of the Board of Statutory Auditors.

The lists presented by the Shareholders must be lodged at the Company's registered offices at least twenty-five days before the date fixed for the Shareholders' Meeting convened to appoint the Statutory Auditors and are made available to the public, at least twenty-one days before the meeting, at the Company's registered offices, on its website and in the other ways envisaged by applicable legal and regulatory requirements.

The lists must include (i) any information related to the identity of the Shareholders presenting the lists, the percentage of shareholding held, and a certification proving their ownership and (ii) a declaration from the Shareholders who do not hold a controlling or relative majority shareholding – neither on a joint basis, stating that they do not have any relation provided by Article 144-quinquies of the Consob Issuers' Regulation.

Each candidate can appear on one list only on pain of ineligibility. At the same time when lists are lodged at the Company's registered offices, the declarations must be lodged with which individual candidates accept their candidacy and certify, under their own responsibility, the absence of causes of ineligibility and of incompatibility, as well as the existence of the requirements envisaged by applicable regulations and by the Articles of Association including the limit of the number of accumulated offices previously described. Together with these declarations a curriculum vitae is lodged for each candidate concerning the latter's personal and professional characteristics as well as the indication of the suitability to qualify as an independent director. When just one single list is presented within the above mentioned twenty-five day-term, or if only lists from Shareholders subject to the relations provided by Article 144-quinquies of the Consob Issuers' Regulation are presented, other lists can be presented up to the fifth day after that date. In that case, the minimum shareholding requirement for Shareholders presenting the lists is cut by half.

Lists that do not comply with the aforementioned requirements are not considered to have been presented.

Each holder of voting rights can vote for just one list. Two Standing Auditors and one Alternate Auditor are drawn from the list obtaining the highest number of Shareholders' votes, in the progressive order with which they are shown in the list concerned. The Board of Statutory Auditors must meet at least once every ninety days. Meetings of the Board of Statutory Auditors are properly convened when the majority of Statutory Auditors are present and pass resolutions based on the absolute majority of those present. Participation in the meetings of the Board of Statutory Auditors can also take place via telecommunication means, in ways permitting identification of all participants and enabling the latter to follow the discussion and intervene in real time in discussing the topics addressed.
