4.1. Resolution as to the number of members of the Board of Directors of the Company

As regards the resolution on the number of Directors of Technogym, please note that, pursuant to paragraph 16.1 of the Articles of Association, the Shareholders' Meeting of the Company, before proceeding to the election of the Board of Directors, is required to determine the number of its members, which cannot be fewer than seven and no more than fifteen.

The Board of Directors of the Company, at the end of its mandate, shall abstain from formulating specific proposals in this regards and therefore is inviting the Shareholders to resolve on the number of members of the Board of Directors of Technogym, within the afore-mentioned limits, based on the proposal that may be formulated by the shareholders holding the appropriate rights, in accordance with the methods and the terms contained in the Notice of Calling of the Shareholders' Meeting.

4.2. Resolution as to the duration of the office as member of the Board of Directors.

Please note that, pursuant to paragraph 16.2 of the Articles of Association, the Directors of Technogym are appointed for a period not exceeding three years and their mandate expires at the date of the Shareholders' Meeting called on to approve the financial statements of the last period under their office. The Directors can be re-elected.

The Board of Directors of the Company, at the end of its mandate, shall abstain from formulating specific proposals in this regards and therefore is inviting the Shareholders to resolve on the duration of the office of the Board of Directors of Technogym, within the afore-mentioned limits, based on the proposal that may be formulated by the shareholders holding the appropriate rights, in accordance with the methods and the terms contained in the Notice of Calling of the Shareholders' Meeting.

4.3. Appointment of the members of the Board of Directors of the Company

The appointment of the Board of Directors of the Company shall be compliant with the provisions set forth in Italian Legislative Decree No. 58 of 24 February 1998, as amended (the Consolidated Finance Law or "TUF") and related implementation regulations, as well as with the Articles of Association, which reference should be made for any item not covered here.

The Directors of Technogym are appointed by the Shareholders' Meeting of the Company on the basis of lists where the candidates must be listed with consecutive numbers and in a number not exceeding the number of Directors to be elected. The Board of Directors in office is entitled to submit the lists and in compliance with the CONSOB executive resolution No. 44 of 29 January 2021, as are the shareholders, which at the time of the submission of the list, hold, alone or jointly with others, a total interest at least equal to 1% of the share capital of Technogym.

Every Shareholder, the Shareholders adhering to a shareholders' agreement relating to the Company, relevant for the purposes of Art. 122 of the TUF, the parent company, the subsidiaries and the companies subject to joint control and the other parties amongst which there is a relationship, even indirect, pursuant to *pro tempore* legislation and regulations in force, cannot submit or contribute to the submission, even through a third party or trust company, of more than one list, nor may they vote for different lists. Each candidate may be included only on one list, under penalty of ineligibility. The vote of each shareholder is given to a list and therefore, automatically, to all candidates on the list, without changes, additions or exclusions.

Pursuant to Art. 147-*quinquies*, paragraph 1, of the TUF, all candidates must meet the integrity requirements provided for in Art. 148, paragraph 4, of the TUF as it applies to the auditors of the listed companies.

Each list that contains a number of candidates not exceeding seven must include and identify at least one candidate meeting the independence requirements established according to the *pro tempore* regulations in force, applicable to independent directors. Each list that contains a number of candidates exceeding seven must include and identify at least two candidates meeting the independence requirements established according to *pro tempore* regulations in force applicable to independent directors. If these requirements are not met, the list is considered as not submitted.

The Shareholders are asked to also take into account the requirements of independence and number of independent Directors in compliance with Recommendation No. 7 and No. 5 of the Corporate Governance Code approved on 30 January 2020 (the "**Governance Code**"), adopted by the Company. As regards the declarations of independence, pursuant to the Governance Code, if submitted, it must be noted that the Board has determined in annual amount of Euro 70,000 the threshold that, when reached, any commercial, financial or professional relations held by the Directors or any additional remunerations received by them are to be considered significant.

It must also be noted that since, at the date of this report, Technogym qualifies pursuant to the Governance Code as a "large" company with "concentrated ownership", pursuant to the afore-mentioned Recommendation No. 5 of Corporate Governance Code, at least one third of the Board of Directors must be independent directors.

Each list with a number of candidates equal to or greater than 3 (three) must also include a number of candidates belonging to the less represented gender, which ensures respect for gender balance at least to the minimum extent required by *pro tempore* legislation and regulations in force. In particular, pursuant to paragraph 1-ter, of Art. 147-ter of the TUF, at least two-fifths of the Directors must be elected from the least represented gender; if, considering the total number of members of the Board of Directors decided by the Shareholders' Meeting, the number of members of the least represented gender to be elected is

not a whole number, in compliance with the provisions of Art. 144-undecies 1, paragraph 3, of the CONSOB Regulation No. 11971/1999, this number shall be rounded up. The submitted list, in the case of non-compliance with the provisions above, is considered as not submitted.

The Shareholders are asked to also take into account also the guidelines of the Board of Directors on maximum number of directors' offices that the board members may cover in the management and control bodies of other companies of significant dimensions, published on the Company's website at <http://corporate.technogym.com>, in Section "Governance/Shareholders' Meetings" and on "eMarket STORAGE" storage mechanism, available at www.emarketstorage.com.

The lists of candidates must be deposited by the Shareholders, along with the certifications demonstrating the ownership of a number of shares of Technogym sufficient to guarantee the right to submit a list, by 10 April 2021, with the following methods: (a) hand delivery at the registered office of the company in Cesena, via Calcinaro, 2861; or (b) by certified email to the address technogym.amministrazione@legalmail.it. In all events, at the time of submission, all information that allow for the identification of the subject who is sending the lists, must be provided. The lists must then be made available to the public, by the Company, at least twenty-one days before the scheduled date of the Meeting (i.e. by 14 April 2021) according to the same methods set forth in the applicable laws and regulations. The ownership of the minimum shareholding required for the submission of the list is determined on the basis of the Technogym shares that are registered in favour of the Shareholder at the date when the lists are deposited with the Company. In order to demonstrate the ownership of the number of shares necessary for submitting the lists, the shareholders who submit or cooperate in the submission of the lists must send to the registered office a copy of the required certification issued by the authorised intermediary pursuant to the law by the date set forth for the publication of the lists, i.e. by 14 April 2021.

The lists must include the following: (a) information concerning the identity of the shareholders who have submitted the lists, with the indication of the percentage of interest held, without prejudice to the instructions given above regarding the term for the delivery of the certification demonstrating said ownership; (b) a statement from the shareholders other than those holding, also jointly, a controlling or a relative majority interest, that demonstrates the absence of associative relationships, also indirect, pursuant to the *pro-tempore* applicable regulations, with the latter; (c) comprehensive information concerning the personal and professional characteristics of the candidates with the indication of their eligibility to be independent directors pursuant to the *pro-tempore* applicable regulations (and/or pursuant to the governance codes promoted by management companies operating in regulated markets that may have been adopted by the Company) as well as a declaration issued by the candidates themselves demonstrating compliance with the requirements set forth in the *pro-tempore* applicable regulations and the Articles of Association, including integrity criteria, and, if applicable, independence requirements, as well as their acceptance of the candidature and the office, if elected; (d) any other additional or different declaration, information and/or document set forth by the *pro-tempore* applicable regulations.

As provided for in Communication No. DEM/9017893 of 26 February 2009, CONSOB recommends that the Shareholders, other than those who hold, also jointly, a controlling or relative majority interest, to provide in said declaration, the following information:

- (i) the relationships that may exist, if significant, with the Shareholders who hold, also jointly, a controlling or relative majority interest. In particular, it is recommended to indicate among the mentioned relationships at least those listed at point 2 of the afore-mentioned CONSOB communication. As an alternative, the absence of significant relationships must be indicated;

- (ii) the reasons why these relationships have not been considered determinant for the existence of associative relationships under Art. 148, second paragraph, of the TUF and Art. 144-quinquies of the CONSOB Regulation No. 11971/1999 as amended.

The submitted lists, in the case of non-compliance with the provisions above, are considered as not submitted.

The election of the Board of Directors of the Company shall take place as provided for in paragraphs 18.1 et seq. of the Articles of Association of Technogym, in compliance with the provisions contained therein, as regards the minimum number of independent Directors and Directors belonging to the least represented gender.

If no list has been submitted or when just one list is submitted and it does not obtain the relative majority of the votes represented in the shareholders' meeting or if it is not possible for any reason whatsoever to proceed with the appointment of the Board of Directors with the methods here described, the members of the Board of Directors shall be appointed by the shareholders' meeting with ordinary procedures and by the relative majority of the votes represented therein, with no application of the list voting mechanism and in any event so as to ensure the presence of the minimum number of independent directors set forth by regulations in force pro tempore as well as compliance with the legislation and regulations in force pro tempore on gender balance.

The Board of Directors of Technogym in office has deemed appropriate not to use the option of submitting its list and abstains from formulating specific proposals and/or directives as regards the composition of the new administrative body.

In light of the above, we are inviting you to appoint the Board of Directors of the Company, casting your vote in favour of one of the lists of candidates to the office of the Directors of Technogym, which will be presented and published in compliance with the above provisions.

4.4. Appointment of the Chairperson of the Board of Directors

Pursuant to paragraph 20.1 of the Articles of Association, the ordinary Shareholders' Meeting of the Company is entitled to appoint, on a priority basis, the Chairperson of the Board of Directors of Technogym. The same paragraph 20.1 sets forth in fact that the Board of Directors of the Company may elect from among its members a Chairperson only if the Shareholders' Meeting of the Company has not done so.

The Board of Directors of the Company, at the end of its mandate, shall abstain from formulating specific proposals in this regards and therefore is inviting you to resolve on the appointment of the Chairperson of the Board of Directors of Technogym, from among the Directors who are going to be elected from the votes cast as per previous point 4.3, based on the proposal that may be formulated by the shareholders holding the appropriate rights, in accordance with the methods and the terms contained in the Notice of Calling of the Shareholders' Meeting.

4.5 Resolution as to the remuneration due to the members of the Board of Directors of the Company

Finally, please note that pursuant to Art. 22 of the Articles of Association, the remuneration due to the members of the Board of Directors is determined by the Shareholders' Meeting. Directors shall be reimbursed for expenses incurred in performing their official duties. The remuneration of the directors vested with specific duties (including the chairperson and the vice chairperson of the Board of Directors) is established by the Board of Directors, after consulting with the Board of Statutory Auditors. The

Shareholders' Meeting may determine a comprehensive amount for the remuneration of all directors, including those vested with specific duties.

It should also be noted that the Shareholders' Meeting of 8 May 2018 has resolved on: (i) the remuneration for the Board of Directors covering the entire period of the mandate, in the total amount of Euro 7,500,000.00 (before any legal withholdings) in addition to a reimbursement of the expenses incurred in performing their office duties, including in this total amount the remuneration for the Directors vested with particular assignments - as determined by the Board of Directors pursuant to Art. 2389, paragraph 3, of the Italian Civil Code also in reference with the compensations for the appointment to and participation in the committees established within the Board of Directors, with the exclusion, from this amount, of any compensation to be paid in compliance with some future incentive plans and (ii) the minimum compensation for each Director, included in the above maximum amount, in the gross annual Euro 20,000.00, without prejudice to any additional compensation for the Directors vested with particular duties.

The Board of Directors of Technogym, at the end of its mandate, shall abstain from formulating specific proposals in this regards and therefore is inviting you to resolve on the remuneration for the members of the Board of Directors of Technogym, based on the proposal that may be formulated by the shareholders holding the appropriate rights, in accordance with the methods and the terms contained in the Notice of Calling of the Shareholders' Meeting.
