PharmaNutra S.p.A.

Founded and led by the President Andrea Lacorte and Vice President Roberto Lacorte, PharmaNutra was established in 2003. It develops unique nutritional supplements and innovative medical devices, handling the entire production process, from proprietary raw materials to finished product. The efficacy of the products has been demonstrated with a wealth of scientific evidence. The Group distributes and sells its products in Italy and abroad. In Italy, products are sold through a network of 150 Pharmaceutical Representatives serving doctors and also exclusively selling PharmaNutra products to pharmacies throughout Italy. Products are sold in over 50 countries abroad, through 39 partners selected from among the finest pharmaceutical companies. PharmaNutra leads the market in the production of iron-based nutritional supplements under the SiderAL® brand, where it boasts a number of important patents on Sucrosomial® technology. Over the years, the Group has developed a precise strategy for the management and production of intellectual property, founded on the integrated management of all the various elements: proprietary raw materials, patents, brands and clinical evidence.
