Consequent amendments to article 6 of the current Articles of Association.**

Dear Shareholders,

the present report is provided in accordance with art.125-*ter* of Legislative Decree no. 58 of February 24, 1998 (the “**Consolidated Finance Law**” or “**TUF**”) and with art. 72 of Annex 3A of the implementing Regulation of the TUF concerning regulations for issuers, adopted by CONSOB with its resolution no. 11971 of May 14, 1999 as amended (the “**Issuers' Regulations**”).

The Board of Directors convened you, in the extraordinary meetings, to submit for your approval the proposal to confer upon the Board of Directors, pursuant to art. 2443 of the Italian Civil Code, for a period of five years starting from the resolution date, the power to increase the share capital, free of charge, divisible and also in one or more tranches, pursuant to art. 2349 of the Italian Civil Code, for a maximum amount of Euro 35,000 (thirty-five thousand/00), by issuing a maximum number of 700,000 (seven hundred thousand) ordinary shares, without par value, having the same characteristics as the outstanding ones, for an issue value equal to the book value of the Technogym shares on the execution date to be fully credited to share capital, to be allocated to the employees of Technogym S.p.A. and its subsidiaries, who are the beneficiaries of the plan for the free award of the rights to receive ordinary shares of the Company also known as the “Performance Shares Plan 2021-2023”, with the ensuing amendment of article 6 of the Articles of Association in force.

1. **Reasons for the share capital increase**

On March 24, 2021, the Board of Directors resolved, inter alia, to submit to the review and approval of the ordinary Shareholders' Meeting an incentive and loyalisation plan called “Performance Shares Plan 2021-2023” (the “**Plan**”) reserved to employees and/or contractors of Technogym S.p.A. (“**Technogym**” or the “**Company**”) or of Subsidiaries (the “**Beneficiaries**” and, each, the “**Beneficiaries**”), who hold managerial offices, including Key Managers of the Company, to be implemented by free award of right of ordinary Technogym shares (the “**Shares**”), upon reaching determined performance targets.

The details of the Plan are described in the dedicated illustrative report and in the information document prepared in accordance with art. 84-*bis* of the Issuers' Regulations - to which reference is made for additional information - made available to the Shareholders for the examination of the related point in the agenda of the ordinary part of the Shareholders' Meeting.

The Plan specifically pertains to the free allotment of rights that allow, if certain performance targets are attained, the award of a number of ordinary Technogym Shares (the “**Rights**”) determined according to the terms and conditions according to the regulation pertaining to the definition of the criteria, of the procedures and of the terms for the implementation of the Plan (the “**Regulation**”) which will be approved by the Board of Directors exercising the powers delegated by the Shareholders’ Meeting. The number of Shares to be awarded shall be determined according to the level of achievement and/or exceedance of the aforesaid performance targets.

The shares to be allotted according to the Plan shall derive from a share capital increase to be carried out by using, in accordance with art. 2349 of the Italian Civil Code, earnings or retained earnings, or else treasury shares held by the Company.

Thus, to assure a sufficient quantity of Shares to be awarded to the Beneficiaries who are employees of the Company and/or of the subsidiaries if the performance targets are achieved - so that said amount is sufficient even if the Company does not use treasury shares for this category of beneficiaries - the Board of Directors intends to submit for your attention the proposal to delegate to the Board of Directors, in accordance with art. 2443 of the Italian Civil Code, the power to increase the share capital by bonus issue for a period of five years from the date of the resolution, free of charge, divisibly and also in one or more tranches, pursuant to art. 2349 of the Italian Civil Code, for a maximum amount of Euro 35,000 (thirty-five thousand/00), by issuing a maximum number of 700,000 (seven hundred thousand) ordinary shares, without par value, having the same characteristics as the outstanding ones, for an issue value equal to the book value of the Technogym shares on the execution date to be fully credited to share capital, to be allocated to the Beneficiaries who are employees.

The reasons for the adoption of the Plan reside in the need to strengthen the ability of Technogym to withhold key resources and attract people with top skills as well as to align the interest of key human resources in the company’s performance with that of the shareholders so as to create sustainable value over time.

2. Characteristics of the bonus issue reserved to beneficiaries of the Plan

For the execution of the bonus issue in the service of the Plan, therefore, we propose to confer upon the Board of Directors, pursuant to art. 2443 of the Italian Civil Code, the power to increase the share capital, free of charge, divisibly and also in one or more tranches, drawing from the earnings or retained earnings to be allocated for this purpose and to be identified by the Board of Directors, pursuant to art. 2349 of the Italian Civil Code, for a maximum amount of Euro 35,000 (thirty-five thousand/00), by issuing a maximum number of 700,000 (seven hundred thousand) ordinary shares, without par value, having the same characteristics as the outstanding ones, for an issue value equal to the book value of the Technogym shares on the execution date to be fully credited to share capital.

The Plan spans a time horizon of 3 years (2021-2023) and calls for:

- the award to the Rights’ Beneficiaries, to be carried out no later than 12 (twelve) months from the date of approval of the Regulation; and

- the eventual allotment of the Shares to be carried out no later than the 60° calendar day following the approval of consolidated financial statement at December 31, 2023 and upon verification of the performance targets and of the other vesting conditions provided in the Plan.

The total maximum number of Shares to be allotted to the Beneficiaries is 700,000 (seven hundred thousand).

The share capital increase in accordance with art. 2349, paragraph 1, of the Italian Civil Code shall take place through the use of earnings and/or retained earnings as they result from the last financial statements approved during the year that provides for the allotment of the Shares. For this reason, it is deemed that the technically most effective instrument for this purpose is the conferral to the Board of Directors, in accordance with art. 2443 of the Italian Civil Code, of the power to increase, free of charge, the share capital serving the Plan.

To the Board of Directors shall also be given the power to identify in due course and from time to time the earnings and/or the retained earnings to be used for this purpose, with the mandate to provide for the appropriate accounting entries consequent to issue transactions, in compliance with the provisions of law and with the accounting standards applicable from time to time.

3. Characteristics of the newly issued shares

The Shares to be allotted to the Beneficiaries shall be ordinary, shall be entitled to regular dividends and, therefore, the rights related thereto shall be each Beneficiary's starting from the time when (s)he shall become their holder and they shall have the coupons current on that date.

4. Amendments to article 6 of the Articles of Association

As a consequence of the proposed resolution submitted for your approval, it will be necessary to supplement article 6 of the Articles of Association in force by the insertion of a clause relating to the shareholders' resolution to delegate the Board of Directors, in accordance with art. 2443 of the Italian Civil Code, the authority to increase the share capital free of charge in accordance with art. 2349 of the Italian Civil Code in the service of the Performance Shares Plan 2021-2023.

The proposed amendment in question does not entitle shareholders who should disagree with its approval to withdraw, as it does not match any of the cases of withdrawal identified by art. 2437 of the Italian Civil Code.
