1. Shareholders, who individually or jointly account for one fortieth of the share capital may ask, within ten days of publication of the notice calling the shareholders' meeting, or within five days in the event of calling the meeting in accordance with article 125-bis, paragraph 3 or article 104, paragraph 2, for the integration of the list of items on the agenda, specifying in the request, the additional items they propose or presenting proposed resolution on items already on the agenda. The requests, together with the certificate attesting ownership of the share, are presented in writing, by correspondence or electronically, in compliance with any requirements strictly necessary for the identification of the applicants indicated by the company. Those with voting rights may individually present proposed resolutions in the shareholders' meeting. For cooperatives the amount of the capital is determined by the statutes also in derogation of article 135.

2. Integrations to the agenda or the presentation of further proposed resolutions on items already on the agenda, in accordance with paragraph 1, are disclosed in the same ways as prescribed for the publication of the notice calling the meeting, at least fifteen days prior to the date scheduled for the shareholders' meeting. Additional proposed resolutions on items already on the agenda are made available to the public in the ways pursuant to article 125-ter, paragraph 1, at the same time as publishing news of the presentation. Terms are reduced to seven days in the case of shareholders' meetings called in accordance with article 104, paragraph 2 or in the case of a shareholders' meeting convened in accordance with article 125-bis, paragraph 3.

3. The agenda cannot be supplemented with items on which, in accordance with the law, the shareholders' meeting resolved on proposal of the administrative body or on the basis of a project or report prepared by it, other than those specified under article 125-ter, paragraph 1.

4. Shareholders requesting integration in accordance with paragraph 1 shall prepare a report giving the reason for the proposed resolutions on the new items for which it proposes discussion or the reason relating to additional proposed resolutions presented on items already on the agenda. The report is sent to the administrative body within the final terms for presentation of the request for integration. The administrative body makes the report available to the public, accompanied by any assessments, at the same time as publishing news of the integration or presentation, in the ways pursuant to article 125-ter, paragraph 1.

5. If the administrative body, or should it fail to take action, the board of auditors or supervisory board or management control committee fail to supplement the agenda with the new items or proposals presented in accordance with paragraph 1, the court, having heard the members of the board of directors and internal control bodies, where their refusal to do so should prove to be unjustified, shall order the integration by decree. - b) is associated with the company or exercises significant influence over that company or the latter exercises significant influence over the representative;
- c) is a member of the board of directors or control body of the company or of the persons indicated by paragraphs a) and b);

3. Replacement of the representative by a substitute in conflict of interest is permitted only if the substitute is indicated by the shareholder. In such cases, paragraph 1 shall apply. Disclosure obligations and related onus of proof in any event remain with the representative.

4. This article shall also apply in cases of share transfer by proxy.

Art. 135-undecies (Representative designated by a listed company)

1. Unless the Articles of Association decree otherwise, companies with listed shares designate a party to whom the shareholders may confer, for each shareholders' meeting and by the end of the second trading day prior to the date scheduled for the shareholders' meeting, including for calls subsequent to the first, a proxy with voting instructions on all or some of the proposals on the agenda. The proxy shall be valid only for proposals on which voting instructions are conferred.
2. Proxy is conferred by signing a proxy form, the content of which is governed by a Consob regulation. Conferring proxy shall be free of charge to the shareholder. The proxy and voting instructions may be cancelled within the time limit indicated in paragraph 1.
3. Shares for which full or partial proxy is conferred are calculated for the purpose of determining due constitution of the shareholders' meeting. With regard to proposals for which no voting instructions are given, the shares are not considered in calculating the majority and the percentage of capital required for the resolutions to be carried.
4. The person appointed as representative shall declare any interest, personal or on behalf of third parties, that he or she may have with respect to the resolution proposals on the agenda. The representative must also maintain confidentiality of the content of voting instructions received until the count commences, without prejudice to the option of disclosing such information to his or her employees or collaborators, who shall also be subject to confidentiality obligations. The party appointed as representative may not be assigned proxies except in compliance with this article.
5. By regulation pursuant to paragraph 2, Consob may establish cases in which a representative failing to meet the indicated terms of Article 135-decies may express a vote other than that indicated in the voting instructions.

Italian Civil Code

Article 2393 (Corporate liability action)

1. A liability action against directors is brought following a resolution of the shareholders' meeting, even if the company is in liquidation.
2. A resolution concerning the liability of the directors may be brought during discussions of the financial statements, even if not indicated on the list of matters to discuss, when it regards facts relating to the year to which the financial statements also refer.
3. A liability action may also be brought following a decision of the board of statutory auditors, approved by a two-thirds majority of its members.
4. The action may be exercised within five days of a director's leaving office.
5. Resolving on a liability action entails removal from office of the directors against whom it is brought, provided that it is approved with the votes of at least one fifth of the share capital. In this case, the shareholder's meeting shall replace the directors.
6. The company may waive the exercising of a liability action and may seek a settlement, provided that the waiver and settlement are approved through an express resolution from the shareholders' meeting, and provided that there is no vote against this from a minority of shareholders representing one fifth of the share capital or, in companies which make use of the risk capital market, at least one twentieth of the share capital, or the proportion stipulated in the articles of association for exercising a corporate liability action, pursuant to paragraphs 1 and 2 of Article 2393-bis.
