Description of SECO

SECO (IOT.MI), listed on Borsa Italiana's Mercato Telematico Azionario (STAR segment), is a center of excellence in the field of technological innovation and integration. The company has been operating in the high-tech market for over 40 years, designing, developing and manufacturing cutting-edge proprietary technological solutions for industrial clients. SECO products range from miniaturized computers to standard or customized hardware, high-tech finished products and hardware-software integrated systems for highly diversified end-markets, including medical, industrial automation, aerospace and defense, wellness and vending systems. In addition, the company has further improved its product range by scaling the value chain with the launch of CLEA, a proprietary Platform as A Service (i.e. PaaS), providing services and solutions for applications within the Internet of Things ("IoT") allowing clients to manage their IoT Endpoints in an efficient, effective and simple manner. With over 450 employees and a turnover of €76.1 million as of December 31, 2020, SECO operates on a global scale with offices in Europe, North America, and Asia, as well as production facilities in Italy and China, serving more than 200 blue-chip customers which are leaders in their respective fields. SECO R&D capabilities are further enhanced by long-lasting strategic partnerships with tech giants and collaboration with universities, research centers, and innovative start-ups. SECO is an investee of Fondo Italiano Tecnologia e Crescita, managed by Fondo Italiano d'Investimento SGR.
