In the event in which, at the date of the start of trading on Euronext Milan, the term of 24 (twenty-four) months referred to in letter (a) of paragraph 4) above has already expired, the increased vote will take effect from said date, without prejudice to the need for the shareholder to request registration on the List.

Election of the Board of Directors

- 1) Each party entitled to vote can vote on only one list. The vote of each shareholder will concern the list and, therefore, all candidates indicated therein, with no possibility of variations or exclusions. The votes expressed in violation of said prohibition shall not be allocated to any list.
- 2) The candidates will be elected from the lists that obtained the highest number of votes according to the following criteria:
 - a) all Directors to be elected, minus one, are drawn from the list which obtained the highest number of votes ("**Majority List**"), based on the sequential number with which they were listed;
 - b) from the second list that received the highest number of votes and which is not connected, not even indirectly with the shareholders who presented, or with those who voted the Majority List (the "**Minority List**"), one Director will be taken, in the person of the candidate indicated with the first number on said list.
- 3) In the event of a tied vote between the lists, the shareholders' meeting will conduct a new vote, resolving according to the legal majorities, exclusively with regard to the tied lists, with the list which received the highest number of votes prevailing.
- 4) If, according to the methods indicated above, the provisions governing the independence requirements are not respected, the following steps are taken: the candidate who does not meet the independence requirements established according to the legislation and regulations in force from time to time, applicable to the independent Directors elected last in sequential order from the Majority List, he/she shall be replaced by the first candidate who meets the independence requirements established according to the legislation and regulations in force from time to time, applicable to the independent Directors not elected from said list, according to sequential order. If said procedure does not ensure the presence of the necessary number of Directors who meet the independence requirements established according to the legislation and regulations in force from time to time, applicable to the independent Directors, the replacement shall be made by means of a resolution passed by the shareholders' meeting according to the legal majorities, based on prior presentation of the applications of the individuals who meet the aforementioned independence requirements, without the application of the list voting mechanism.

- 5) If, using the methods indicated above, the provisions governing gender balance recalled in previous Article 15, paragraph 7) are not respected, the candidates from the most represented gender elected last in sequential order from the Majority List are replaced with the first unelected candidates taken from the same list, belonging to the other gender; in the event in which it is not possible to implement said replacement procedure, in order to guarantee compliance with the provisions established above regarding the distribution between genders, the missing directors will be elected by the shareholders' meeting according to the legal methods and majorities, based on prior presentation of the applications of the individuals from the less represented gender, without the application of the list voting mechanism.
- 6) Nonetheless, account will not be taken of lists that have not obtained a percentage of votes of at least equal to half of that needed to present said lists.
- 7) If only one list has been presented, the shareholders' meeting will express its vote on that and if it obtains a relative majority, the candidates listed in sequential order shall be elected Directors, up to the number established by the shareholders' meeting, without prejudice to the obligation to appoint a number of independent Directors *pursuant* to art. 147-ter of the TUF equal to the minimum number established by these Articles of Association, the law and the provisions, including regulatory, in force from time to time, as well as to respect the gender balance requirement, where applicable. If the minimum number of Directors belonging to the less represented gender and independent established by these Articles of Association and the legal and regulatory provisions in force from time to time, is not elected, the shareholders' meeting shall replace the Directors marked by the lowest sequential number and who do not meet the requirement(s) in question, by appointing the next candidates who meet the necessary requirement(s), choosing them from the only list presented. If, also by applying said replacement criterion, suitable replacements are not identified, the shareholders' meeting shall resolve in accordance with the legal majorities. In said scenario, the replacements shall be made starting from the candidates marked by the lowest sequential number.
- 8) If the number of candidates inserted in the Majority List and the Minority List is lower than the number of Directors to be elected, the remaining Directors are elected by the shareholders' meeting according to the legal majorities, without prejudice to the obligation of appointment, by the shareholders' meeting, of a number of Directors belonging to the less represented gender and independent of no less than the minimum number established by the Articles of Association, the law and the legal and regulatory provisions in force from time to time. All Directors will be appointed based on the same methods and majorities also in the event in which no list is presented.

Article 17.

Termination of office

- 1) If a Director no longer meets the legal or regulatory requirements for office, this involves the latter's forfeiture of office in the cases set forth by the legal and regulatory provisions in force and applicable from time to time, without prejudice to the fact that the loss of the independence requirement by a Director does not determine his/her forfeiture of office if the requirements continue to be met by a minimum number of Directors who must satisfy said requirement in accordance with the Articles of Association and, nonetheless, in observance of the legal and regulatory provisions in force from time to time.
