Review report on the interim condensed consolidated financial statements (Translation from the original Italian text)

To the Shareholders of
COIMA RES S.p.A. SIIQ

Introduction

We have reviewed the interim condensed consolidated financial statements, comprising the interim condensed consolidated statement of financial position, the interim condensed consolidated statement of profit/(loss), the interim condensed consolidated statement of other items in the comprehensive income statement, the interim condensed consolidated statement of changes in shareholder's equity, the interim condensed consolidated cash flows statement and the related explanatory notes of COIMA RES S.p.A. SIIQ and its subsidiaries (the "COIMA RES Group") as of June 30, 2022. The Directors of COIMA RES S.p.A. SIIQ are responsible for the preparation of the interim condensed consolidated financial statements in conformity with the International Financial Reporting Standard applicable to interim financial reporting (IAS 34) as adopted by the European Union. Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

Scope of Review

We conducted our review in accordance with review standards recommended by Consob (the Italian Stock Exchange Regulatory Agency) in its Resolution no. 10867 of 31 July 1997. A review of interim condensed consolidated financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing (ISA Italia) and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion on the interim condensed consolidated financial statements.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the interim condensed consolidated financial statements of COIMA RES Group as of June 30, 2022 are not prepared, in all material respects, in conformity with the International Financial Reporting Standard applicable to interim financial reporting (IAS 34) as adopted by the European Union.
