1. Integration of the composition of the current Board of Statutory Auditors. Related and consequent resolutions.

Dear Shareholders,

following the resignation dated May 16, 2022 by the Effective Auditor, Gaetano Rebecchini, the Alternate Auditor Andrea Borghini took over the position of the Effective Auditor in compliance with the provisions of the Law and By-Laws. It is therefore mandatory, upon the convened meeting, to appoint two members of the Board of Statutory Auditors, one effective and one alternate.

It should be noted that the list voting mechanism provided for by Section 18 of the By-Laws, shall not apply in the event of appointment of only two members of the Board of Statutory Auditors, as in the present case, provided that such rule is only enforceable for the complete renewal of the supervisory body.

Given the above, we invite you to vote for the appointment, determination of the remuneration and term of office of the Effective Auditor, as well as for the appointment and determination of the term of office of the Alternate Auditor; in this regard, the Board of Directors proposes to confirm Andrea Borghini, who has already taken over from Rebecchini following his resignation, as Effective Auditor and Antonio Zecca as Alternate Auditor; that their office would have the same duration of the other members of the Board of Statutory Auditors (namely, until the approval of 2023 financial statements) and that

the Effective Auditor receives a gross annual fee of 35 thousand Euro (same remuneration granted to the other Effective Auditor, Rita Casu).

Attached to this report are copies of the candidates' curriculum vitae and the relative declaration by which the candidate confirms the acceptance of the candidacy, the absence of ineligibility or incompatibility causes and the existence of integrity and professionalism skills, the above in compliance with the Law and By-Laws. We therefore propose that you adopt a resolution in line with the following proposal:

"The Ordinary Shareholders' Meeting of Tiscali S.p.A., having read the Directors' Report and having heard the presentation of the Chairman,

resolves

- 1. to appoint as Effective Auditor of the Company Andrea Borghini, whose office shall have the same duration of the other members of the Board of Statutory Auditor and, therefore, until the date of the Shareholders' Meeting called to approve the 2023 financial statements, and to set a gross annual remuneration of Euro 35,000; consequently, grant to the Chairman and the Chief Executive Officer, severally and not jointly, the widest powers for the purposes of implementing this resolution, also by means of proxies and in compliance with the terms and conditions provided for by the Law and, if appropriate or necessary, to make additions, amendments and formal deletions that may be requested by the competent authorities for the filing of the relative deeds before the companies' register;*
- 2. to appoint as Alternate Auditor of the Company Antonio Zecca, whose office shall have the same duration of the other members of the Board of Statutory Auditor and, therefore, until the date of the Shareholders' Meeting called to approve the 2023 financial statements; consequently, grant to the Chairman and the Chief Executive Officer, severally and not jointly, the widest powers for the purposes of implementing this resolution, also by means of proxies and in compliance with the terms and conditions provided for by the Law and, if appropriate or necessary, to make additions, amendments and formal deletions that may be requested by the*

competent authorities for the filing of the relative deeds before the companies' register."
