The Issuer is hereby providing a notice that the written resolution proposed by the Issuer through the Notice and Consent Solicitation announced and notified to the holders of the Securities on 10 February 2023 has not been passed. The Issuer had requested consent from eligible holders of its outstanding Securities for a written resolution to give effect to a modification of the conditions of the Securities so that the floating rate of interest applicable to each interest period commencing after 30 June 2023 would be determined by reference to SOFR instead of USD LIBOR. As a consequence, the proposed amendments have not been approved.

The Issuer reserves all rights to take any further actions in relation to the Securities.
