In view and subject to the approval of the above by the Annual General Meeting of Shareholders of the Company, the Board of Directors proposes the following resolutions.

With reference to **items 1, 2 and 3** on the agenda, the Board of Directors submits its management reports together with the external independent auditor ("réviseurs d'entreprises agréés") reports on the Company's statutory and consolidated 2022 annual accounts together with the consolidated and statutory annual accounts of the Company for the financial year ended 31 December 2022 for your consideration and approval.

The Board of Directors further proposes to carry forward the statutory net loss of the Company, amounting to US\$ 1,215,048 and - in accordance with the applicable Luxembourg law and the Company's Articles of Association - a dividend payment in cash of US\$ 22,011,953.96 gross (US\$ 18,710,160.87 net, after deducting the maximum applicable withholding tax amounting to 15%) corresponding to US\$ 0.0153 per issued and outstanding share net of withholding taxes (to be paid out of the distributable reserves, including the share premium reserve) to the Company's Shareholders. The Board of Directors, having considered the work performed, the powers and duties entrusted so far, the allocation of fees resolved for the 2022 financial year, the fact that the Board is still composed of 6 members all with the same duties assigned and the average remuneration in line with the market prices, hereby proposes to set the 2023 Directors' management fees at the aggregate fixed gross amount of Euro 330,000 which shall include the compensation to be paid to those "vested with particular offices" thus confirming the amount paid last year.
