EXTRAORDINARY MEETING

EXTRAORDINARY PART

1. Introduction in art. 20 of the faculty of appointing a president of the Board of Directors with honorary functions.

WAY OF TAKING PLACE OF THE 2023 SHAREHOLDERS' MEETING

The Shareholders' meeting shall take place using the faculty provided for by art. 106, paragraph 4 of the Decree Law 17 March 2020, No 18 converted by Law no. 27 on 24 April 2020, n. 27 as extended by Legislative Decree no. 198 of 29 December 2022 conv. with Law no. 14 of 24 February 2023.

Therefore, intervention in the Shareholders' Meeting by those entitled to vote will only be allowed through the representative appointed by the Company.

To this end, the Company has appointed Computershare S.p.A. – with offices in Turin, Via Nizza 262/73, 10126 – to represent Shareholders under art. 135-undecies of Legislative Decree 58/1998 (the "TUF") and the aforementioned D. L. 18/2020 (the "Appointed Representative").

The physical participation of individual shareholders and delegates other than the Appointed Representative is therefore forbidden.

Shareholders wishing to attend the Meeting will therefore have to give the Appointed Representative the proxy referred to in the following relevant paragraph.

In accordance with Article 106, paragraph 2, of D. L. 18/2020, the legitimate persons (the members of the Social Bodies, the appointed Secretary and the Appointed Representative) may intervene (or exclusively) by means of telecommunications to ensure their identification, without the President, the Secretary and the Notary being in the same place. The Company will promptly notify any additional relevant requirements and instructions in connection with the way of taking place of the Meeting.

THE RIGHT TO ATTEND THE SHAREHOLDER'S MEETING AND THE RIGHT TO VOTE

The legitimate attendance of shareholders' meetings and the exercise of voting rights is confirmed by a statement to the Company from the authorized intermediary, in compliance with intermediary accounting records, on behalf of the person who has the right to vote.

This communication is made on the basis of the relative evidence at the end of the accounting day of the seventh market business day prior to the date set for the first call of this meeting, i.e., April 18th 2023, also called the *record date*.

The communication from the intermediary must reach the Company by the end of the third trading day prior to the date set for the meeting, i.e., by April 24th 2023. This is without prejudice to legitimate attendance and voting if communication has reached the Company beyond the such terms, providing it has been received before the start of the meeting works.

According to art. 135-*undecies* TUF, every person legitimated to attend the meeting has to give to the Appointed Representative a written proxy with voting instructions on all or some of the proposals on the agenda by using the proxy form, electronic too, prepared by the same Appointed Representative in accordance with the Company and available on the Company's website at www.elengroup.com - *Investor Relations/governance/documenti assembleari/2023/ASSEMBLEA ORDINARIA E STRAORDINARIA 27 aprile 2023 – 15 maggio 2023*.

The proxy and voting instructions may be cancelled within the time limit indicated hereinabove.

To give the proxy to the Appointed representative it is requested the communication from the authorized intermediary, attesting to the right to attend the Shareholders' Meeting and to vote: lacking such intermediary statement, the proxy shall be ineffective.

In addition, under Decree 18/2020, those who are entitled to attend the Shareholders' meeting and to vote and who do not wish to use the above mentioned mean of intervention to the meeting, may confer delegations and/or sub-delegations under art. 135-*novies* TUF. For this purpose, the delegation form model made available on the Company's website can be used.

The delegation and/or sub-delegation to the Appointed Representative contains voting instructions on all or some of the proposals relating to matters on the agenda, it is understood that the Appointed Representative will not submit any votes in the Shareholders meeting in relation to those proposals for which he has not received voting instructions. In order to allow the Company and the Appointed Representative to receive and verify delegations and/or sub-delegations in advance of the start of the meeting, it is recommended that legitimate persons send their delegations and/or sub-delegations by noon on the day before the date of actual holding of the meeting.

Delegation and voting instructions can be cancelled within the same terms and in the same way expected to be sent. No vote by electronic means is permitted.

On the second item on the agenda:

“2. Report on the 2021-2023 remuneration policy and remuneration paid pursuant to art. 123-ter of Legislative Decree no. 58 of 24 February 1998:

2.1. Approval of the integration of the 2023 remuneration policy contained in the first section of the Report, pursuant to art. 123-ter paragraph 3-bis with the provision of a maximum variable component of the remuneration of the general manager;

2.2 resolution with advisory vote on the remuneration paid in 2022 indicated in the second section of the Report pursuant to art. 123-ter paragraph 6”

The Shareholders' Meeting is called upon to express its opinion on the remuneration report prepared pursuant to Article 123-ter T.U.F. and drafted in accordance with Article 84-quater of the Consob Issuers' Regulation in compliance with Annex 3A, Schedule 7-bis as amended by Consob Resolution No. 21623 of 10 December 2020.

This report, the first part of which describes the policy for the remuneration of the administrative body, the general manager, any strategic executives, and to the extent necessary the control body, adopted by El.En. s.p.a. with reference to the 2021-2023 financial years, the procedures for the adoption and implementation of this policy; how the remuneration policy contributes to the corporate strategy, the pursuit of long-term interests and the sustainability of the Issuer.

It transposes the provisions of Dir. (EU) 2017/828 and the resulting domestic implementing legislation, Italian Legislative Decree 10 May 2019, no. 49.

Following the resolution of the Shareholders' Meeting of 15 December last year, the remuneration policy was supplemented with the provision of the 2026-2031 *Stock Option* Plan as a component of the variable portion of directors, general manager and other possible strategic executives effective as of 1 April 2026 under the terms described in the information document pursuant to Article 84-bis Consob Issuers' Regulations published on 15 November 2022. This document is available on the company's website www.elengroup.com under the section Investor Relations/Corporate Documents/Stock Option Plan 2026-2031 (<https://elengroup.com/it/investor-relations/documenti-societari.html>).

Then, on 15 March 2023, the board, at the proposal of the Remuneration Committee, resolved on the implementation of the 2026-2031 *Stock Option* Plan, following the mandate given to it by the shareholders' meeting of 15 December last year: the beneficiaries of the plan, the quantities of options granted, the exercise windows, and the subscription price were identified. Details are available in the new disclosure document pursuant to Article 84-bis Consob Issuers' Regulations, which is filed at the same time as this report and can be consulted on the company's website www.elengroup.com under the section Investor Relations/Corporate Documents/Stock Option Plan 2026-2031 (<https://elengroup.com/it/investor-relations/documenti-societari.html>).

Following the completion of the 2018-2022 Sustainability Plan on 31 December, the Board proceeded to identify, at the proposal of the Remuneration Committee, additional objectives related to the sustainable success of the Company and the Group.

Furthermore, on 15 March 2023, the Board of Directors resolved, upon the proposal of the Remuneration Committee, to set a cap on the allocation of the variable component of the remuneration of the Issuer's general manager as of 1 January 2023.

For this reason, the board has proceeded to further integrate the 2021-2023 remuneration policy contained in Section I of the report - which is intended to constitute the definition of the policy for remuneration, including incentive compensation, pursuant to Article 5 of the Corporate Governance Code issued by Borsa Italiana s.p.a.- which is therefore submitted to the shareholders for approval in compliance with the provisions of Article 123-ter, paragraph 3-bis, T.U.F., and for the purposes of Article 9.2 of the Regulation for the regulation of transactions with related parties of El.En. s.p.a..

The text submitted for the approval of the shareholders' meeting was approved by the board of directors of El.En. s.p.a. at its meeting on 15 March 2023.

The Shareholders' Meeting is also called upon to express its opinion on the second section of the remuneration report prepared pursuant to Article 123-ter T.U.F. and drafted in accordance with Annex 3A, Schedule 7-bis of the Consob Issuers' Regulations, as provided for by Article 84-quater of the aforesaid Regulation.

The second section of the report contains, for the members of the administration and control bodies, the general managers and any other executives with strategic responsibilities, the representation of each of the items that make up the actual remuneration, including the treatments provided for in the event of termination of office or termination of employment, and, finally, analytically, the remuneration paid to the aforementioned persons in the 2022 financial year for any reason and in any form by the Issuer, its subsidiaries or affiliates.

It should also be noted that, following the reformulation by Consob of the regulations on remuneration paid by listed companies, the second part of the report contains information on the shareholdings held and the remuneration received by members of the administration and control bodies, general managers and executives with strategic responsibilities, which previously had to be contained in the management report and the notes to the financial statements.

It too was approved by the board of directors of El.En. s.p.a. in its meeting of 15 March 2023, and is submitted for approval to the shareholders' meeting convened to approve the financial statements for the year 2022 pursuant to Article 123-ter, paragraph 6 TUF.

The Remuneration Report, which is deemed to be referred to herein in its entirety, is filed, within the terms of the law, at the Company's registered office, at Borsa Italiana s.p.a. and on the Company's website www.elengroup.com under the section "*Investor Relations/Governance/Meeting Documents/2023/ ORDINARY AND EXTRAORDINARY MEETING 27 APRIL 2023 - 15 MAY 2023*" (<https://elengroup.com/it/investor-relations/documenti-assembleari.html>).

Accordingly, we submit the following proposed resolutions for your approval:

On the fourth item on the agenda – Authorization to purchase and dispose of treasury shares pursuant to art. 2357 and 2357-ter of the Italian Civil Code, art. 132 of Legislative Decree 24 February 1998 n. 58 and art. 144-bis of the Regulation approved by Consob with resolution 11971/1999.

This is to authorise the Board to purchase and dispose of ordinary shares of the Company pursuant to, to the effects and within the limits of Articles 2357 and 2357-ter of the Italian Civil Code.

It should be noted that the Shareholders' Meeting previously approved authorisations for the Board to purchase and dispose of treasury shares by resolutions of 3 March 2008, 28 October 2010, 14 November 2012, 28 April 2015, 9 January 2019 and most recently 27 April 2021.

The terms of the last purchase authorisation expired in October 2022.

Therefore, the directors ask to be authorised once again to purchase and dispose of ordinary shares of the Company in one or more *tranches* within the legal limits.

Art. 73 of the Regulation of the National Commission for Companies and the Stock Exchange (Consob) adopted by resolution No. 11971/1999, as subsequently amended (the "Issuers' Regulation"), provides that the board of directors, within the twenty-one days preceding the date set for the shareholders' meeting called to resolve on the purchase and sale of treasury shares, shall make available to the public at the registered office, on the company's website and in the other ways indicated by Consob, an illustrative report prepared in accordance with Annex 3A, Schedule no. 4, of the Issuers' Regulation. We therefore proceed below to provide the requested information.

* * *

1) Reasons for requesting the authorisation and disposal of the purchase of treasury shares.

In view of the expiry of the authorisation to purchase and dispose of treasury shares granted by the Shareholders' Meeting on 27 April 2021, this request for authorisation to purchase and dispose of the Company's treasury shares arises from the primary need to provide the Board with an incentive and strategic flexibility instrument.

This authorisation, in fact, like those previously requested and granted, would have the purpose, in the first place, of providing the Company with the necessary shares for the purposes of proceeding with allocations or distributions or payments in kind to employees and/or collaborators and/or members of the company's or subsidiary's administrative bodies under incentive remuneration plans in accordance with the remuneration policy approved by the company's shareholders' meeting.

Secondly, on a residual basis, treasury shares could be an effective instrument for exchanging or swapping shareholdings in the context of transactions of a strategic nature.

The purposes illustrated would be pursued with purchase and sale and/or disposal plans and operations carried out in full compliance with the terms and modalities set forth by current legislation and, in particular, by EU Regulation 596/2014 ("MAR") and relevant delegated regulation.

2) the maximum number, category, nominal value of the shares to which the authorisation relates.

The subscribed and paid-up capital of the Company as of 28 March 2023 is Euro 2,596,531.99 divided into no. 79,893,292 ordinary shares with no express par value. The Company currently holds 39,120 treasury shares. The only class of shares issued by the Company are ordinary shares.

On 13 September 2016, the Board of Directors of the Company exercised its authorisation to increase the share capital by a nominal amount of Euro 104,000.00 for cash, excluding pre-emptive rights, for the issuance of a total of 3,200,000 ordinary shares to service the 2016-2025 Stock Option Plan.

The exercise period for the first *tranche* of options under the 2016-2025 Stock Option Plan opened on 14 September 2019; the exercise period for the second *tranche* opened on 14 September 2020. As of 28 March 2023, 675,851 option rights have been exercised out of the 800,000 that can be exercised during the entire period of validity of the Plan and therefore subscribed to and issued shares in the same number until 21 July 2021 and thereafter, following the fractioning of the shares in a ratio of 1:4, no. 4 shares for each option granted and yet to be exercised.

On 15 March 2023, the Board of Directors of the Company exercised its authorisation to increase the share capital by a nominal amount of Euro 49,955.00 for cash, with the exclusion of pre-emptive rights, for the issuance of a total of 1,414,000 ordinary shares to service the 2026-2031 Stock Option Plan. These options will be exercisable as of 1 April 2026.

The directors ask to be authorised to purchase in one or more *tranches* a number of ordinary shares within the legal limits and therefore:

(a) which in any event does not exceed a total of one fifth of the share capital.

As at 28 March 2023, 20% of E1.En.'s subscribed and paid-up capital is equal to 15,978,658 shares with a nominal value of Euro 519,306.00.

b) within the limits of the available reserves and distributable profits resulting from the last duly approved financial statements. It is understood that the board of directors, when making individual purchases, will ensure the consistency of these limits and thus of the relevant spending limits.

The request for authorisation concerns the power of the Board of Directors to carry out repeated and successive purchase and sale transactions (or other deeds of disposal) of treasury shares on a revolving basis, also for fractions of the maximum authorised quantity, so that, at all times, the quantity of shares subject to the proposed purchase and in the ownership of the Company does not exceed the limits provided for by law and by the authorisation of the Shareholders' Meeting.

As of the date of this report, the last regularly approved financial statements are those for the year 2021, which show a total amount between distributable profits and available reserves of Euro 127,412,911.00. In the financial year 2022, Euro 15,958,901.60 were used from the reserves for the payment of dividends. The draft financial year approved on 15 March 2023 by the board of directors shows a total amount between distributable profits and available reserves of Euro 134,803,416.00.

3) other information relating to the full assessment of compliance with the provision contained in Art. 2357, paragraph 3, of the Italian Civil Code.

No shares of the Company are held by subsidiaries.

As of today, the Company owns no. 39,120 treasury shares equal to 0.05% of the subscribed and paid-up share capital.

4) the duration for which the authorisation is requested.

The directors ask to be authorised to purchase shares of the company for a period not exceeding eighteen months from the date of the shareholders' resolution and the fixing of a maximum period within which to put the purchased shares back into circulation - under the conditions set out in point 5) below.

With regard to the time limit for re-circulation, the Board considers a period of ten years from the date of purchase to be appropriate.

5) the minimum and maximum consideration as well as the market valuations on the basis of which these were determined.

The directors ask to be authorised:

- a. to purchase the Company's shares at a price that is no lower than the closing price recorded in the stock exchange session on the day prior to the completion of each individual transaction, less 10%, and at maximum not more than 10% higher than the official trading price recorded on the day prior to the purchase;
- b. the disposal of the shares at a price, or equivalent value, of not less than 95 per cent of the average of the official trading prices recorded in the five days preceding the sale.

With regard to the disposal of treasury shares, the Board of Directors shall establish from time to time the criteria for the determination of the relevant consideration and/or the modalities, terms and conditions of utilisation of the treasury shares in portfolio, taking into account the implementation methods used, the share price trend in the period prior to the transaction and the best interests of the Company.

6) the manner in which purchases and disposals will be carried out.

Purchases of treasury shares will be made in compliance with the criterion of equal treatment of shareholders in accordance with Article 132 T.U.F. and Article 144-bis Issuers' Regulation.

Accordingly, the directors request authorisation to proceed with the purchase, with the following, concomitant and/or alternative, methods, where applicable and which will be determined at the time of the individual transactions: through takeover bids or exchange; on regulated markets.

No further details or modalities are currently known through which the disposals will be carried out, which, in any case, will take place for the purposes illustrated in paragraph 1) above and in compliance with applicable regulations and any authorisation by the Shareholders' Meeting.

Therefore, it is proposed that the Board and the directors to be delegated by the Board be authorised to determine any further terms, conditions and modalities of the purchase and disposal of the treasury shares held.

7) other news and information

At present, the share buyback transaction for which authorisation is sought is not instrumental to the reduction of the share capital by cancellation of the purchased shares.

Against this background, the Board submits to the shareholders for approval the following

proposal for a resolution

"The shareholders' meeting of El.En. Società per azioni with registered office in Calenzano (FI) via Baldanzese n.c. 17, having heard the report of the Board of Directors,

transfer and in full compliance with the regulations in force;
