He reminds that, as indicated in the notice of call, pursuant to Article 106 of the Cura Italia Decree and as an exception to the provisions of Article 10.4 of the By-laws, participation in the Shareholders’ Meeting by those entitled to vote takes place exclusively through the Designated Representative, as the party to whom shareholders can grant proxies with voting instructions on all or some of the proposals on the agenda, pursuant to Article 135-undecies of the TUF, and that “Monte Titoli S.p.A.”, as Designated Representative, has announced that it has no personal interest in the proposed resolutions submitted for voting. However, with due consideration to the existing contractual relations between Monte Titoli and the Company, particularly in relation to technical support at Shareholders’ Meetings and ancillary services, in order to avoid any subsequent disputes connected with presumed circumstances that may result in a conflict of interest as described in Article

135-*decies*, paragraph 2, letter f) of the TUF, Monte Titoli has expressly stated that, should unknown events occur or in the case of amendments or supplements to the proposals presented to the Shareholders' Meeting, it does not intend to cast a vote that differs from that indicated in the instructions.

- each ordinary share entitles the holder to one vote at the Shareholders' Meeting, except for no. 20,837,128 (twenty million eight hundred thirty-seven thousand one hundred twenty-eight) shares which have obtained increased voting rights (in the ratio of two voting rights for each share) in accordance with Article 6 of the By-laws; therefore, the total number of voting rights exercisable at the Shareholders' Meeting is 55,657,886 (fifty-five million six hundred fifty-seven thousand eight hundred eighty-six);

- as of today's date, the shareholder who holds a significant shareholding pursuant to Article 120 of the TUF and who is the holder of shares that have vested the increased voting rights pursuant to Article 127-*quinquies* of the TUF is "Holding Happy Life S.r.l." for 20,669,128 (twenty million six hundred sixty-nine thousand one hundred twenty-eight) shares;

- as of today's date, the Company holds no. 123,202 (one hundred twenty-three thousand two hundred two) treasury shares, for which the voting rights are suspended pursuant to Article 2357-*ter* of the Italian Civil Code, without prejudice to the provisions of Article 2368, paragraph 3 of the Italian Civil Code, referred to in Article 2357-*ter*, paragraph 2 of the Italian Civil Code, regarding the calculation of the quorum to duly constitute the Shareholders' Meeting and pass resolutions;

- on 21 April 2020, the Shareholders' Meeting passed a resolution to increase the share capital in divisible form, with the exclusion of option rights pursuant to Article 2441, paragraph 8 of the Italian Civil Code, by a maximum nominal amount of €884,615.00 (eight hundred and eighty-four thousand six hundred and fifteen point zero zero), to be executed no later than 30 June 2029, through the issuance of a maximum number of 884,615 (eight hundred and eighty-four thousand six hundred and fifteen) ordinary Sanlorenzo shares destined, exclusively and irrevocably, to service the 2020 Stock Option Plan, as approved by the Extraordinary Shareholders' Meeting of Sanlorenzo on 21 April 2020, all under the terms and conditions set forth in the resolution itself; this capital increase as of today has been partially subscribed for a total of no. 320,758 (three hundred twenty thousand seven hundred fifty-eight) ordinary shares;

- the Company's shares are admitted for trading on the electronic stock market organised and managed by Borsa Italiana S.p.A. – Euronext STAR Milan segment;

The Chairman recalls that:

- with reference to the relevant shareholdings pursuant to Article 120 of the TUF, the Company does not qualify as an "SME" pursuant to Article 1, paragraph 1, letter W-*quater* 1) of the TUF and, therefore, the threshold for the disclosure of relevant shareholdings pursuant to Article 120 of the TUF is currently 3% (three per cent) of the share capital with voting rights;

- to date, according to the findings of the Company's shareholders' register, supplemented by additional notifications received pursuant to Article 120 of the TUF and other available information, the party that holds, directly or indirectly, an equity investment exceeding 3% (three per cent) of the subscribed share capital of "SANLORENZO S.p.A.", represented by shares with voting rights, is the following:

The Chairman invites the Designated Representative to make any legal declaration required by law.

The Designated Representative, in the person of Mr. Emanuele Ramilli, takes the floor and states:

- that were received, within the legal deadline, no. 8 (eight) proxies pursuant to Article 135-*undecies* of the TUF for a total of no. 41,950,925 (forty-one million nine hundred fifty thousand nine hundred twenty-five) votes, representing 75.373% (seventy-five point two three seven three per cent) of total voting rights; no. 4 (four) proxies pursuant to Article 135-*novies* of the TUF for a total of no. 834,781 (eight hundred thirty-four thousand seven hundred eighty-one) votes, representing 1.5% (one point five per cent) of total voting rights; no. 1 (one) sub-proxy pursuant to Article 135-*novies* of the TUF transposing no. 296 (two hundred ninety-six) proxies for a total of no. 5,744,672 (five million seven hundred forty-four thousand six hundred seventy-two) votes, representing 10.321% (ten point three two one per cent) of total voting rights for a total of no. 308 (three hundred eight) proxies, representing no. 272 (two hundred seventy-two) shareholders entitled to vote participating in the Shareholders' Meeting exclusively through the Designated Representative for no. 27,861,250 (twenty-seven million eight hundred sixty-one thousand two hundred fifty) ordinary shares equal to 80.013% (eighty point zero one three per cent) of the share capital attributing a total of no. 48,530,378 (forty-eight million five hundred thirty thousand three hundred seventy-eight) voting rights;

- that prior to each vote, he will communicate the shares for which no voting indications have been provided by the delegating party.

The Chairman, having acknowledged that pursuant to paragraph 3 of the aforementioned Article 135-*undecies* of the TUF, the shares for which proxy has been conferred, even partially, to the Designated Representative, are calculated for the purpose of duly constituting the Shareholders' Meeting, while in relation to the proposals for which voting instructions have not been provided, the shares will not be counted for the purposes of calculating the majority and the share of capital required for the approval of the related resolutions. He declares that there are therefore present by proxy no. 272 (two hundred seventy-two) shareholders entitled to vote, representing no. 27,861,250 (twenty-seven million eight hundred sixty-one thousand two hundred fifty) ordinary shares equal to 80.013% (eighty point zero one three per cent) of share capital, for an aggregate total of no. 48,530,378 (forty-eight million five hundred thirty thousand three hundred seventy-eight) votes equal

to 87.194% (eighty-seven point one nine four per cent) of the voting rights, taking into account the shares with increased voting rights.

The Chairman informs that the communications of the intermediaries for purposes of participation in this Shareholders' Meeting by the entitled persons through the Designated Representative were carried out in accordance with relevant governing legal provisions and in compliance with the provisions of the By-laws.

Hence, he declares that the Ordinary Shareholders' Meeting is duly convened, validly constituted in first call within the terms of the law and the By-laws and is empowered to make resolutions upon items on the agenda.

He announces that there was no solicitation of voting proxies pursuant to Article 136 et seq. of the TUF promoted in relation to today's meeting.

He informs that, pursuant to the "GDPR" (General Data Protection Regulation - EU regulation 2016/679) and the governing national legislation on personal data protection, the personal data collected are processed and stored by the Company, on electronic media and hardcopy, for the purposes of correctly conducting Shareholders' Meetings and for taking minutes, as well to satisfy any related corporate and legal obligations.

He also notes that the audio-video recording of the Shareholders' Meeting is made for the sole purpose of facilitating the taking of the meeting minutes and documenting what is transcribed in the minutes, as specified in the information provided to all participants; all data will be stored, together with the documents produced during the meeting, at SANLORENZO S.p.A.'s registered office; recording tools of any kind, photographic equipment and similar cannot be used, with the exception of the audio recording tools used by the Company to facilitate the taking of the meeting minutes.

The Chairman notes:

- that the voting rights relating to the shares for which the disclosure obligations referred to in Articles 120 and 122, paragraph 1, of the TUF-concerning respectively the significant equity investments and shareholders' agreements - have not been fulfilled, cannot be exercised;
- that the Company is not aware of any shareholders' agreements stipulated between shareholders pursuant to Article 122 of the TUF;

- the related documentation has been subject to disclosure obligations contemplated by the applicable regulation, as well as made available on the Company's website;
- that the following is attached to the meeting minutes as an integral and essential part of the same and will be available to those entitled to vote: the list of names of the participants in the Shareholders' Meeting, through the Designated Representative, complete with all the data required by Consob, indicating the number of shares for which the communication by the intermediary to the issuer has been made, pursuant to Article 83-*sexies* of the TUF; this list, by subscription of the appearing and of me Notary, is attached to these minutes under the letter "A";
- that, pursuant to Article 127-*ter* of the TUF, before the Shareholders' Meeting and by the deadline of 18 April 2023 indicated in the notice of call, the Company received some questions from the shareholder Marco Bava: a copy of these questions, together with the related answers, were published on

25 April 2023 on the Company's website, "Corporate Governance/Shareholders' Meeting/Ordinary Meeting 27 April 2023" section. The Chair of the Board of Statutory Auditors then takes the floor and declares that he has verified and can ensure, with reference to the issue by the Company of proxies to the Designated Representative, the confidentiality by the Designated Representative of the voting instructions up to the beginning of voting in the Shareholders' Meeting.

The Chairman then moves on to discussion of the first item on the agenda:

1. Financial statements for the year ended 31 December 2022. Related and consequent resolutions:

1.1. approval of the financial statements and the report on operations for the year ended 31 December 2022. Presentation of the consolidated financial statements of the Sanlorenzo Group as at 31 December 2022. Presentation of the consolidated non-financial statement for financial year 2022;

1.2. proposal for allocation of profit;

1.3. reduction of restriction on the extraordinary reserve up to a maximum amount of €7,320,000 pursuant to Article 110, paragraph 8, of Italian Decree-Law no. 104 of 14 August 2020, converted into law with amendments by Italian Law no. 126 of 13 October 2020.

The Chairman specifies that the reading of the documents will be omitted, limiting the reading to the resolution proposals only which are contained in the explanatory reports of the Board of Directors. The Chairman acknowledges that there are no objections.

The Chairman, moving to the first sub-item on the agenda, states that, considering that the figures from the separate and consolidated financial statements as at 31 December 2022, as well as the 2022 Consolidated Non-Financial Statement, as examined and approved by the Company's Board of Directors held on 14 March 2023, were made available to the public in accordance with the law, their presentation can be omitted. The Chairman acknowledges that there are no objections.

The Chairman summarises the main data of the consolidated financial statements as at 31 December 2022 and of the Consolidated Non-Financial Statement for the year 2022.

The Chairman yields the floor to Enrico Fossa, Chair of the Board of Statutory Auditors, who reports that he has received on time from the Auditing Firm, BDO Italia S.p.A., the Supplementary Report to the Audit Committee referred to in Article 11 of Regulation (EU) no. 537/2014 of the European Parliament and of the Council, and that the Board of Statutory Auditors has no comments to report on it.

The Chairman, Mr. Massimo Perotti, moving on to the second sub-item, puts the proposed resolution concerning the allocation of profit for the year ended 31 December 2022 to the vote and he reads this to the Shareholders' Meeting. The amount of the proposed dividend, corresponding to a pay-out of 31% (thirty-one per cent) of the net profit for the period attributable to the Group; the proposed dividend amounts to €0.66 (zero point six six), increasing by 10% (ten per cent) compared to the dividend of €0.60 (zero point six zero) distributed in 2022.

The Chairman, Mr. Massimo Perotti, finally, moves on to the discussion of the third sub-item, illustrating the proposal to reduce the restriction on the extraordinary reserve, pursuant to Article 110, paragraph 8, of Italian Decree-Law no. 104 of 14 August 2020, converted with amendments by Law

No. 126 of 13 October 2020.

To this end, the Chairman, Mr. Massimo Perotti, points out that on 21 April 2021, the Shareholders' Meeting had resolved to place a restriction on the extraordinary reserve up to a maximum amount of €8,400,000.00 (eight million four hundred thousand point zero zero), pursuant to Article 110, paragraph 8, of Italian Decree-Law no. 104 of 14 August 2020, converted with amendments by Law no. 126 of 13 October 2020, as a result of the decision to realign tax values to the higher book values for certain assets. This realignment, carried out in compliance with tax regulations, allows the Company to obtain significant tax savings spread over the depreciation period of the realigned assets and determined by the difference between the ordinary direct tax rate and the pro tempore substitute tax rate.

The amount of the restriction approved by the Shareholders' Meeting of 21 April 2021, amounting to €8,400,000.00 (eight million four hundred thousand point zero zero), was intended as a maximum amount, subject to gradual reduction in subsequent years for the depreciation portion of the assets subject to realignment.

On 28 April 2022, the Shareholders' Meeting resolved to reduce this restriction up to the maximum amount of €7,850,000.00 (seven million eight hundred fifty thousand point zero zero).

By virtue of the above, the Board of Directors resolved to propose to the Shareholders' Meeting a reduction of this restriction to the maximum amount of €7,320,000.00 (seven million three hundred twenty thousand point zero zero).

In view of the foregoing, the following proposed resolution, set forth in the explanatory report of the Board of Directors pursuant to Article 125-ter of the TUF and 84-ter of Consob Regulation no. 11971 of 14 May 1999 ("Issuers' Regulation") made available to shareholders in the manner required by law, is submitted for approval by the Shareholders' Meeting:

The Chairman therefore moves on to discussion of the second item on the agenda:

2. Report on the policy regarding remuneration and fees paid:

2.1 approval of the Remuneration Policy pursuant to Article 123-*ter*, paragraphs 3-*bis* and 3-*ter* of Italian Legislative Decree no. 58 of 24 February 1998;

2.2 resolution on the "Second section" of the Report on the policy regarding remuneration and fees paid, pursuant to Article 123-*ter*, paragraph 6 of Italian Legislative Decree no. 58 of 24 February 1998.

The Chairman submits, for the approval, the remuneration policy pursuant to Article 123-*ter*, paragraphs 3-*bis* and 3-*ter* of the TUF and he invites to pass a resolution on the "Second Section" of the report on the policy regarding remuneration and fees paid, pursuant to Article 123-*ter*, paragraph 6 of the TUF.

He notes that this report, prepared pursuant to Article 125-ter of the TUF and Article 84-ter of Issuers' Regulation, was approved by the Board of Directors of the Company held on 14 March 2023 and made available to the public as required by law.

Therefore, he moves on to the discussion of the first sub-item of the second item on the agenda:

2.1 approval of the Remuneration Policy pursuant to Article 123-ter, paragraphs 3-bis and 3-ter of Italian Legislative Decree no. 58 of 24 February 1998.

Pursuant to the aforementioned legislation, this Shareholders' Meeting is called to resolve upon the "First section" of the Report in favour or against and to approve the policy on the remuneration of executive directors, general managers, executives with strategic responsibilities and, without prejudice to the provisions of Article 2402 of the Italian Civil Code, the members of the Company's control body, presented therein. The resolution is binding.

The Chairman, on behalf of the entire Board of Directors, therefore submits the following proposed resolution for the approval of the Shareholders' Meeting, as set forth in the explanatory report of the Board of Directors pursuant to Article 125-ter of the TUF and 84-ter of the Issuers' Regulations made available to shareholders in the manner required by law.

"The Ordinary Shareholders' Meeting of Sanlorenzo S.p.A.,

- (i) having heard and approved the explanation by the Board of Directors;*
- (ii) having examined the Explanatory Report of the Board of Directors and the proposals contained therein;*
- (iii) having shared the reasons for the proposals contained therein*

resolves

pursuant to Article 123-ter, paragraphs 3-bis and 3-ter of Italian Legislative Decree no. 58 of 24 February 1998 and by operation of law and regulation, and hence with binding resolution, in a favourable sense on the First section of the Company Report on the policy regarding remuneration and fees paid and to approve the policy on the remuneration of executive directors, general managers and executives with strategic responsibilities and, notwithstanding the provisions of Article 2402 of the Italian Civil Code, the members of the Company's control bodies."

The Chairman, Mr. Massimo Perotti, puts the proposed resolution read previously to the vote, asking the Designated Representative, pursuant to Article 135-undecies of the TUF and for the purpose of calculating majorities, whether in relation to the proposal read previously he is in possession of voting instructions for all the shares covered by proxy.

Following the response of the Designated Representative, the Chairman specifies that no. 272 (two hundred seventy-two) shareholders entitled to vote are attending via proxy granted to the Designated Representative, representing no. 27,861,250 (twenty-seven million eight hundred sixty-one thousand two hundred fifty) ordinary shares, equal to 80.013% (eighty point zero one three per cent) of the share capital, granting no. 48,530,378 (forty-eight million five hundred thirty thousand three hundred seventy-eight) voting rights.

Voting continues through announcement of the votes by the Designated Representative:

- in favour: no. 45,289,172 (forty-five million two hundred eighty-nine thousand one hundred seventy-two) votes, equal to 93.321% (ninety-three point three two one per cent);

- against: no. 3,241,203 (three million two hundred forty-one thousand two hundred three) votes, equal to 6.679% (six point six seven nine per cent);
- abstained: no. 3 (three) votes; equal to 0.000% (zero per cent);
- non-voting: no. 0 (zero) votes, equal to 0.000% (zero per cent).

The proposal is approved, all in accordance with the details provided in the document that, by subscription of the appearing and of me Notary, is attached to these minutes under the letter "E".

The Chairman asks the Designated Representative, pursuant to Article 134 of the Issuers' Regulation, if he expressed any votes not compliant with the instructions received. The Designated Represented answered no.

Therefore, he moves on to the discussion of the second sub-item of the second item on the agenda:

2.2. resolution on the "Second section" of the Report on the policy regarding remuneration and fees paid, pursuant to Article 123-ter, paragraph 6 of Italian Legislative Decree no. 58 of 24 February 1998.

Pursuant to the aforementioned legislation, this Shareholders' Meeting is called to resolve upon the second section of the Report in favour or against. The resolution is not binding.

The Chairman, on behalf of the entire Board of Directors, therefore submits the following proposed resolution for the approval of the Shareholders' Meeting, as set forth in the explanatory report of the Board of Directors pursuant to Article 125-ter of the TUF and 84-ter of the Issuers' Regulations made available to shareholders in the manner required by law.

"The Ordinary Shareholders' Meeting of Sanlorenzo S.p.A.,

- (i) having heard and approved the explanation by the Board of Directors;***
- (ii) having examined the Explanatory Report of the Board of Directors and the proposals contained therein;***
- (iii) having shared the reasons for the proposals contained therein***

resolves

pursuant to Article 123-ter, paragraph 6 of Italian Legislative Decree no. 58 of 24 February 1998 and by operation of law and regulation, and hence with non-binding resolution, in a favourable sense on the Second section of the Company Report on the policy regarding remuneration and fees paid."

The Chairman, Mr. Massimo Perotti, puts the proposed resolution read previously to the vote, asking the Designated Representative, pursuant to Article 135-undecies of the TUF and for the purpose of calculating majorities, whether in relation to the proposal read previously he is in possession of voting instructions for all the shares covered by proxy.

Following the response of the Designated Representative, the Chairman specifies that no. 272 (two hundred seventy-two) shareholders entitled to vote are attending via proxy granted to the Designated Representative, representing no. 27,861,250 (twenty-seven million eight hundred sixty-one thousand two hundred fifty) ordinary shares, equal to 80.013% (eighty point zero one three per cent) of the share capital, granting no. 48,530,378 (forty-eight million five hundred thirty thousand three hundred seventy-eight) voting rights.

Voting continues through announcement of the votes by the Designated Representative:

- in favour: no. 44,646,093 (forty-four million six hundred forty-six thousand ninety-three) votes, equal to 91.996% (ninety-one point nine nine six per cent);
- against: no. 3,884,282 (three million eight hundred eighty-four thousand two

hundred eighty-two) votes, equal to 8.004% (eight point zero zero four per cent);

- abstained: no. 3 (three) votes, equal to 0.000% (zero per cent);

- non-voting: no. 0 (zero) votes, equal to 0.000% (zero per cent).

The proposal is approved, all in accordance with the details provided in the document that, by subscription of the appearing and of me Notary, is attached to these minutes under the letter "F".

The Chairman asks the Designated Representative, pursuant to Article 134 of the Issuers' Regulation, if he expressed any votes not compliant with the instructions received. The Designated Represented answered no.

The Chairman therefore moves on to discussion of the third item on the agenda:

3. Resolutions following the resignation of two directors:

3.1. determination of the number of members of the Board of Directors: confirmation of the composition of the Board of Directors at 12 members, or reduction of the composition to 11 members, or reduction of the composition to 10 members;

3.2. in the event of confirmation of the 12-member composition of the Board of Directors or determination of the 11-member composition:

3.2.1 appointment of two new directors or one new director;

3.2.2 determination of the related term of office;

3.2.3 determination of the related remuneration.

The Chairman recalls the content of the explanatory report on the third item on the agenda ("Resolutions following the resignation of two directors"), drawn up by the Board of Directors pursuant to Article 125-ter of Italian Legislative Decree no. 58 of 24 February 1998, made available to the public and published in the forms of law. He remembers, therefore, that the Shareholders' Meeting must decide whether to confirm the composition of the Board of Directors to twelve members, reducing it to eleven members or ten members.

Following this, the Chairman acknowledges that the majority shareholder, "Holding Happy Life S.r.l.," presented the following proposed resolution related the aforementioned item:

"The Shareholders' Meeting of Sanlorenzo S.p.A., which met in ordinary session

having regard to Articles 12 and 13 of the By-Laws

resolves

to redetermine in 10 (ten) the number of members of the Board of Directors, instead of 12 (twelve) as resolved by the Ordinary Shareholders' Meeting of 28 April 2022, with the consequent confirmation in the office of the current 10 (ten) members and the non-replacement of the 2 (two) members who have ceased to hold office after the appointment."

The Chairman notes that, in case of acceptance of the aforementioned proposal, the Shareholders' Meeting will therefore not be called to resolve on items 3.2.1, 3.2.2 and 3.2.3 on the agenda.

The Chairman, Mr. Massimo Perotti, puts the proposed resolution read previously to the vote, asking the Designated Representative, pursuant to Article 135-undecies of the TUF and for the purpose of calculating majorities, whether in relation to the proposal read previously he is in possession of voting instructions for all the shares covered by proxy.

Following the response of the Designated Representative, the Chairman specifies that no. no. 272 (two hundred seventy-two) shareholders entitled to

vote are attending via proxy granted to the Designated Representative, representing no. 27,861,250 (twenty-seven million eight hundred sixty-one thousand two hundred fifty) ordinary shares, equal to 80.013% (eighty point zero one three per cent) of the share capital, granting no. 48,530,378 (forty-eight million five hundred thirty thousand three hundred seventy-eight) voting rights.

Voting continues through announcement of the votes by the Designated Representative:

- in favour: no. 48,510,815 (forty-eight million five hundred ten thousand eight hundred fifteen) votes, equal to 99.960% (ninety-nine point nine six zero per cent);
- against: no. 19,560 (nineteen thousand five hundred sixty) votes, equal to 0.040% (zero point zero four zero per cent);
- abstained: no. 3 (three) votes, equal to 0.000% (zero per cent);
- non-voting: no. 0 (zero) votes, equal to 0.000% (zero per cent).

The proposal is approved, all in accordance with the details provided in the document that, by subscription of the appearing and of me Notary, is attached to these minutes under the letter "G".

The Chairman asks the Designated Representative, pursuant to Article 134 of the Issuers' Regulation, if he expressed any votes not compliant with the instructions received. The Designated Represented answered no.

The Chairman therefore acknowledges that, upon approval of the resolution proposed by Holding Happy Life S.r.l., to pass resolutions on items 3.2.1, 3.2.2 and 3.2.3 of the agenda is no longer necessary.

There being no other matters to be resolved and as none of the attendees have requested the floor, the Chairman addressed warm thanks to all the Company's employees and collaborators, even without official positions, expressing confidence in the future, and, after being empowered by the Shareholders' Meeting to make all amendments, suppressions and additions to this document as deemed necessary for its entry in the Register of Companies, by thanking the attendees, steps down from the chair and closes the Shareholders' Meeting at forty-four minutes after ten o'clock.

The reading of the annexes had by the appearing party is omitted with my consent.

Upon request, I, as Notary, have received this deed written partly with electronic means by a person in whom I trust, and partly by my own hand.

I, as Notary, read this deed to the person appearing before me who, on my asking, fully confirms and signs it, together with me, as Notary, at forty minutes after twelve o'clock.

This deed consists of nine sheets by thirty-four pages entirely written.

Massimo PEROTTI (signed on the original)

Maurizio GALLO-ORSI, Notary (signed on the original).
